SALT LAKE TAKES BUTTE ON NEXT

Hammond's Skyscrapers Expect to Win Most of Games from Miners —Helena Next Week.

Helena came, was conquered and has gone. Now it's Butte's turn for a drubbing at the hands of the Skyscrapers and if they don't get it there will be much surprise hereabouts.

The first game of the series with Butte is on this afternoon. Manager Barnes and his Miners say they will show up the Salt Lake bunch. There have been some changes in the make-up of the team and Barnes says he has a strong organization now and expects to hold his own against any of the other teams in the league.

Hunt is in the box for Salt Lake today as he is usually invincible against Butte and the locals want to capture the first game. Last evening the boys were given a trip to Saltair and a chance to salt themselves in the great lake. While the series is going on here, Helena is at Boise. The latter team is showing a great deal of ginger lately, and if it can hold the Senators down it will greatly aid Salt Lake in climbing to the top of the column, a position every Salt Lake fan wants to see the team in.

EUREKA TEAM WINS.

Defeats Tooele Nine in Close Fast Game—Score 3 to 1.

The fast Tooele team met its Waterloo at Eureka yesterday afternoon when it lined up against the Miners. The game was fast and furious throughout and was witnessed by about 600 yelling, excited fans. Although there were some errors, three for Eureka and four for Tooele, the fielding was fast, there was a neat double play and the pitchers were in good form.

Thompson and Theriot were the battery for Eureka and Bird and Green occupied the same for Tooele.

Thompson retired eight by the strikeout route and Bird got nine. The Tooele team made the double play. Following is the lineup and score by innings:

Tooele.	Eureka.

GAME AT GARFIELD.

Arrangements have been made for a game of baseball at Garfield next Sunday when the Bingham team will journey to that place and cross bats with the Garfield nine. There is considerable interest in the contest as there is keen rivalry between the two towns.

SOCKER GAME AT EUREKA.

The socker football game at Eureka between a team representing that place and the Silver City aggregation, was won by the former by a score of eight goals to nothing. Next Sunday Eureka plays the Salt Lake team at Eureka for the cup.

I. M. LEAGUE RELEASES.

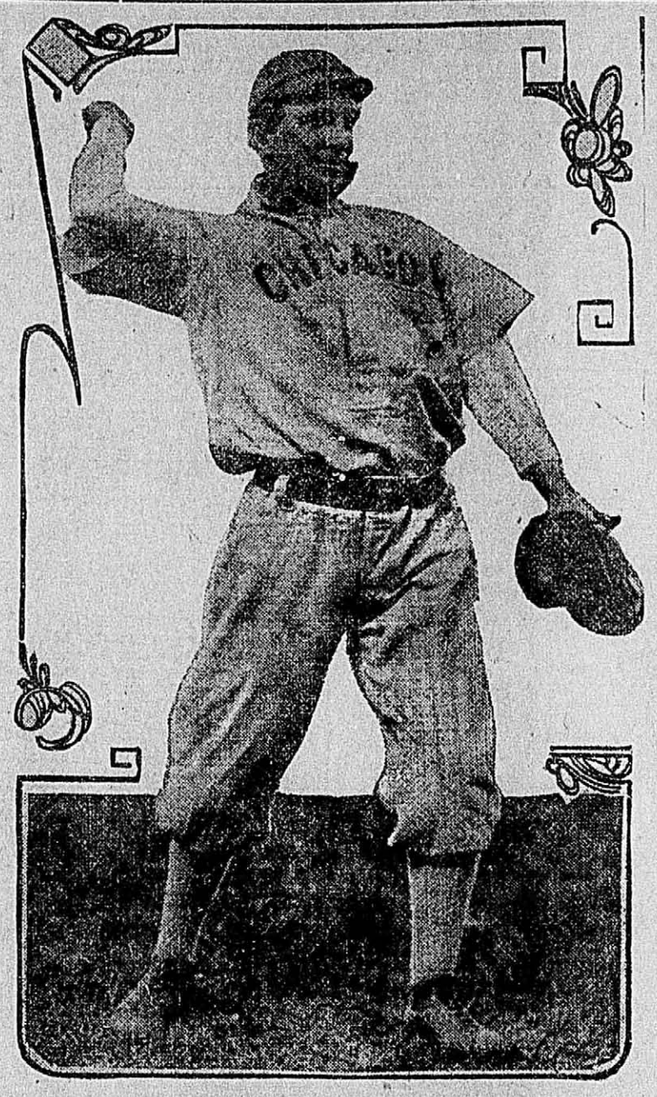
TEN ROUND DRAW.

Calumet, Mich., June 22.—Eddie McGoorty of Oshkosh, and Art Allard of Lake Linden fought 10 hard rounds to a draw here last night. McGoorty had the better of the last six rounds, but the agreement before the fight was if that both finished on their feet it would be declared a draw.



JOHNNY KLING, CUBS' STAR CATCHER, WHO SI TO REJOIN HIS TEAM.

Johnny Kling, the star backstop of the Chicago Nationals, who had announced his retirement from baseball early in the year, is prepared to don his fighting clothes and contribute his best efforts in helping the Cubs to win a fourth pennant. Manager Chance figures that with his great catcher back on the team the Cubs are assured of another banner. Kling's announced return to the Cubs is hailed with as much delight by the fans as Hans Wagner's was to the Pittsburgs or as Gotham would show if Bresnahan and Donlin were to join the New Yorks. For many seasons Kling has been regarded as the most valuable man on the Chicago team because he is so wonderfully clever in a position that has so few really high class stars. His work always stands out and is clear cut. Kling handles himself as gracefully as if he were catching in a tuxedo instead of mask and pad. He studies the batters, with wonderful results. His throwing is as hard and accurate as a strong arm and cool brain can make it. On account of having the play always in front of him, Kling is able to give the wisest counsel to his teammates in emergencies. He is without doubt the greatest catcher the game ever had.

STRIKE OUT WINS AFTER RUNAWAY

Speedy Horse Throws Jockey, Runs An Eighth, Returns to Barrier And Then Takes Race.

There was a sensational performance of Strike Out, one of the speedy horses at the track yesterday afternoon, in the sixth race, and it will long be remembered by the big crowd of turfites present. The horse fretted at the barrier, threw Jockey Morgan at the same time tearing off the briddle, ran an eighth, stopped, returned to the barrier and then won the race.

He was an odds-on favorite but after his runaway there was a rush for the books on the part of those who liked Strike Out and they began to hedge. His price went to 6 to 5 while the bettors were hedging by placing money on Meddling Hannah and others. It was soon quite apparent, however, that the runaway did the horse no harm and the price went to 2 to 5. When Dwyer pulled the lever that raises the barrier, Strike Out jumped in the lead and held it all the way, never faltering, and performed the most remarkable feat witnessed on the track during the meet.

Just before the race there was a serious accident to Good Fellow, a fast and valuable horse, during a workout. After going a fast eighth the horse took the bit in his teeth and ran away. He is an outside runner and in making the turn ran into the fence, knocking it down and falling heavily. Women screamed and men rushed to the scene, fearing Jockey Johnson had been killed. There was a sigh of relief when Johnson picked himself out of the dust and assisted the horse. Good Fellow's nose and mouth were badly cut and the horse will be out of the running for some time. The judges excused the horse from starting and called off all the bets, giving the bookies 20 minutes to make a new book.

Yesterday was a bad day for the bookies. Five out of six favorites won and the second choices came in with a regularity nothing short of sickening to the men with blackboards and chalk. One losing favorite was Figent, who was beaten by Miss Beaumonter. Silver Fir, in the first out yesterday won the third race with ease from a fast field.

A summary of the events follows:

First Race—
Miss Beaumonter, 4 to 1, won.
Figent, 7 to 10 place, second.
Dorothy Ann, 7 to 10 show, third.

Second Race—
Galves, 3 to 4, won.
Sister Julia, 4 to 1 place, second.
Rose Daly, even show, third.

Third Race—
Sylvia Fir, 3 to 2, won.
Mary Genevieve, 2 to 1 place, second.
Miles O'Connell, 3 to 1 show, third.

Fourth Race—
Birth, 8 to 5, won.
Platoon, 4 to 1 place, second.
Canardo, 6 to 5 show, third.

Fifth Race—
Buna, 3 to 1, won.
Herman Doyle, 5 to 2 place, second.
Helden, 2 to 1 show, third.

Sixth Race—
Srike Out, 2 to 5, won.
Meddling Hannah, 3 to 5 place, second.
Big B. B., 4 to 5 show, third.

PROGRAM BOOK FOR BUTTE MEET

Seven Races Will be Run Daily and Liberal Purses Are Hung Up.

The program book for the first seven days of the Butte Jockey club's big summer meeting is out and copies of the pamphlet were being distributed yesterday among the horsemen quartered at the fair grounds by Jas. Hanby from whom owners who have not already done so can obtain them.

The book calls for seven races daily, and in this connection it may be stated that the same arrangement will continue throughout the entire meeting which begins July 3 and runs 30 days.

This is something of an innovation and in view of the large number of horses which will be at the famous Montana course, it will surely appeal strongly to the horsemen as it means $1,500 per week, and $7,500 for the meeting; more money for distribution among them than they could have counted upon. The program will appeal to the horsemen for at least two reasons, namely, liberality in purse offerings and in diversity in the races. There is no purse of less than $250, with two $500 handicaps and one of $400, the total purse offerings for the seven days being $14,150, an average of a little more than $2,000 per day.

When it is considered that the average daily purse offerings at the recent Oakland meeting, exclusive of the big stakes, was very little in excess of this, the liberality of the Butte management will be appreciated by the horsemen.

The feature event for the first day is the opening handicap at one mile and a sixteenth for a purse of $500. On Monday, July 5, will come the celebration handicap at one mile, purse $500; the other handicap being down for Saturday, July 10, for a purse of $400 at one mile, which means "once around" as the Butte track is a full mile course, and one of the safest and best in this country. These handicaps are all for three-year-olds and upward, which insures for them the best horses at the track and barring the stables of Hildreth, Forsythe and very few others, the best horses that raced at the California tracks will be there. With his handicaps, 40 races will be run during the week, 25 for $300 purses and 21 for purses of $250 each. The distances of the races range from four furlongs to a mile and a furlong. There is a race on each day for two-year-olds, two of them at four furlongs and the others at five furlongs. Among the other division the sprinters, of which a star collection will be at hand, have been well provided for as have the distance performers. In short the program will come as near suiting all classes and conditions of horses as could well be framed up.

SAUCER TRACK PROGRAM.

The program at the saucer track tonight follows:

Lawson vs Walker, best two in three, one-half, three-quarters, one mile heats.
Two-mile unpaced by E. A. Pye against time. Record, 4:08 1-5, held by Samuelson.
Three-mile lap handicap, professional.
Three-quarters mile open race, professional.
Two-mile open lap race, amateur.
One-mile handicap, amateur.

OGDEN BIKE RACES MAY BE POSTPONED

It is doubtful if the Ogden bicycle track will be thrown open to the public next Sunday, but if not, it will be opened thefollowing Sunday. Harry Heagren made a trip to the Junction City track yesterday and was greatly surprised to find the arena covered with about two feet of water. Last winter the arena was used as a skating rink and those who promoted the same had a lapse of memory, or something, and forgot to make arrangements for drainage. The result is the place is covered with water and in anything but favorable condition for bike races.

"If we can properly drain the place in time the races will begin on the date planned," said Manager Heagren this morning, "but it is doubtful if the arena can be got into proper condition by that time. If not the program will be postponed for a week.

PRELIMINARY TO LONG AUTO TRIP

Preparations for Run from Buffalo to Salt Lake City—Thirty-Two New Cars Arrive Today.

At noon today Frank Botterill left for an extensive trip to the east. He will stop at Denver, Chicago, Detroit, Hartford, Buffalo and other points where automobiles are made, go through the various factories make arrangements for the 1910 stock and its shipment and then complete arrangements for a long automobile trip from Buffalo to Salt Lake City, leaving Buffalo on July 5.

On this trip the party will consist of Frank Botterill, Ezra Thompson, Lyen Thompson and Wallace Bransford. They will travel in a big Pierce-Arrow and all along the route will send bulletins to the local agency. It is quite likely that a party of automobilists and newspapermen will make a trip to meet the party when they near the end of the journey.

YOUNG IS HAPPY.

Seymour B. Young, Jr., is about the happiest dispenser of gasobuggies in the city today, because of the arrival of a big consignment of automobiles, the largest of the season. There was an exhibition on this morning and the machines extended from First to Second South street. In all 32 automobiles were received and Mr. Young says most of them are already sold, indicating the demand for benzine buggies in Salt Lake City. The shipment consists of Buicks, Franklins and autobuggies.

ALONG GASOLINE ROW.

Mrs. Thomas D. Dee of Ogden has purchased from the Salt Lake dealers a 6-cylinder 36 horsepower Pierce-Arrow.

Mr. and Mrs. Walter Southworth of Lehi, who purchased a Cadillac "30" recently, drove up from Lehi this morning, and returned this evening. They frequently make this trip.

The 1910 machines will begin to arrive in August. According to the local agency there will be a consignment of Chalmers and Pierce-Arrows here during that month.

AUTO BREAKS DOWN.

Walla Walla, Wash., June 22.—Ford car No 1 in the New York-to-Seattle race broke down 12 miles west of Walla Walla late last night and at last accounts was stalled and unable to proceed. An automobile with a repair outfit was dispatched from this city at an early hour this morning.

WESTON KEEPS WESTWARD.

Lakeside, Utah, June 22.—Edward Payson Weston, who arrived at Hogup at 11 p. m. last night, continued on his walk at 6:30 this morning. He expects to reach Montello today. He walked 62 miles yesterday.

WISCONSIN TEAM MAY NOT MAKE JAPAN TRIP

Madison, Wis., June 22.—It does not seem likely that the baseball team of the University of Wisconsin will be able to make its contemplated trip to Japan to play a series of games with the team of Kieo University of Tokio. It will require $4,000 to pay the expenses of the team on the trip, and while the Japanese are willing to contribute $2,000, it will be necessary to raise $2,000 by subscription from alumni now attending the commencement exercises or in some other manner.

The athletic council has declined to finance the project.

A movement has been started to induce the wealthy alumni of the university to subscribe the necessary $2,000.

AGED POLO PLAYER IS BADLY INJURED

London, June 22.—A serious accident befell W. S. Buckmaster yesterday on the Hurlingham polo grounds, the famous old player badly dislocating his shoulder through being thrown while engaged in a trial match against the team the Hurlingham committee had selected to defend the international cup against the Meadowbrooks.

With Mr. Buckmaster out of the race England's chances of retaining possession of the international cup have lessened very considerably, and it is probable that Harry Payne Whitney's team will start favorites for the cup.

Mr. Buckmaster was not one of the quartet selected for the first of the international games, but the opinion had become general that he would play in the others.

JEFFRIES INVINCIBLE.

New York, June 21.—Robert Fitzsimmons, the former champion heavyweight of the world, returned to this country today from Europe, where he had been giving theatrical exhibitions. Fitzsimmons was a spectator at the Langford-Hague fight, in which the Englishman was quickly knocked out by the American negro. He declared that no man could best Jeffries, if he was in fighting condition.

"I want to fight that man Johnson," said Fitzsimmons. "I feel mighty sure I can beat him; at least, I'm willing to make a desperate try."

MANTELL AND SULLIVAN.

Frank Mantell and Jack (Twin) Sullivan will meet next month in a 20-round fight at Sacramento. Mantell will probably pass through Ogden tomorrow on his way to the scene of battle and has wired Pete Sullivan to be in the Junction City to meet him. Sullivan says he will go from there to Kemmerer, Wyo., where he has a match on with Burns. He has been made a good offer and says he is not overlooking any chances to make some money. Sullivan feels confident that Mantell will beat Jack Twin.

FIGHT GAME STARTED.

Word has been received in this city to the effect that the fight game is to be opened again at Butte. It has been closed for many months but an organization called the New Holland A. C. has secured the consent of the authorities to pull off some fights and the first will take place Friday night between Montana Jack Sullivan and Eddie McGoorty. Jack McDonough will referee.

Yasuda, a Japanese fiend who a few weeks ago at Fowler, assaulted a woman of his own nationality after tying her husband hand and foot and allowing him to witness the crime, was this morning sentenced by Judge Austin to spend 20 years in San Quentin.
