

Some of the anti-polygamy fanatics

of this city have been working

themselves up into a terrible condi-

tion over an article said to have ap-

peared in the Christian Union, pur-

porting to have come from a "Mor-

mon" council of Bishops. It was

not a direct arraignment in support of

polygamy, but an argument of those

"Christian" people who make so

much first about the "Mormon"

system of plurality of wives, and

yet uphald and practice the system

prevalent in New England and

other parts of the country, by which

a bastard and periodical kind of poly-

gamy is made fushionable and re-

spectable. A man will divorce his wife and marry another, get

tired of her, put her away, take

a third, and so on, without hind-

rance and without reproach. A

with the same results so far as socie-

pointed out, and a comparison drawn

between that and the "Mormon" marriage system, not at all to the
