WM. GLASMANN HAS RESIGNED

Retires from Postmastership of Ogden at End of Year.

VELVET FOR BEET GROWERS.

Over Half Million Paid Out by Amalgamated Sugar Co.—Other News.

Ogden, Dec. 16.—William Glasmann has resigned as postmaster of Ogden. This statement has been made so many times of late that it was hard to tell whether the postmaster had really resigned or some political enemies had become very busy. The resignation according to a statement made to all the papers was sent to Washington Monday evening but was dated the 15th and Mr. Glasmann asks to be relieved by the end of the month. The statement issued by the postmaster was as follows:

A month ago the postmaster announced that he would get out of office in a few days. Immediately his enemies announced that he was resigning voluntarily and maybe not. Mr. Glasmann however decided to put at rest all future rumors of that kind and wrote Congressman Howell to learn if his record was clear and if there was any reason why the postmaster general could not accept his resignation if it could be tendered. Yesterday the following letter was received. It speaks for itself:

Postoffice department.—Office of First Assistant Postmaster General, Washington, Dec. 8.

Division of Postmasters' Appointment, Hon. Joseph Howell, House of Representatives.
 My dear sir: Referring to your call at the department today concerning the postmastership at Ogden, Utah, I have to inform you that the department knows of no objections to the acceptance of the resignation of Mr. William Glasmann as postmaster. Regarding your inquiry as to the record of Mr. Glasmann, the department's files show that the Ogden office has been satisfactorily conducted under his management.

Very truly yours,
 E. F. BUSHNELL
 Acting First Asst. Postmaster General.
 On receipt of the above, the following

But what does that amount to, as compared with the satisfaction that comes from scrupulously clean dishes; from the improved appearance of your hands; and from the knowledge that every ingredient in Ivory Soap is sweet and clean and pure?

ing letter was sent to Washington, last evening.

THE RESIGNATION.
 To the Hon. First Asst. Postmaster General, Division of Appointments, Washington, D. C., Dec. 15.—Sir:—I hereby resign my position as postmaster at Ogden, Utah, same to take effect at the pleasure of the postmaster general. I would like to be relieved at the close of this quarter, Dec. 31, 1908.

Respectfully,
 WILLIAM GLASMANN,
 Postmaster.
VELVET FROM SUGAR FACTORY.

More Than Half Million Paid Out by Amalgamated Sugar Company.

Ogden, Dec. 16.—The Amalgamated Sugar company of Ogden made its third and last payment to the beet growers of this and adjoining districts for beets that have been furnished during the latter part of the season. The total amount paid out was \$210,000 of which amount the sum of \$12,000 went to employees of the local sugar factory in Wilson Lane.

With the amounts paid out at the Logan, La Grande, Oregon, factories and at the Lewiston factory, more than \$500,000 has been paid out by the company. Fully a fifth of this amount was paid out for labor at the factories.

In the districts touched by the three Utah factories about 3,000 farmers drew checks at some of the offices of the company. At the Ogden office about 1,000 beet growers of this district were paid for their beets.

HELD FOR ROBBERY.

Ralph Deane, charged with robbery, was given a preliminary hearing before Judge Murphy yesterday afternoon and was found guilty. He was bound over to the district court under a \$500 bond. Deane is the young man who held up and robbed the night clerk and several guests of the European hotel some weeks ago, but was subsequently captured by the porter of the hotel.

FORESTRY AFFAIRS.

Fiscal Agent H. B. Cramer of the forest service, who arrived in Ogden Monday completed his task last evening in examining the affairs of the local office and left for Missoula, Montana, where he goes to examine the affairs of that office. Before leaving Mr. Cramer stated that he was highly pleased with the condition of affairs as he had found them here. While here he was entertained at the Weber club, and left with a very good feeling toward the Junction City.

D. H. PEERY CO. INCORPORATES.

Articles of incorporation of the David

Henry Peery company were filed with the county clerk yesterday afternoon. The incorporators who are the heirs of the late David Henry Peery, are Mrs. Elizabeth L. Peery the mother, and the brothers and sisters of the deceased. The capital stock is \$200,000 with shares of the par value of \$100 each. Of the capital stock 500 shares will be treasury stock to be divided between two brothers of the deceased, Harmon Ward Peery and Louis Hyrum Peery.

The incorporators, officers and directors of the company are: Horace Eldredge Peery, president; Mrs. Elizabeth L. Peery, vice president; Harold J. Peery, secretary and treasurer; Mrs. Louise Peery, Fulkerson, and Mrs. Louise L. Peery Richards are directors. Francis S. Peery is also one of the incorporators.

The incorporation will take over the entire estate of the late David Henry Peery which consists of real estate in Weber, Boxelder, Salt Lake and Summit counties of Utah as well as mining interests in Utah and Nevada.

WEDDING LICENSE.

A marriage license has been issued to Orson Keofed and Eric Henderson, both of Clifton, Ida.

VISIT BLIND SCHOOL.

Yesterday afternoon Gov.-elect Spry accompanied by a number of others visited the state school for the blind, and were shown through the institution by Supt. Driggs. Everything was found to be in first class condition and all were pleased with the visit. Today a number of the prominent citizens of Ogden will be shown through the school by Mr. Driggs.

CAMPAIGN AGAINST IMMORALITY.

A fight is being conducted by the police department on a class of undesirable citizens, human parasites, who live almost entirely off the wages of the underworld. There is no doubt Ogden has more of this class of human beings than any other city of its size.

The police have been arresting this class as fast as they are found and Judge Murphy of the police court has always given the limit in the fine. One regrettable incident in connection with the arrest of these men who are charged with vagrancy is that they are allowed to escape with a sentence for vagrancy and for which they can escape by the payment of a fine by the women who support them.

HELD TO DISTRICT COURT.

Philip S. Genger, who was brought back from California many weeks ago to answer to the charge of failing to provide for his minor children, had his preliminary hearing in the municipal court this forenoon, and was held to the district court under \$500 bonds.
