

ROJESTVENSKY SAYS HE'S GUILTY

Enters That Plea in an Effort to
Save Surviving Members
Of Staff.

BLAME ON OWN SHOULDERS.

Asks Court That He Alone be Pun-
ished to Full Extent of
Law.

Cronstadt, July 4.—In a manly ef-
fort to save the surviving members of
his staff and the other officers who
believed surrendered the gumbot
Redov on account of their affection
for their wounded commander and
their desire to save his life, Admiral
Rojestvensky today pleaded guilty be-
fore a court-martial.

In a short speech to the court the
admiral declared that he took all the
blame on his own shoulders and asked
that he alone be punished to the full
extent of the law, virtually an ap-
peal for condemnation and death,
which is the penalty for hauling down
the stars and cross to a hostile vessel.
All the other defendants, including
Capt. De Cologne, chief of Admiral
Rojestvensky's staff, and Capt. Bara-
nov, commander of the Redov, plead-
ed not guilty.

The little court room in the marine
headquarters at Cronstadt afforded a
place for a small audience, most of
whom are connected with the navy.
Among the spectators in the first row
was the widow of Vice Admiral Ma-
kov, who lost his life on board his flag-
ship at Port Arthur in April, 1904, when
the vessel was sunk by a Japanese
mine. Admiral Rojestvensky appeared
to have quite recovered from the
wounds he received in the battle of the
Sea of Japan.

After he had entered his plea the tak-
ing of testimony began. Members of
the crew of the Redov were examined
to determine who ordered the sur-
render, the condition of the vessel and
the tactics of the capture. The taking of
testimony will occupy several days.

PROTECT PROPRIETARY MEDI-
CINES.

Did ever occur to you that promi-
nent medicines are a blessing to man-
kind generally? The good ones have
long continued sale, the poor ones have
short life and soon leave the market.

If we had to depend entirely upon
physicians and druggists it would be
expensive and very inconvenient at
times, especially in the country and at
night when neither could be conveniently
reached. For nearly forty years
Boschee's German Syrup has been used
in many families and thousands of
lives of adults and children have been
saved by its use, when it was impos-
sible to reach a physician. German
Syrup is the best household remedy
for cough, croup, throat, and lung
trouble. It quickly relieves the hack-
ing cough, loosens the phlegm, and
brings sound and refreshing sleep.
Twenty-five and seventy-five cents.

OKLAHOMA CELEBRATES INDEPENDENCE DAY.

Oklahoma City, Okla., July 4.—The
Independence and new-state celebration
here was a great success. The presi-
dents of the state mingled with
thousands of substantial business and
agricultural men and joined to mani-
fest appreciation of liberty and citi-
zenship. Bands of music and floating
banners lined the procession of more
than a mile in length, and at the park
prominent men delivered addresses.
The principal oration was delivered
by Chancellor Bradford of Epworth
university.

SECY. ROOT STARTS FOR SOUTH AMERICA.

New York, July 4.—Secy. of State
Elhu Root sailed from New York to-
day on the United States cruiser Char-
leston on a three months' South Amer-
ican tour. He was accompanied by
Mrs. Root, his son Edward and his
daughter Miss Edith. He will go
around Cape Horn and, returning, will
cross the Isthmus of Panama.
From July 25 to August 6 he will re-
present this country at the third Pan-
American congress at Rio Janeiro,
Brazil.

No secretary of state ever had such
an extended tour by sea, and Mr. Root
will stand unique in this regard in the
history of the United States.

CONAN DOYLE'S WIFE DEAD.

London, July 4.—Lady Doyle, wife
of Sir Arthur Conan Doyle, died today.
Sir Conan Doyle married, in 1886,
Louisa, youngest daughter of J. Haw-
kins of Minister Worth, Gloucester-
shire.

COUNT TOLSTOI ON RUSSIAN PARLIAMENT.

Yasnyy, Poliana, July 4.—Count
Leo Tolstoy in the course of an inter-
view today said the Russian parlia-
ment interested him very little. When
he took up a paper he said he usual-
ly skipped the reports of parliamentar-
ian proceedings, but when he did
glance at them they inspired him
with the triple sensation of humor,
frustration and disgust. "It seems to
me," Count Tolstoy said, "as if they
were playing a game of hide-and-seek
with the people. The proceedings show
nothing new, nothing
original, nothing interesting. Every-
thing has been said hundreds of times
before."

"Our parliament reminds me of
fashions in the provinces. Hats and
gowns out of date in the cities are
sent to the interior, where they are
sacredly worn under the impression
that they are the latest styles. It frus-
trates me to see so-called representa-
tives of the people who are really be-
lieved to be the very essence of the
supposed to represent, assume the task
of solving problems which will decide
the fate of 140,000,000 human beings.
The irrelevance of the arguments of
the members and their blind self-as-
surance and intolerance disgust me."
Count Tolstoy repeated his well-
known ideas that the regeneration of
Russia would not come through a po-
litical struggle, but in a revival of
true Christian spirit which will make
men love labor, nature and truth.
"Without politics," he said, "life would
be filled with love of labor, peace and
truth. With it the atmosphere is red
with strife and blood."

in 1895 of murder in the second degree
and sentenced to life imprisonment.

A HUNDRED PEOPLE JUST ESCAPED DROWNING

Omaha, July 4.—Nearly 100 persons
were precipitated into about 14 feet of
water at Lake Manawa, a pleasure re-
sort on the Iowa side of the Missouri
river, on the collapsing of a landing
dock at 10:40 o'clock tonight. Mary
Doerfer, aged 20 years, in missing;
Lena Rosenbloom was unconscious
when taken out and had not recovered
consciousness at a late hour, and a
Miss Chamberlain is thought to be fa-
tally injured internally.

The crowd was watching a display of
fireworks on the water and bathing by
electric light when the dock suddenly
sank into the lake.

All the victims live at Omaha.

THE FOURTH AT SAGAMORE HILL

Oyster Bay, L. I., July 4.—Sagamore
Hill was illuminated tonight in Fourth
of July colors, and the cracking boom
of fireworks spelled happy frolics for
the juveniles of the president's family,
their relatives and invited friends from
the village.

Mr. J. West Roosevelt and W. Ren-
den Roosevelt families, who live on ad-
jacent estates, were of the party.
Secy. and Mrs. Loch drove up
from the village, as did a number of
joyous juveniles who helped with the
fun.

The annual evening celebration of
the Fourth at the president's home
this year eclipsed former records for
display and decoration. A well-ar-
ranged program was carried out under
the direction of an expert from New
York. Besides, the children had their
own personal supplies of noise-makers
to fill in all intervals of silence.

THAW AS A HOST.

Treated Fellow Prisoners to Icecream
And Cake.

New York, July 4.—Harry K. Thaw,
under indictment for the murder
of Architect Stanford White, gave his
fellow male prisoners in the Tombs
a pleasant surprise today by treating
them all to cream and cake. Thaw
was talking with Rev. John A. Wade,
the Episcopal clergyman who attends to
the spiritual needs of the Protestant
prisoners. Thaw asked the minister
if the Fourth of July was being ob-
served in any special way in the prison.
"Well," answered the clergyman, "I
have just finished a task that falls upon
me every Independence day—that of
supplying the women and boys with ice
cream and cake."

When the minister said that the men
were unacquainted in that respect, Thaw
asked him to get enough to go around
and send the bill to him. Wade did as
requested, buying 46 quarts of ice
cream and 30 dozen cakes.

Thaw's wife was not permitted to vis-
it him today, the rule excluding vis-
itors being in effect the same as on
Sundays.

YELLOW FEVER IN CUBA.

New Orleans, July 4.—Reports that
yellow fever has appeared in Cuba were
made public here today by the state
board of health.

BOY OFFENDERS.

Chicago, July 4.—No longer will
boys and girls arrested for minor of-
fenses be haunted by the knowledge
that they have "police records" if the
plan suggested yesterday by Justice
Timothy D. Hurley is carried out. Jus-
tice Hurley, who is an ardent charity
worker, has called on Chief of Police
Collins in his effort to prevent the
police from giving "first offenders" a
bad name which will follow them
through life.

In a letter to Chief Collins the sug-
gestion is made by Justice Hurley that
the police be urged not to book chil-
dren who are arrested for trivial of-
fenses unless instructed to do so by a
police magistrate. Chief Collins took
to question under advisement.

this city, today. Allen came here re-
cently from San Jose.

LEROY BELL DROWNED.

Boise, Ida., July 4.—Leroy Bell, the
21-year-old son of Mrs. Frank Boyd of
Mountain Home, was drowned this af-
ternoon while swimming in the Boise
river just below Pine. He was an elec-
trician with the Mountain View mine.
He had formerly been engaged with the
Rocky Mountain Bell Telephone com-
pany.

SOLDIER KILLS HIMSELF.

Helena, Mont., July 4.—Baley Mc-
Elhannon, a private of the Seventh
United States Infantry stationed at
Fort William Henry, Harrison was
found dead in bed in a local lodging
house today under circumstances indi-
cating suicide. An empty bottle of
morphine was found beside his bed.

WELL POSTED

A California Doctor With 40 Years Ex-
perience.

"In my 40 years' experience as a
teacher and practitioner along hygienic
lines," says a Los Angeles physician, "I
have never found a food to compare
with Grape-Nuts for the benefit of the
general health of all classes of people.
I have recommended Grape-Nuts for a
number of years to patients with the
greatest success and every year's ex-
perience makes me more enthusiastic
regarding its use."

"I make it a rule to always recom-
mend Grape-Nuts and Postum Food
Coffee in place of coffee when giving
my patients instructions as to diet for
I know both Grape-Nuts and Postum
can be digested by anyone."

"As for myself, when engaged in
much mental work my diet twice a day
consists of Grape-Nuts and rich cream.
I find it just the thing to build up gray
matter and keep the brain in good
working order."

"In addition to its wonderful effects
as a brain and nerve food Grape-Nuts
always keeps the digestive organs in
perfect, healthy tone. I carry it with
me when I travel, otherwise I am al-
most certain to have trouble with my
stomach." Name given by Postum Co.,
Battle Creek, Mich.

Strong endorsements like the above
from physicians all over the country
have stamped Grape-Nuts the most sci-
entific food in the world.

DENVER "WELCOME" ARCH.

Denver, July 4.—Dedication of the
"Welcome" arch, erected at the foot
of Seventeenth street, opposite the
union depot, was the feature of the
Fourth of July celebration in this city.
The arch was illuminated tonight with
1,000 electric lights, and on special oc-
casions it will carry 1,800 lights. The
cost of construction, about \$22,000, was
raised by voluntary contributions.

FOURTH IN BERLIN.

Berlin, July 4.—Four hundred Amer-
icans celebrated the Fourth of July by
an excursion on the River Spree to
Grunau, where there was a baseball
game and other sports.
The celebration which is an annual
feature of American life in Berlin, had
the largest attendance of any of the
series.
