Friends of the employes who may desire to go, can obtain tickets from the committee, W. E. Winkworth, Joseph Openshaw, and peter Nielsen, on the Block. Peter Nielsen, on the Block.

Michael Earl and Hermann Hill asked permission to extend the water mains to their property in plat D. Re-ferred to the committee on waterbest. Kingsford's Oswego Corn Starch, or prepared corn, for the table. That it has been very carefully prepared is shown by its color and by the absence of cellulous and albuminous com-

pounds. The article is in fact to be regarded both chemically and distetically as an arrowrost, and it should therefore, especially when used as food for in-fants and young children be given either in conjunction with milk or beel, tea, in order to make up for the deficiency of nitrogen. Indened such farinaceous articles are usually thus administered.
