Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, over-work, nervous debility, &c.

Whatever the cause, don't meglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by commencing at the foundation, and making the blood pure and rich.

Wm. P. Marshall, of Logans-cort, Indiana, writes i "My wife has for many years been trou-bled from pain in her back and general debility incident to her sex. She has taken one bottle of Brown's Iron Bitters, she has been so much benefited that she pronounces it the only remedy of many medi-cines she has tried."

Leading physicians and clergymen use and recom-mend Brown's Iron Brr-TERS. It has cured others suffering as you are, and it will cure you.
