# WALKER'S STORE

## All Salt Lake City Charity Sale!

All Purchases Made During the Charity Sale will be Charged on February Bill.

Walker's store has invited the charitable and benevolent organizations of this city to share the profits of a week's business—Nine of Salt Lake's representative institutions have accepted the invitation and will participate—FIVE PER CENT OF THE ENTIRE SALES OF THE WEEK WILL BE DISTRIBUTED AMONG THEM. Representatives of the different organizations will have charge of the store on the days designated, and will receive their percentage of the day's business. They will of course use every effort to induce liberal buying that their share of the proceeds may be as large as possible. The management of the Walker Store has used every effort to see that the offerings of each day are equally attractive. ASIDE FROM THE BENEVOLENT FEATURES OF THE SALE, IT WILL BE FROM AN ECONOMIC STANDPOINT BE ONE OF THE BEST BUYING WEEKS OF THE SEASON—Special offerings in large numbers at extremely low prices will be made from day to day—and several large events will continue all week, giving the friends of each society an equal chance—Many new things for Spring will have their first showing—Prices will be marked in all instances as low as possible to encourage purchasing during the ALL SALT LAKE CITY CHARITY SALE. Following are the names of the societies and days designated to each one. Names of representatives from each institution will be printed in ads for the day.

### Monday—Jan. 29. INFANTS' HOME AND PROTECTIVE ASSN.

Located at 61 S. St.  
Was incorporated Jan. 7th, 1904—just two years ago. During this time nearly 150 children have been cared for. Homes have been found for 25 children, of whom 27 have been adopted. There are at present nine little ones under five years of age in the home. This is a brief sketch of the noble work the "Infant's Home" department is doing. The "Protective" feature of the association is demonstrated by the facts that 11 children have been placed under its protection by the Juvenile Court. Six of these have been returned to their mothers, three returned to their mothers, two have been placed in private homes which will probably be permanent, and one, a boy of eleven, is now being held for adoption.

### Tuesday—Jan. 30. Salt Lake Charity Assn. And Free Kindergarten.

THE SALT LAKE CHARITY ASSOCIATION was organized about a year ago. It fills a long felt want in this city. Seeking and relieving the unfortunate and helping all worthy cases which are brought to their attention. The association is in a position to ascertain correctly the merits of any case presented and no worthy person who is in need is ever turned away. It has secured employment and help for hundreds and as long as the treasury is intact, no deserving case will be turned away. At present the association is in need of funds and those wishing to contribute, may feel secure that every dollar will be judiciously and justly spent. Capt. Wood is in close touch with all the poor of the city and will investigate any case brought to his attention.

### Wednesday—Jan. 31. HOLY CROSS AND L. D. S. HOSPITALS.

THE HOLY CROSS HOSPITAL was established in 1874 on Fifth East street. However, it soon outgrew its old quarters and built its own building at its present location. Increasing patronage demanded that they add to their accommodations, which they did two years ago, holding an addition at an expense of \$125,000, with accommodations equal to the old building. It is self supporting, and the kind ministrings of the "Sisters" makes it a boon to mankind. THE L. D. S. HOSPITAL was erected in 1891. It is a beautiful structure of cream fire brick with a room capacity of 12 patients, and a ward capacity of 40 patients. The building fund was started by a donation from Dr. Groves of \$25,000, after whom the hospital was named. It deserves the support of all interested in the relief and help of suffering humanity.

### Thursday—Feb. 1. ST. MARK'S HOSPITAL ASSOCIATION.

This association is doing a noble work at the St. Mark's Hospital—The object of the organization is to provide for the destitute patients who come without means to pay for medical attention—During the last six months, thirty-seven cases have been cared for at an expense of over \$1,000—Your support and interest could hardly be given to a more worthy cause—Come and help lighten the burden which a few of the faithful are carrying—Come and help the sick, the needy and the suffering.

### Friday—Feb. 2. Orphans' Home and Day Nursery & Salvat'n Army

THE ORPHANS' HOME was organized in 1880 by Miss Elizabeth Dickey, the object being to care for children whose mothers had to go out and earn the living. It gradually developed into a home for orphan children, and new quarters were needed. With money raised through its own efforts and through kindness of people outside the society a home was purchased on South State Street, their present location. The children are well provided for and educated in the district school. They are kept and cared for till they are able to support themselves. THE SALVATION ARMY hardly needs a mention. Every person in this city is familiar with the noble work they are doing throughout the country and locally. A very efficient corps of workers represents the Army in this city, and every cent given this organization is wisely and justly used in relief of the needy.

### Monday, Infant's Home and Protective Assn. Day

Babies Checked and Cared for FREE.  
While mothers shop—special provision has been made in the drapery department for the care of infants while the mothers are doing their trading. Second floor. Take the elevator.

### Saturday—Feb. 3 PUBLIC SCHOOL CORRIDOR FUND.

For the past five years the Home and Education Section of the Ladies' Literary Club has been working for the decoration and improvement of the corridors in the public schools. It has been a discouraging, uphill task, but results are beginning to be seen. The fruits of their labor are to be seen in the Jackson, Webster, Wasatch, Grant and Emerson Schools, where the corridors have been furnished. This is an excellent beginning, but it is only a small start toward the work planned for the future. The beauty and desirability of a city depends to a great extent upon the pride and interest manifested by her citizens. It is the duty of every parent to foster and cultivate such interest and pride in the child. The daily familiarity and acquaintance with the beautiful and clean in the Public Schools is the surest way to produce hearty loving and law abiding citizens of the future.

### The Infant's Home and Protective Association Staff.

The following ladies are interested in the worthy work of this organization and will kindly devote their efforts and time to the cause Monday—
