LAST NIGHT'S DISPATCHES.

WASHINGTON, D. C.

The General

Superintendent of the

service has received

telegrams from

the keepers of life

saving stations

in reply to the

demands for in-

formation made

by him, from

which it appears

that the crews of

both stations dis-

posed to the in-

formation of the

men on the steam-

ship, and that

the stations are

about 100 miles

apart, and the

wreck, unfortun-

ately, occurred

about half way

between the two

stations, and

that the crews

of both stations

are now en-

gaged in search-
