VERN DAVIS SERIOUSLY HURT.

Vern Davis, the 15-year-old son of Mr. Charles Davis of the Third ward, met with a serious accident Thursday evening.

He was going to Provo Bench after a load of straw, and while he was loading the berries, while he was trying to change the position of the straw, he became frightened and threw young Davis to the ground, stepping on him and bruising him very badly. The most dangerous wound was inflicted in the forehead. He was rushed to the hospital and Dr. Allan and Taylor, who attended him, removed a piece of bone about the size of a silver quarter. Hopes are entertained of his recovery.

Mrs. Louise Harrison of the Fourth ward left for Oxford, Idaho, yesterday, to attend the funeral of her son, Eugene Harrison, who died from the effects of appendicitis. The deceased was the brother of Mrs. Belle Nelson of this city. He was about sixteen years of age and leaves a wife and six children.

The appointment of Hyrum F. Thomas as deputy county treasurer to succeed Mr. Johnson, whose resignation takes effect on the 15th, was confirmed by the board of county commissioners yesterday.

Deputy Sheriff J. T. Williams has been stationed at Cotton for the purpose of keeping order in that lively place. He will probably be there some time, as he is expected to accept the office of constable, which for some time, it has been impossible to find anyone to fill.

There will be a citizens' meeting in the court house Wednesday evening to arrange for a 4th of July celebration.

CANNERY PROJECTED.

D. C. Adams of Salt Lake has been investigating the possibilities for establishing a cannery factory in Provo, and considers them good. He has infested several prominent business men in the project and the following committee will go to Salt Lake Tuesday to make further arrangements: S. Jones, R. A. Barney and Wm. M. Roylance. A plant to cost about \$20,000 is talked of. Mr. Roylance is also in favor of an evaporating plant on a large scale in connection with the cannery factory. With such facilities for taking care of fruit and vegetables they would be a much greater source of revenue than at present.

COALVILLE.

Academy to be Discontinued for a Year—Peculiar Damage Suit.

Special Correspondence.

Coalville, Summit Co., June 8.—The district court adjourned on the 6th, and the jury was discharged for the term.

The county commissioners inspected the road to the Grass Creek coal mines yesterday. An appropriation will doubtless be made to make necessary repairs on that high way.

A telephone line now connects Henefer with Ogden. The line is being extended to Coalville and a force of twenty-five men is continuing the line up Echo canyon on its way to Denver.

The telephone poles are of Oregon cedar and the cost of construction per mile is \$200.

ACADEMY DISCONTINUED FOR A YEAR.

At a Priesthood meeting held a few days ago it was decided to discontinue the Summit Stake Academy for a period of one year.

Harry Wade, an employee of the Bell Telephone Co. was arrested today on a charge of assault and battery. He struck J. J. Mulford on the head with a shovel, inflicting a severe scalp wound. The defendant was tried before Justice Smith and fined \$12.50.

PECULIAR DAMAGE SUIT.

James E. Buzo of Salt Lake City, has presented to the board of county commissioners a bill for \$10,000 for damages sustained by him in the coal mine at Summit county, and several men in his employ were attacked with the small-pox. The county physician quarantined them on Buzo's premises for a few hours until a conveyance could be procured to take them to the pest house. Buzo claims that because of this detention he was unable to secure men to quarry rock, hence he was prevented from filling his contracts. His attorney is Truman and Williams, and they are modest enough to confess in their communication to the commissioners that "these damages may seem rather large to you." The claim was referred to County Attorney Clark.

On Wednesday June 13, at noon, Miss Jessie Earls and Mr. Phil Clark, both of Eureka, will be united in marriage. The ceremony will be performed at the residence of Mrs. Earls.

REGISTRARS APPOINTED.

The board of county commissioners has appointed John Ivey, John Huffer and E. D. Harper registrars of election, to serve for two years.

Chas. Hulth, Tom Haynes, David Mills and Francis Hanson, young men of Eureka, leave tomorrow for the Yellowstone park. They will travel by auto and expect to be gone three months.

SOCIAL AND PERSONAL.

A pleasant affair occurred last night at the residence of Bishop Walter Beattie, the occasion being a testimonial tendered Miss Gwendolin Lewis by some of the church organizations of the ward the Sunday school, M. L. A. and Relief Society. Miss Lewis has been for several years past organist in the Seventeenth ward and the testimonial was given in appreciation of her efficient and devoted service. The rooms were decorated with flowers, the lawn brilliantly lit with Japanese lanterns and over 200 guests enjoyed the delightful affair. A musical program was rendered by R. H. Goddard, C. F. Stayer, A. C. Lund and J. A. Anderson. Others who took part were Misses Clara Wimmer, Sadie Smith, Mrs. Woolley and J. E. Young.

A delightful ice cream festival was given last night in the Eleventh ward hall. The tables were decorated with flowers, the refreshments provided were delicious and the affair generally a success.

An excellent program was rendered during the evening, embracing a tenor solo by Fred Butler, a soprano solo by Miss Beale Edmonds, a mandolin and guitar selection by E. A. Lamborne, a recitation by Miss Lottie Morris, a comic song by Will Willis, a song by Miss Judith Anderson, a humorous reading by H. S. Young, a guitar and mandolin selection under the leadership of E. A. Lamborne, rendered by Miss Emma Belsinger.

Miss Gwendolin Dunbar, Richard Sumnerhays and Willard Ashton, a ladies' quartet by Miss Beale Edmonds, Ethel Keville, Lillian Binkley and Margaret Glade, and a piano duo by Prof. A. C. Lund and Prof. J. C. Anderson. Mrs. Nettie Lamborne acted as piano accompanist of the evening. The affair was well managed by Miss Gwendolin Dunbar, assisted by Misses Gwendolin Dunbar, Fannie Freese, Ada Bitter and Messrs. Frank Hughes, George Coulam and Joseph Thornduff.

Miss Nettie Shelby and Joseph E. McKnight, principal of the University training school, will be married on Friday, June 16th.

The engagement of Miss Ann Furry and George B. Sweeney is announced. Both are teachers in the city. Their marriage will take place in August at Miss Furry's home in Indiana.

The Council of Women met yesterday and the question of taking part in the coming women's national bazaar in Madison Square Gardens next December was discussed. Each State is to have a booth in which the product of the women of the State will be exhibited and sold. The proceeds will be donated to the suffrage cause in States that are not enjoying the franchise.

The question of expense was the chief consideration, as it will take a large sum to make a creditable exhibit so far from home. The matter was not decided and will be further considered.

Next Thursday evening the pupils of Miss Eleanor Burrows will give a piano recital at the First Congregational church, and the public will have the opportunity of judging of the excellence of Miss Burrows' methods and training. The lady has demonstrated her personal talent and the entertainment will doubtless do credit to the instructor.
