XLVIII CONGRESS.

SENATE.

WASHINGTON, 27.—Morrill, from the committee on finance, reported favorably, with amendment, the House bill for the retirement and recoinage of the trade dollar. (The vote in committee was six in favor to four against.)

The amended bill was as follows: Sec. 1. That until July 1, 1885, United States trade dollars, if not defaced, mutilated or stamped with any other mark, shall not be paid out in any other manner issued, but, by the expense of the United States, shall be transmitted to the collector, mint and reissued into standard silver dollars of the United States.

Sec. 2. That the trade dollars received by the Treasurer or any Assistant Treasurer of the United States shall not be paid out in any other manner issued, but, by the expense of the United States, shall be transmitted to the collector, mint and reissued into standard silver dollars of the United States.

Sec. 3. That the trade dollar so reissued, and treated as silver bullion, shall be sold at the market value of bullion required to be purchased and coined by the act of February 22, 1875, and shall be reissued into standard silver dollars according to the provisions of said act.

Sec. 4. That all laws and parts of laws, authorizing the coinage and issuance of United States trade dollars are hereby repealed.

Sec. 5. That the President is hereby authorized to issue, in lieu of the trade dollar, a new coin, to be known as the "Latin Union," and with other foreign powers, for the purpose of making treaties with them in order to secure co-operation as may enable the nations agreeing thereto to issue their respective coins as the free coinage of silver, with full legal tender power, at an agreed ratio to gold.

Sec. 6. That in case no such treaties are entered into by the United States prior to August 1, 1885, then and thereafter, the act of February 22, 1875, is authorized to be amended so that the Treasury to purchase from time to time of silver bullion, at the market value thereof, not less than \$2,000,000 worth, or more than \$4,000,000 worth per month, and cause the same to be coined into standard silver dollars, as fast as so purchased, shall be suspended.

Morrill gave notice that he would call up the bill on Tuesday next.

Cameron, of Pennsylvania, from the committee on military affairs, reported favorably the bill to authorize the establishment of a retired list for non-commissioned officers and privates of the United States army who have served thirty years and upward.

Border War.

WASHINGTON, 27.—Secretary Lincoln has received a telegram from Major General Pope, commanding the Department of Mexico, forwarding a telegram from Lieut. McDonald, dated January 26, 1885, regarding the capture of an Indian runner named Lieut. McDonald, who was captured by Mexican outlaws on the Mexican frontier on the 20th inst.

He says his troops, on the 20th inst., when the runners came along, and the man in front made a break with his revolver, which caused the troops to fire. A charge was then made by Lieut. Jenks, and four outlaws killed and 12 captured.

The outlaws were scattered along the road for a long distance. The day after Lieut. McDonald left the field the Governor of Lower California came along with about 30 men, claimed to have been picked up from the rancho, and gathered in nine others who were all in hiding, half-starved and worn.

An Indian runner informed Lieut. McDonald that more of the outlaws were coming and that they were armed with dynamite and were anxious to fight the troops. No attention was paid to the challenge, and the two parties marched away together until they had passed a few hundred yards into Lower California.

Instructions were asked for by the Governor of Lower California and the party who crossed the line at Indian Wells.

They will leave the country for the nearest point on the Kansas line. Troops will be sent with them. The reinforcement from Coffeyville turned back to the Kansas line, and the outlaws, in this place, on the approach of the troops, are hurrying out of the country. Will send troops to look for the men coming from Wichita, by way of Hunkerville. We have troops sufficient.

(Signed) HATCH, Colonel. Adjutant, Brigadier-General.
