TOMATO GROWERS UNITE.

Adm Taken in Self Defense Against Reductions Made by Cannery.

The branch office of the Deseret News in Ogden is at No. 46 Twenty-third street, where all advertising orders will be received. The News is delivered by carriers in Ogden every morning on the same terms as in Salt Lake City.

Reductions Demanded by Trade Commissions—Candidates for Missions—Better Roads Needed.

The tomato growers of Weber and Davis counties and the canning factories are not on a united basis this year, as they were last. About a week ago the owners of the various factories met in Ogden and discussed the situation thoroughly, and all the factories decided to reduce the price of tomatoes this year to \$7.00 per ton, a reduction of 10 per cent from last year's contract and to make the contracts this year and to protect the factories. The canners of the factories. The canners this year differ from last year's in that they are in the price, but a clause has been inserted which provides that no more than ten tons to the acre would be accepted by the factories, also that something should be done to prevent anything from being done by fire of the factories, or a clause should take place, which would prevent the factories from taking the tomatoes according to the contract, that they would not be held responsible for the tomatoes.

The new clause in the contract and the price of the tomatoes to \$7 per ton does not meet the approval of the growers and Saturday afternoon a few of the farmers met in a city, and organized a tomato growers' union, the purpose of which is to compel the factories to pay \$7 per ton for their tomatoes, and to make some provision in the contract for the protection of the growers, that they will not sign the contract, otherwise they will not be held responsible for the tomatoes.

In answer to a question by Bishop Tew, President John said that he recommended and said for ordination to the office of an Elder should be ordained in the quorum and by the president of the quorum, the Bishop assisting when it is convenient for him to be present. Proper records should be kept of such ordinations. The following brethren were recommended, and sustained by the meeting for ordination to the degree of priesthood named:

High Priests—Caleb H. Davis, John G. Coltrin, Provo; Wm. Buckley, Pleasant View.

Elders—Samuel Paschal, Eugene F. Johnson, P. Dixon, Provo; Wm. G. Westwood, S. D. Strang, Springville.

FOURTH DISTRICT COURT.

The grand jury presented its report and was discharged, Judge M. J. McQuinn presiding. The grand jury was organized in the manner in which the jury had discharged its duties.

The report states that indictments have been returned in five cases. The grand jury has been visited and the condition as to cleanliness, comfort and convenience are highly commended. The reference to the asylum closes: "We find the institution overcrowded inasmuch as parts of the corridors have to be used as sleeping apartments by some of the patients, and we recommend that matter to the consideration of the proper authorities."

STRANGER'S SAIL PLIGHT.

Thomas McDonald, a man about 40 years of age, was brought to this city Saturday evening, with his feet badly injured by a fall from a horse. He was taken to the county infirmary. It is not yet known whether his feet can be saved. McDonald was found near Cedar City, wandering about in a dazed condition. He does not appear to know how he came here, but says he thinks he was put on the train. He claims to have worked in a smelter at Bingham Junction, and says his home is "somewhere" and that he has lived for several years in Colorado. He either does not want to give any account of himself, or his mind is yet affected by the exposure he has undergone. His appearance bears out the latter supposition.

PROVO PARAGRAPHS.

A run club with about twenty members has been organized with R. A. Barney captain.

Professor Miller, of the Brigham Young academy, is now the musical director of the opera house orchestra. It is expected the organization will attain a high degree of excellence.

A meeting of all the Seventies in the city and other members of the Priesthood will be held in the Tabernacle Thursday evening.

A powerful engine cannot be run with a weak boiler, and we can't keep up the strain of an engine with a weak stomach; neither can we stop the human machine to make repairs. If the stomach cannot digest enough food to keep the body strong, such a preparation as Kodol Dyspepsia Cure should be used. It digests what you eat and simply can't help but do you good. F. C. Schramm.

WANT BETTER ROADS.

The following gentlemen, Hon. Joseph L. B. Adams, and C. R. Holbrook, were appointed as a committee from this county on legislation. The gentlemen will appear before the committee to be made for an act to improve the roads. The roads in this county are in a very bad condition.
