The Latest Discovery.
Of more value than any silver mine in Colorado, is GERMAN CATARRH CURE—a remedy prepared especially for the cure of Catarrh and severe colds in the head, that invariably lead to catarrh, which are so common in this climate. Remember that catarrh, if not checked promptly, goes to the lungs and ends in consumption. Each day's delay lessens the chance of cure. Price only 50 cents. For sale by the manufacturers, Brown Medicine and Manufacturing Company, Leavenworth, Kansas, and all wholesale and retail druggists in the west.

Brown's Cough Balsam
Will cure that cough. It cures by allaying irritation and producing easy expectoration. It is the most reliable cough cure in the west. Beware of remedies that contain stupefying opiates. Is your throat sore? Are you hoarse? Are you neglecting what may lead to a bronchial or lung disease? Brown's Tar Troches will cure that hoarseness and soreness, and strengthen the voice. For sale by Z. C. M. I. Institution, Godbe, Pitts & Co., and Moore, Allen & Co., Salt Lake.

EVERING NEWS.
Thursday, December 4, 1879.

LOCAL AND OTHER MATTERS.
Nothing Done.—Two whole days and the Police Court has had nothing to do. Is our city discarding its civilization, and returning to the barbarian days of peace and good order?

Select Ball.—A select social ball will be held in the Eighteenth Ward Meeting House, to-morrow evening. The company will be very select, and none admitted but those who have received invitations from the committee.

Priesthood Meeting.—The regular monthly meeting of the Priesthood of the Salt Lake Stake of Zion will be held Saturday forenoon, at 11 o'clock, in the Fourteenth Ward Assembly Rooms. All concerned are earnestly solicited to attend.

Sent Home.—The remains of Mr. John Langford, who died of consumption so suddenly, on arriving at Ogden several days ago, were exhumed yesterday and placed in a casket for transportation to his home in Ontario, Canada. The body was to be sent east this morning. So says the Dispatch.

Shocking Accident.—Several days ago, a little boy about five or six years of age, son of Mr. Henry Chamberlain, of the 15th Ward, fell from a moving wagon underneath the wheels, which passed over him and broke both his legs. The Doctors Benedict have the case, and the little fellow will probably come out all right.

Condolence.—We extend our sympathy to the family of Brother James Bean, of Provo, in the loss of one of their little daughters, a twin, aged about two or three years, who was taken sick a few days ago and died Tuesday night. The funeral was held this afternoon in Provo. The deceased was a granddaughter to President A. O. Smoot.

Ward Theatricals.—On Friday, Dec. 5th, the 21st Ward Theatricals will give their first entertainment for the season, in the Ward Meeting House; on which occasion the domestic drama of "Old Phil's Birthday" will be presented, followed by a song, "Twas but One Short Year Ago," by Mr. John Priestley, and the farce of "A Charming Pair." Beesley's Orchestra. Performance commences at 7:30 p. m.

What a Fall!—The young man who was falling the snow and water from the roof of the Howe Sewing Machine office, this morning, did his work in a most masterly manner. He may not have known that several passers by were nearly drowned by the delugery but vigorous cataract he produced, and we would not mar his happiness for the world, by intimating to him that such was really the case. The clothing stores are perfectly satisfied as it is.

Numbering the Houses.—By an ordinance of the City Council, passed on the 2nd inst., and published in last evening's NEWS, it will be seen that it is the intention to number the houses within the city limits on Third South, West Temple, South Temple and First East Streets. Within 30 days the Marshal is expected to furnish the owners of houses with correct numbers to which their places are entitled, and 60 days thereafter is the limit of time allowed the owners to put said numbers in place. Read the ordinance.

"Enquirer" Jots.—The Home Dramatic Company, of Provo, will play the "Dead Witness" and "Orange Blossoms," in American Fork, Saturday evening.

The Co-op. store, of Santaquin, at recent shareholders' meeting, declared a dividend of 15 per cent for the past half year. Trade there is tolerably good.

The Factory still pays cash for wool, and is in a thriving condition. Orders from distant places for the woolen goods manufactured there, are increasing.

Weather Report.—We are indebted to the Deseret Telegraph Company for the following, received 11:30 a. m., December 4, 1879:

Paris, Idaho.—Clear and cold, some snow fell yesterday.

Franklin, Idaho.—Clear and pleasant, about an inch of snow.

Logan.—Fine, ground highly covered with snow.

Brigham City.—Clear and calm, no snow.

Ogden.—Fair and mild, no snow. Corinne.—Very fine, clear and calm, no snow, had heavy rain yesterday, about half an inch of rain fell during the 24 hours.

Kaysville.—Clear and very mild, no snow, plenty rain yesterday.

American Fork.—Sun shining, about one inch of snow.

Provo.—Some snow, clearing up. Payson.—Cloudy, looks like more rain.

Nephi.—About one inch snow, cloudy.

Silver City.—Pleasant.

Fillmore.—Clear, snow all gone.

Cove Creek.—Clear, about two or three inches of snow; rained and snowed all day yesterday, but melted as it fell.

Beaver.—Clear, calm, nearly all snow melted.

Frisco.—Clearing off, clear, cool and inclining to thaw. Two inches snow fell yesterday morning, a few hours of rain; wonderful increase in fall of rain and snow over last year.

Parowan.—Clear and pleasant, but about six inches snow fell in the night.

Cedar City.—Cold, clear and pleasant, about one inch snow on the ground, roads very muddy.

Silver Reef.—Clear and pleasant, rained yesterday considerably.

Kanab.—Cloudy, pleasant, rained yesterday and last night.

St. George.—Rained at intervals yesterday, hard; to-day, clear and pleasant.

Pioche.—Clear and pleasant after two days' storm.

Fountain Green.—Clear and sun shining, pleasant.

Moron.—Cloudy, rather cold, snow about three inches deep.

Fairview.—Snow about four inches deep, clearing off.

Mount Pleasant.—About four inches of snow, cloudy and cold.

Bingham.—Fine, about four inches of snow.

Alta.—Cleared off, snowed between one and two feet last night. Snow, now, about 3 1/2 feet deep.

Highway Robbery.—A few days ago a young man named George Howard, a resident of Nephi, while returning from Pioche, was stopped a few miles south of Deseret Springs, near Ben Tasker's ranch, by two armed and masked men, who demanded his money. He gave up \$24 in money and a silver watch, but afterwards begged that he might have his watch back again, as it was a family relic or something of that kind. The highway robbers manifested under the circumstances, a remarkable degree of generosity, for they returned the watch but preferred retaining the money. On the following morning Howard went to see Ben Tasker, and laid before that worthy the facts in the matter, at the same time requesting him to investigate the affair. Ben was very indignant about the robbery and assured Howard that he would look into the matter and let him know the result in due time. Howard waits long enough he may learn all about it in due time, but somebody must look after Ben in the meantime.—Enquirer.

Brunker's Weapon.—The mild and gentle Brunker, who created so much amusement for the good people of the 11th Ward, a week or two ago, by blazing away promiscuously at his surroundings with a musket, and threatening the lives of the officers who went to arrest him, may not have been aware of how near he came to dealing out death and destruction to himself. This morning the gun he used was taken to a smith and the load extracted. The charge consisted of several ordinary loads of powder, a double dose of shot and nine bullets, a sufficient power, as the lock and breech of the gun were loose and otherwise badly impaired, so that the trigger had been pulled, to have burst the weapon and blown the unfortunate madman into pieces. The officers will never regret having gone in at the front, instead of the back door.

A Valuable Pamphlet.—We have been permitted to scan the contents of a pamphlet treating of the natural history and habits of the codling moth, or apple worm, also containing notes on the scale insect. The circular is issued for gratuitous distribution by Messrs. Cooke & Son, proprietors of the Pioneer Box Factory, Sacramento, Cal. It claims to be the result of personal experience and research, and not only gives the nature and habits of these destructive pests, but furnishes methods for their extermination. The authors say, in the preface:

"We are directly interested, in common with the fruit growers, in the extermination of this pest, our business depending especially on their success as producers of choice marketable fruit. It is our purpose to publish, from time to time, such information as we are able to collect, until the natural history and habits of these pests are fully understood, and also such experiments made by those interested in their destruction, as we know to be reliable."

Water Flumes.—The City Watermaster has just finished a substantial water-flume across the lots of Messrs. Patrick and Barton in the 18th Ward.

There is an ugly hole in the flume in front of the Theatre. Parties owning the defective irrigation flumes which cross the sidewalks in various parts of the city, should have them repaired at once, before some one is hurt falling into them, and a suit for damages is brought against the negligent proprietor. The Watermaster is unwilling to be too harsh, but his duty enjoins upon him to see that such errors of omission are not allowed to go unpunished.

Snow.—Last evening's rain developed into a snow during the night, and this morning the flakes continued falling very lively for a while, but the sun came out in due time and melted the feathery element into oblivion. The mud is now the chief source of annoyance. But everybody can't be suited, some people would grumble if they were going to be hung.

Married.—Mr. Joseph Daniels and Miss Lillie Spafford, both of Provo, were united in the holy bonds of matrimony this afternoon, Elder Joseph F. Smith performing the ceremony. We wish the young couple an uninterrupted career of future happiness and prosperity.

Sad Fatality.—Mr. S. J. Despain, of Granite, writes, informing us of the death, on Thursday, the 27th ult., of Sister Elizabeth Boyce, wife of Brother John Boyce, of that place. Her infant son lived until Friday night, when it died also, and the two were buried in the same coffin. Sister Boyce was a true Latter-day Saint, kind, affectionate and greatly beloved by all. She leaves a husband and four children to mourn her loss. In common with many friends, we sincerely sympathize with the bereaved family.

Death of Elder William Clayton.—Elder William Clayton, an old and respected citizen of Salt Lake, and a man well and widely known among the Latter-day Saints, with whose early history his own career is closely associated, died suddenly this afternoon, at 20 minutes to 1 o'clock, while in the act of partaking of his dinner. About five minutes previous, he was conversing with his aged friend and neighbor, Dr. J. M. Bernhisel. For several months the deceased had been suffering from an attack of dropsy, which for years had been his ailment, and since his last visitation, which was so severe as to confine him to the house and compel him to forsake all business cares, his life has frequently been despaired of. It was hoped, at times, that he would recover, his symptoms being quite favorable, though for months it had been necessary to have a

watcher to sit up with him through the night. Yesterday he was reported about the same, and although his condition was not so promising as it had been, it was not supposed that his end was so near. Brother Clayton, was a native of England, and was born July 17, 1814. He embraced the Gospel at an early day, and was an intimate associate, and a tried and trusted friend of the Prophet Joseph, to whom, for many years, up to the time of the latter's martyrdom, he acted as private secretary. While in this capacity, he transcribed the revelation on Celestial Marriage and many others, under the Prophet's dictation and direction. From that day to this he has been with the Church, and held various offices of public trust and responsibility in the community. He was for several years treasurer of Z. C. M. I., for many years Territorial Recorder of marks and brands, and up to a few months ago, when he resigned his office on account of sickness, Territorial Auditor of Public Accounts. He was a man of sterling integrity, remarkable ability, a faithful Latter-day Saint, and a good and useful citizen, whose death, though a happy relief from his sufferings, will be felt deeply by hosts of personal friends. We extend our sincere condolence to the bereaved family in this their hour of affliction.
