Made from Grape Cream Tartar.—No other preparation makes such light, flaky hot breads, or luminous pastry. Can be esten by Dyspeptics without fear of the ills resulting from heavy indiges the food. Sold only n cans, by all Grogers crimes without conviction; there-fore, he gave notice of amendments journed.

in these respects.

Sherman said he would vote for the bill, but doubted its effectiveness. Hebelieved the time would soon ome when some of the Saints in authority in Utah would have a new revelation from sources all would recognize, and that in this way all would get rid of polygamy by the voluntary action of its supporters. The remaining committee amend-

ments and several sections of the bill were then agreed to without further debate, and the bill reported to the Senate as from the committee of the whole.

from disfranchising any one on account of his opinion on the subject of bigamy or polygamy.

Sau'sbury offered and advocated a proposition making the seventh section unapplicable to all persons now holding office in the Territory. De-feated after a statement of Edmunds that such an amendment would render the bill negatory; ayes 13; noes

Several amendments were proposed and defeated by decisive votes and after a rearrangement of its sec-tions, the bill finally passed by viva voce vote, in which no negative responses were heard. The pension arrears resolution was laid over as unfinished business. Ad-

WASHINGTON, 16 .- Cox, from the committee on auditing expenses arising from the illness and death of

The following bills were reported: Carlisle, from committee on ways and means, to regulate the collec-tion of tax on Weiss beer; re-

Burrows, from the committee on Territories, for the admission of Da-kota into the Union as a State; Hooker, from the committee on Indian affairs, to provide additional training schools for Indian youths.

Dunnell, from the committee on ways and means, reported a bill-fixing the term of office of Collector of Internal Revenue at four years. Horr reported adversely from the committee on civil service reform, the bill to reduce the salaries of the neads of departments and members of Congress; referred to the com-mittee of the whole. The consideration of the appor-

tionment bill was resumed, and Prescott offered a resolution providng that whenever the House shall determine upon any number of the members, the same shall be apportioned among States on the same basis as the division used at the

the old method.

Bayne, of Pennsylvania, moved to amend so as to provide that the apportionment shall be based upon the "Seaton" method, and Converse of Ohio moved to amend the amendment so as to adopt the plan pre-viouly presented and favored by Hooker submitted an amendment

to the bill, selecting 326 as the total Thompson, of Kentucky, spoke in favor of the Apportionment till, fixing the representation at 319.

At 3 p.m., the previous question was seconded, and a vote taken on he amendment of Converse to the lution submitted by Prescott,

amendment. The next vote was taken on the amendment offered by Anderson, of Kaneas, fixing the number at 325, and it was agreed to, year 162, nays

FORTY-SEVENTH CONGRESS.

SENATE.

Washington, 16.— Discussion on Edmandé bill was long. Vest denounced the bill is in every festiure a bill of attainder, inflicting punishment without judicial trial, which was prohibited by the Constitution. He would not give his vote for the principles of the bill, should envise the believed it would substitute for an anti-republican syvenment in Utah, and an

AMERICAN.

Rosecran's Canal, A Strong One, Washington, 16.—There are indications that the opponents of Captain Eads' ship railway project are endeavoring to give new energy to the Nicaraguan scheme, with a view not only to defeat Eads' plan, but to advance their own. The general subject of maratime will be referred in the Senate to Miller, of California, as sub-committee, while in the nia, as sub-committee, while in the foreign immigrant business, the per-House, Rosectans has introduced a centage to be borne by each line in Brown then remewed his amendment requiring that not more than
three of the members of the
Board of Commissioners shall
be members of the same political
party; sgreed to by a party vote,
yeas 26, noes 24. Davis, of Illinois,
voted aye with the democrats, and
Mahone was absent.

Another amendment offered by
Brown to the last section of the bill
was that of prohibiting the Beard
from disfranchising any one on acBUCK GOODS, ETC.

mompany, with a rather formidable
list of incorporators. Among the
last of incorporators. Among the present some very large railroad in-terests, and include some very flooded. The city prominent capitalists. They ask Congress to guarantee to that com pany for a period of 20 years, from the time of the corporation of the canal, the net proceeds of traffic, which shall not be less than three per cent upon the capital stock, which is to be less than \$50,000,000. In other words, the incorporators request the government to insure them from \$500,000 to \$8,000,000 per annum. Notwithstanding all these antagonistic movements, Eads boasts

that he will receive a favorable report from the committee. Indian Enhors The results of the Indian labor turing the past 12 years, since the beginning of the peace policy, the Board of Indian Commissioners say, shows an increase in products soil by Indian abor of nearly twelve-toff, and at this rate of progress it President Garfield, reported a bill is confidently predicted the time is granting a pension of \$5,000 a year. not far distant when all semi-civil-

**366 ** The exposure of the 306 medal project was premature. It was the intention to have them delivered from Washington, and announcement formally made. Grant was expected to write a circular letter, thanking the receivers for their support. It is said Conkling received of, etc.; and report their labors at his medal several weeks in advance of others, and signified his approval of the design.

Resignation. The President has accepted the resignation of Ward Hunt, Associate Justice of the Supreme Court, and will nominate his successor next

Investigation. this afternoon had read and referred the nominations received in the

past two days.

The military committee unanimously reported back the nomination of Mayor Rochester for Paymaster General of the army, favorably. The committee after investigation, exonerated Rochester from all responsibility for delalication.

Paymaster Hodges' committee declared that Rochester followed the usual custom of the Department in passing upon Hodges' paper and that his record as an officer is excellent.

The Controller of the Currency to-day authorized the First National Bank of Pendleton, Oregon, with a capital of \$50,000 to commence busi-

resolution submitted by Prescott, and it was rejected.

Bayne's amendment only received a affirmative votes, while 148 members were recorded as opposed to the adoption of the "Seaton" method.

Prescott's resolution, basing representation upon the old system of apportionment was then agreed to without division.

The Speaker stated that the first vote would be on the amendment offered by Cox, fixing the representoffered by Cox, fixing the representation at 307, and ruled that Cox come down in our prices. We have could not modify it by changing that number to 319.

Cox thereupen withdrew his ever before, and warn us that the market is closed to us unless we come down in our prices. We have come down and perhaps may have to come down still further before to come down still further before gettingour English trade back again.

Railread Work. NEW YORK, 16.—The Mail and Express in its Wall Street goeslp says: The contractors who are grading the extension of the St. Louis & San Francisco road from

a boiler explosion to-day, at don G. Baldwin, pilot of the ferry-boat, Fulton, had a leg broken by flying pieces of timber. A miller named Kohn had his scalp entirely taken off. Loss unknown.

Springer, of Illinois, moved to reconsider the vote by which the
house had rejected the amendment
offered by Colerick, of Indiana,
amending section 3 of the bill so as

dameagd the stock \$45,000; insurance \$12,500. Also damaged W. H. Mc-Knight's carpet stock, \$15,000. Loss on building \$20,000.

Paris, Idahe, February 13, 1882. Editor Descret News: Yesterday and Saturday we had a

most enjoyable time, it being our Quarterly Conference. Our meet not far distant when all semi-civilized Indians will be self-supporting, and the few tribes that remain wild and savage will soon follow the example. The report closes as follows:

We have no new weekers to very seat obtainable was taken possession of, and all standing room was occupied, nearly 100 people had to remain outside. We had the We have no new measures to recommend. We simply urge persistent adherence to the peace policy,
which means government by law,
homestead rights and education."

The report closes as follows.

doors open so that they could hear
the speakers, and take an interest
in the business that was transacted;
but this did not suffice. Realizing
that we want a large house to convene in, we unanimously voted to build a large tabernacle on our pub lic square. A committee com-prising the Presidency of the Stake and two of the Bishops, were appointed to make some calculations as to what would be the pro our conference. The results are these, as taken from the report given in by the committee: Tabernacle to be built of rock, 50 feet wide by 95 feet long, and 25 feet high; with a vestry and council chamber attached, which latter is to be 20 x 25 feet The building to be erected on the west centre of the square, 40 feet from the street. Approximate

The Senate in executive session this afternoon had read and referred the nominations received in the past two days.

The military committee unanimously reported back the nomination of the past two days.

The military committee unanimously reported back the nomination of the past two days. feel strong enough to venture out He, however, wrote a spirited epis-tle to the Saints assembled in Con-ference. President Budge, after reading the letter, prayed God to bless Brother Ricb, and desired all present who felt like endorsing his remarks, to say "Amen." Then a mighty "amen" ascended, which we are sure was ratified in the heavens. Our Conference was truly a time of rejoicing, and the many bless-ings we received from those who ministered unto us, were appreciated

by all. We are having beautiful weather here the last few days; it seems as though spring was coming to visit us earlier this year than usual. We have plenty of snow on the ground however, and have had some terrible spells of frost; the mercury go-ing down as low as 85 deg. below zero. Old settlers here say it is the worst winter they ever experi-

The railroad is being vigorously pushed through this county, and but our brethren are taking all measures possiqle to prevent it spreading.

JAMES H. WALLIS.

Mr. M. M. Morrison, connected Louis & San Francisco road from Pacific City to Dallas, Texas, have received instructions to reduce their force one half, pending the action of the board of directors at their annual meeting, March 14th, as to whether the line shall be built or whether the traffic of the road shall continue to be done over the Missouri Pacific.

The Texas Lumberman says: It will take 1,000,0000,000 feet to finish the roads projected in that State.

Ground was broken yesterday at lantic & Pacific Railroad to be built by the Southern Facific Company. with the Kausas City (Mo.) Times, and a prominent real estate operator by the Southern Facific Company.

Botler Explesion.

him complete relief. Before using the Oil, Mr. Morrison says, he was so stiff, and suffering so intensely. that he could hardly move. The transition from this unhappy condition to one of perfect case was almost massedous. The great remedy has since been a family friend. He always keeps it in his house, and has seen its wonderful power demonstrated upon several occasions in the cures of neuralgia and riseumatism. He has never seen the remedy fail yet, and is a confirmed believer in its virtues.

Neuralgia, Sciatica, Lumbago, Backache, Soreness of the Chest, Gout, Quinsy, Sore Throat, Swell-ings and Sprains, Burns and Scalds, General Bodily Pains,

Tooth, Ear and Headache, Frosted Feet and Ears, and all other Pains and Aches.

No Preparation on earth equals St. Jacons Ott. as a safe, sure; steeple and cheap External Remedy. A trial entails but the comparatively trifling outlay of 50 Cents, and every one suffering with pain can have cheap and positive proof of its claims.
