Twenty-Eight Victims Buried in the  
Depth of the Earth.

## CAUSE OF THE ACCIDENT.

The Iron Deposits Worthless Till the  
River can be Diverted into  
Another Channel.

CLEVELAND, Pa., Sept. 28.—The Mansfield mine, the only producer of iron ore in the Crystal Falls district, located six miles from here, closed at 9 o'clock last night, burying twenty-eight men. The disaster is supposed to have been caused by the giving way of timber on the fifth level, allowing those above to follow, and at the river to pour in upon the fatal men. After the cave the river below the shaft was in an eddy and forty feet deep.

Forty-eight men descended the shaft last night. Twenty escaped and twenty-eight perished. The bodies will never be recovered. Most of the survivors were at work on the bottom level, which was not reached until the morning. The men were working on the fifth level, and the river was in an eddy and forty feet deep.

# Important Letter from New York to Mr. FLYER, of Walker Bros. & Flyer Co.

New York, September 24, 1893.

Dear Mr. Flyer,

We have not had the pleasure of seeing you since the fall of 1892. We suppose you are like many other large buyers in the New York States, trying hard times and waiting to see if the country is going to the dogs. Well, it is not, my boy. Although it had a close call, I must admit. But times are much better now, and the great cry from now on will be confined to the Ladies. That will be for CLOAKS and must be gratified. Here is an opportunity for you to do it right, cheaply and successfully. Our two leading customers who make the large cities only, will return here Saturday after a ten days' trip, and we shall sell their samples, consisting of 500 NEW, ELEGANT and SEYDLER SUITS, JACKETS, CAPES, etc., upon their return. Now we are more than anxious to do some business with you this season, therefore we offer you the entire lot at one lowest price, less 50 per cent. of the cost. This is the GREATEST BARGAIN in CLOAKS offered this season. One of our principal reasons for offering this bargain price is an account of our confidence in you. We are not permitted to sell anything in New York. Now, Flyer, telegraph us at once on receipt of this. If you accept the offer, will express them to you Saturday next at once.

Yours truly,

J. W. OPPENHEIM, with  
SAMUEL OPPENHEIM & CO.

A Telegram to Samuel Oppenheim & Co.,  
80 GREENE ST. NEW YORK.

Express Monday the 25th Cloaks, Capes,
