I had frequent sinking spells, sometimes as many as three in a day, during which my heart would seem to stop beating, necessitating the call-ing of a physician to resuscitate me, Before finishing the first bottle the sinking spells had ceased, and I took altogether five bottles for a complete core. I now enjoy perfect health, and am very grateful for this wonderful medicine, for it is the means of my being with my family now." REBECCA BENNET. 1519 Yandes St., Indianapolis, Ind.
