lery plays when the street sprinklins ; ners across East Temple street to adcommittee's report was read, which recommended that the drivers of the sprinkiers be paid half-time to: the entire period they were laid off because of shortage of water. President flew-lett urged that the men be paid three-fourths time, while others were in rayor of full pay, it was finally stated by of full pay. It was finally stated by E. H. Davis that the men would be perfectly satisfied with half pay, so the report was adopted in its original form.

The following resolution by E. H.

mortally wounded.

A resolution was adopted authorizing Mayor Morris and City Recorder Criterilow to execute the third installment of the special water and sewer bonds, amounting to \$250,000. The bonds were signed and shipped to New York yesterday.

WELL WATER REPORT.

The report of the special water committee recommending the appropria-tion of \$5.000 for boring a 12-inch well near the Liberty park wells for the purpose of testing and developing the un-derground flow of water in that visint-is, was adopted by a manimous vote. The report was agreed upon at a joint meeting of the citizens' committee and the special water committee held last Saturday,

PLEASANT VIEW WATER Upon recommendation of City Engineer Riter the sum of \$190 was approprinted for the purchase of the water from Pleasant View spring, to be turn-ed into the Parley's canyon conduit. The water is to be used by the city until April 1, 1906, and the flow of the spring is 63 gallons per minute.

INTEREST IN HILL DITCH.

Assistant City Attorney Bramel recommended that some steps be taken to secure B. B. Bitner's interest in the Hill ditch water, upon the same plan of exchange as was given the other owners. The matter was referred to the special water committee.

TEST BORINGS.

Upon recommendation of City Engineer Riter the council authorized the mayor to execute an agreement whereby some test borings will be made to develop the water supply of Emigration

VETO LAID OVER.

The veto of Mayor Morris to the granting of the petition of the Utan Light & Rallway company for laying a switch on M street to reach the gravel switch on M street to reach the graves beds, was laid over for the purpose of amending the committee report to con-form to the voto. The mayor stated that he would approve the matter if the switch is laid on N street instead of M street as the residents along the latter street object to the track.

COMPROMISE CLAIM.

Assitant City Atlorney Bramel recommended that the case of Carl A. Ouaseb against Salt Lake City, and the Utah Light & Railway company be compromised for \$6,000, one-half of which is to be paid by the city. Ouasch secured a judgment against the city and company for \$12,500, and his attorneys offered to settle for \$6,000, upon recommendation of the committee on claims the sum of \$3,000 was appropriated to pay the city's portion of the od to pay the city's portion of the

BOND GUARANTEE.

Mayor Morris submitted the hond of \$1,000 given by the Utah Light & Rall-way company to guarantee the release from a mortgage of certain property deeded to the city in connection with the Big Cottonwood water project. The hond was approved. hand was approved.

STORM SEWER,

An estimate of the cost of the cor struction of a storm sewer on Ninth South street from East Temple to Sec-ond West street, was submitted by En-gineer Riter. The total cost of the improvement is \$15,890.

SECOND SOUTH SEWERS.

Ordinances were passed levying assessments for the construction of sew-ers on Second West between First and Second South streets, and on First street, between N and O, and also for the construction of sidewalks in the southwestern part of the city.

PROPERTY DAMAGES.

Mrs. Cecilia C. Kick submitted a Arrs. Cecing C. Arrs. Submitted a claim for \$260 as damages for alleged injuries to her property on First West street between Seventh and Eighth South streets, caused by maying the fence in front of her premises back two feet from the property line in order to has done for us. construct a cement sidewalk. Mrs. Kirk also claims that the shade trees in front of her home were damaged and her fence was also broken by a falling tree. Because of all such injuries she claims damages in the total sum stated above. The claim was referred to the committee on claims for consideration.

falling tree. Because of all such injuries she claims damages in the total sum stated above. The claim was referred to the committee on claims for consideration.

PERMISSION TO PARADE.

SHORTER HOURS.

Big Railroad Brotherhoods to Seek Reduction in Work Time.

Chicago, Sept. 25.-The Tribune today Preparations are under way for a

concerted movement on the part of the big ratifold brotherhoods to secure a reduction of the present working hours for railway employes all over the country. The move already has been discussed in the grand councils of the organizations. It is expected that it will assume definite form within the next

restern reliways will gather in Chicago in December to discuss desired changes in working conditions. At the same time the schedules governing wages and hours will earlier on at least three western roads, the Northwestern, the Burlington, and the St. Paul. According to plans now laid the opportunity will be seized to breach the proposed demands of the employes.

The present hours of work on the railroads range from 10 to 14, but in no case are they fixed. This is due to the nature of the employment. The brotherhoods, it is said, have no intention of appealing for a limited work day. They have planned rather to seek a general reduction which shall be proportionate in all branches of the railroad service.
