## SPORTING REVIEW OF THE PAST WEEK

TWO STARS OF THE CHICAGO NATIONALS WHOSE ABSENCE IS A BIG HANDICAP.

Baseball, Tennis, Bicycle Racing and Prize Ring Claim Attention—Salt Lake Hot After Pennant.

Bicycle racing, baseball and the tennis tournament were the chief local attractions in sporting circles during the week and each has had its own particular brand of followers.

There is considerable speculation in Salt Lake at the present time as to whether or not the home ball team will be able to again climb to the top of the percentage column, but an analysis of the situation indicates strongly that the Skylanders have an excellent chance to head the league. While away from home the team was a majority of the games played but had a little bad luck on one or two occasions at home. The team is undoubtedly stronger than Helena, but in spite of that the latter team leads. Salt Lake took three out of five in the last series with the Senators and we all know what Hammond's crew has done to Butte. Boise of course is entirely out of the running so far as the pennant is concerned and the fight will be between Salt Lake and Helena.

On Monday the home team plays Butte a double header and then the nine will go to Helena for a series with the Senators there.

### BIKE RACES MONDAY.

"A thing of beauty is a joy forever," his said. Likewise the bicycle racing game in Salt Lake City. There are about 2,000 loyal fans who can be counted upon to decorate the saucer's rim with their presence every Tuesday and Friday evening, and in spite of other attractions, the attendance has been good at both meetings this week.

On Monday night of next week there will be a special meet and Manager Heagren has arranged a fine program. The main features will be a three-cornered motor race, Samuelson, Whittier and Turville; and a five-mile open lap race, professional.

The Ogden track opens tomorrow night with a good program and races will be run every Sunday night and possibly on Wednesday evenings. J. J. Myers leased the track, but Heagren is the man to furnish the "goods" and the people want. Arrangements have been made for a special train over the O. S. L. to take riders and fans to and from the Junction City.

### TENNIS TOURNAMENT.

The tennis tournament at the Country club which opened during the week, has attracted a great deal of attention and devotees of the net are not disappointed. The main features will be a three-cornered motor race, Samuelson, Whittier and Turville; and a five-mile open lap race, professional.

### MURRAY IN BUTTE.

Since the close of the Utah Jockey club's race meeting at the fair grounds and the departure from Salt Lake of horse owners, horses, jockeys, touts and bookmakers, there has been considerable comment among devotees of the game as to the respective ability of two starters, Richard Dwyer and W. M. Murray, and while the former has a national reputation as a first class man at the curves, it will be hard to decide since many Salt Lake riders who say has not a shade the better of it when it comes to getting the horses away right. Murray led during the week for Butte, where he will send the pointer away and at the close of that meeting he will return to Salt Lake and make preparations for his fall meeting in Ogden.

### KETCHEL VS. JOHNSON.

"Has Ketchel a chance against Jack Johnson?"

The question is asked frequently. Despite the fact that the prize fight is frowned upon and is degrading, etc., there are thousands who say little else in athletics. As to the question: "Has Ketchel a chance against Jack Johnson?" Just put a pin in it.

He certainly has.

He is young, rugged, strong and game to the core. He has a punch in either hand that will hurt any man, no matter how big or tough he may be, and he is possessed of an amount of "peculiar" cleverness that has brought him home the bacon in more battles than one. Johnson could not put away Philadelphia Jawn O'Brien in six rounds. Ketchel did it in less than three. Johnson pounded Ross, a dub, for six rounds and could not put him away. A meeting between Ross and Ketchel would have been a joke. When the big black faces Montana cowboy in the roped arena he will get the surprise of his life and there is a good chance that this Jeffries person will be able to keep in retirement. If not, well, it's good bye Mr. Johnsoning anyway.

### BILLIARD CHAMPION IS COMING HERE

Willie Hoppe, the world's billiard champion, will make his first appearance in Salt Lake City on Tuesday and Wednesday, the 13th and 14th, when he will cross cues with the two best local cranks. Since the last time that Hoppe was here his game has improved fully 50 per cent and today he stands in a class by himself. Only recently in a game at Indianapolis with Al Taylor, the American shortstop, champion Hoppe made a run of 365 at the 15.2 style of ball game. While in Chicago recently Hoppe offered to play anyone in the world at 15.1 or 15.2 ball game for a side bet of from \$5,000 to \$10,000 and give his opponent a handicap of 1,000 points, which up to date has not been accepted. While here Hoppe will give the billiard enthusiasts of the city a rare treat, as he will play his vaudeville fancy shots and some of them border on the impossible. The games will be 400 points of ball game to his opponent's 200 at each performance.

### MAY ABOLISH HAMMER.

New York, July 3.—As a result of the discussion regarding the advisability of abolishing hammer throwing from the list of competitive sports on account of the danger attached to it, President James F. Sullivan of the Amateur Athletic union, has addressed a letter to prominent weight throwers and others interested in athletics, requesting that they give their opinions on any suggestions in reference to the matter so that the board of governors of the A. A. U. can act intelligently when the subject is brought up officially at the next annual meeting in November.

Saltair on the 5th. With your friends. Bathing, Dancing, Hippodrome, ship "Leviathan" thirty other attractions. Cool breezes. Round trip 25c.

Considering the amount of hard luck the team has had since the start, great credit must be given to the Chicago Nationals for their splendid showing and the high position they hold in the pennant race. Since the season began many of the Cubs' stars have been out of the game with injuries. First it was Third Baseman Steinfield, then, shortly afterward, Pitchers Reulbach, Overly and Hagerman. Manager Chance himself dislocated his left shoulder several weeks ago. The Cubs' leader had the plaster cast removed the other day and hopes to be able to get into the game within the next two weeks. Joe Tinker, Chance's star shortstop, is the latest member of the world's champions to be laid up. In a recent game Tinker strained his back and will be out of the lineup for a few weeks. The champions' real infield has been in the game for only a little while this season. Tinker, Chance and Steinfield worked first with Zimmerman, and then, shortly after Evers returned, Chance was laid up. Now there are two utility men, Zimmerman and Howard, in the game. Manager Chance thinks the team will strike its proper stride when Overall's arm gets back into shape and when all his world's champions are working. He is still confident of catching up with the Pirates before July.

### MARSHALL THROWS THE GAME AWAY

HOW THEY STAND.

	Won	Lost	P.C.
Helena	33	14	.702
Butte	31	15	.673
Boise	19	25	.434

Helena, Mont., July 2.—Manager Marshall lost today's game for Boise after it had almost been won. For five and two-thirds innings, Woods, Boise's new pitcher, shut Helena out, allowing but five hits. With two out in the sixth inning, Marshall, fielding out of his territory, dropped a high fly, which let in two runs. The run-getting started then and when Woods let in three more runs, Marshall took him out and put Pender on the slab. Two runs were made off Pender, and Helena took the lead, 3-0, in the ninth inning. Boise tied the score, but again an error by Marshall let in the runs which won the game for Helena. Pitcher Woods proved himself to be a wonder. He displayed marvelous speed and more curves than any pitcher run here this season, and it is believed that he would have shut out the Senators if it had not been for Marshall's work.

### JOSEPHS VS WELSH.

New York, July 3.—Young Josephs, the English lightweight, who recently gave Otto a severe beating in London, has been matched to fight 20 rounds before the National Sporting club, London, with Freddie Welsh a week from next Monday night for the lightweight championship of England. The club has offered a purse of \$2,750, and the men will be paid \$1,000 on the side. In the event of his victory, which is not doubted here, Welsh will return to this country and demand a 45-round fight from Battling Nelson for the lightweight championship of the world.

### KICK MADE AT BUTTE.

Threats to Stop Baseball but Manager Barnes is Not Worried.

Butte, July 2.—Unless Manager Barnes of the Butte team of the Intermountain league is here in time to play ball tomorrow afternoon the local park will be closed to him.

Manager J. R. Wharton of the Butte Electric Railway company to whom the park belongs, says Barnes' contract calls for games on July 3, 4 and 5, and that if he does not hustle up from Salt Lake the contract will be cancelled.

Mr. Wharton says he intends to turn the park into a children's playground, and does not care if Butte never has league ball again.

"We will open with Boise in Butte next Wednesday," said Manager Barnes of the Butte team in commenting on the above dispatch. Manager Barnes says he has an iron clad contract for the ball park for the entire season and that games may be transferred when ever desired without violating the terms of the lease.

## DOWNING WINS IN RACE WITH HEHIR

Americans Are Defeated in Match Team Race by Australians—Walker Captures Two.

Sprint races seem to be just as popular as any sort of going Manager Heagren can arrange for the saucer devotees. There was another large crowd at the track last night and the spectators saw some good going. Though no records were smashed the races were all interesting.

The headliner was the match between Hardy Downing and Paddy Hehir. Many thought the local boy would lose when the Australian took the first heat in apparently an easy way. But the next two heats brought out a different story as Downing captured both of them and the race.

The team race, America vs Australia went to Palmer and Nesbitt, representing the antipodes. The shooting of fire crackers, the band playing national airs and the crowd singing the "Yankee Doodle" could not make the Americans win. They were simply not fast enough.

Gordon Walker, the fast Australian, took both of the professional events and Wright was again boss of the amateurs, taking everything in sight.

### SUMMARY.

Match race, best two in three—Walker won first heat, half mile, French style. Time—1:27. Downing won second heat, three-quarter-mile, flat. Time—1:33. Downing won third heat, one mile paced. Time 2:01.

Three-quarter-mile handicap, final—Walker (scratch), Williams (35 yards), Palmer (30 yards), Schnell (60 yards). Time—1:22 2-5.

Australian pursuit, amateur—Wright, Thomas, Diefenbacher, Hernan, Distance—2 miles, 2 laps, 15 yards. Time—4:48 4-5.

Three-mile lap race, professional—Walker, Pye, Hopper, Wilcox. Time—5:46.

Unknown distance lap, amateur—Wright, McCormack, Brodbeck, Thomas. Distance 3 miles. Time—6:12 2-5.

### FIST AND CANE DUEL ON GREAT WHITE WAY

New York, July 3.—William S. Cleveland, the famous minstrel, and John S. Berger, a theatrical manager, who controls circuses and traveling minstrel shows, fought a fist and cane duel at Thirtieth street and Broadway as a result of which Mr. Cleveland has a large bump on his head today from Mr. Berger's cane, and Mr. Berger's face is somewhat discolored.

Cleveland and Berger had had a dispute over a business affair recently, and when they met on Broadway they commenced to belabor one another. Berger using his walkingstick and Cleveland his fists. A crowd of several hundred persons were watching the encounter and the police arrived and arrested both men. At the Tenderloin police station, the antagonists tried to get at each other again, but were restrained by the police. Both provided bail for their appearance in police court.

### JOHNSON RETURNS.

Will Start at Once to Train for Ketchel Fight.

Chicago, July 3.—Jack Johnson returned to the city yesterday and will depart next week for Cedar Lake, Ind., where he will train for his battle with the middleweight champion, Stanley Ketchel, to be held in Colma, Cal., in October.

Johnson has rented a cottage at Cedar Lake and intends to do considerable road work and rowing on the lake. He believes this will tend to reduce his weight so that when he goes west about a month before the fight, he will not have to do much hard training.

Let us eat, drink and be merry. With never a thought of aches or pain. Let us forget every sorrow that might be.

For we still have Rocky Mountain Tea.
