

TILLMAN ON THE NEGRO QUESTION

Efforts of Chicago Colored People to Stop His Address Were Unavailing.

WHITES THE DOMINANT RACE.

Asked About the Law, He Answered: "The Law? To Hell With Such a Law."

Chicago, Nov. 27.—The efforts of the colored citizens of Chicago to prevent United States Senator Benjamin R. Tillman from delivering an address here tonight in Orchestra hall, because of the position he has assumed toward the negro race, were unsuccessful. When the South Carolina senator arrived in Chicago, early in the afternoon, he was told of threats of injunction proceedings to prevent his appearing on the speakers platform tonight and of a money consideration that had been offered if he would cancel his engagement. Mr. Tillman declared that it did not make any difference to him what the colored people of Chicago did, and he was going to do his engagement tonight, and he kept his word.

Senator Tillman gave his address protected by 40 detectives in personal command of Asst. Chief of Police Schuchman. In anticipation of trouble, a number of policemen were kept in nearby stations in reserve, but they were not called for.

Six colored policemen mingled with the crowd of blacks in front of the hall, to arrest any one who made a disturbance.

In the audience, many colored people, but they listened to Senator Tillman's remarks good-naturedly, and although he was interrupted many times by those who wished to ask questions, he metting passed off without trouble.

In leading up to his address, "Shall the United States Annex Cuba?" Mr. Tillman took occasion to criticize Mayor Dunne's action in refusing to precede his meeting. "I have been told that I have been snubbed by the mayor of this city," said the senator. "I never saw Mayor Dunne in my life, and I did not ask him to do so. If any one else has snubbed it is these gracious ladies who planned this meeting to secure money for the Chicago Tribune hospital, who requested Mayor Dunne, the creature of a political hour, to come forward and add his mite."

"I have been advertised to discuss the question of Cuba," continued Mr. Tillman, "but in view of the fact that I would not discuss this subject without leaving the race question, I am going to go to the matter hammer and straightforward. Like a man, therefore, I shall discuss the race problem pure and simple, from an American standpoint and not from a class standpoint. Owing to my experience with the Chicago Tribune hospital, I have made of it, I believe I am better qualified to discuss this question than any other man in America. I am going to base my appeal on the Constitution, which he declared gave the negro every right that a white man had, he was interrupted several times by one of his listeners, who kept asking, "How about Kentucky?"

"Finally Mr. Tillman seemed to lose his temper, and exclaimed: "Oh, shut your mouth. You don't know the A B C of this thing. I forgot 40 years ago more than you ever knew."

"You make up your minds that equality before the law which the fifteenth amendment guarantees is right and should be enforced, notwithstanding the fact that this law was enforced, it would result in two states at least being dominated absolutely by negroes."

INSOMNIA CURED

RESTFUL SLEEP OBTAINED BY DR. WILLIAMS' PINK PILLS.

Nerves Wrecked by Apoplexy Restored to Normal Condition and Good Health Followed.

The sufferer from sleeplessness too often resorts to habit-forming drugs in order to secure the coveted rest. But sleep obtained by the use of opiates is not refreshing and the benefit is but temporary at best.

Mrs. H. A. Fletcher, of 59 Blodgett street, Manchester, N. H., is living evidence of the truth of this statement. She says: "I received a shock of an apoplectic character. It was so severe that the sight of my right eye was affected, causing me to see objects double. I was confined to my bed about four weeks, at one time being told by the doctor that I could not get well. When I could leave my bed I was in such a nervous state that I could not sleep at night. I would get up and sit on a chair until completely tired out and then go back to bed and sleep from exhaustion."

"I had been under the doctor's care for six weeks when my sister, Mrs. Loveland, of Everett, persuaded me to try Dr. Williams' Pink Pills for Pale People. I began taking the pills with the result that I soon experienced relief. One night soon after taking them I lay awake only a short time and the next night I rested well. From that time I slept well every night and soon was able to get up and about. I have recommended Dr. Williams' Pink Pills a number of times, and my niece has taken them for weak nerves and poor blood and found them very beneficial."

Dr. Williams' Pink Pills are not a cure-all, but a blood-builder. They do one thing and they do it well—they actually make new blood. They cure nervous disorders because the condition of the nerves depends upon the number of red corpuscles in the blood, and Dr. Williams' Pink Pills increase the number of these red corpuscles. By this action on the nerves, through the blood, they have cured many severe nervous troubles, headache, neuralgia, and sciatica as well as diseases of the blood such as anemia, rheumatism, pale and sallow complexion and many forms of weakness. All kinds of blood troubles, Dr. Williams' Pink Pills, or they will be sent by mail postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y.

while four other states would be so near being governed by the negro that there would practically be an equal division of offices."

A voice: "How about the law?" Senator Tillman: "The law? To hell with such a law."

After telling in detail how the negro is prevented from casting his ballot in the south, Senator Tillman said: "There is a great deal more to this question than the little racket here in Chicago."

A voice: "How about the negro judge?" "Referring to Judge Barnett, or Dunne's action in refusing to precede his meeting, the only Republican nominee for municipal court judge defeated at the recent elections."

Tillman: "Well, I will tell you about your negro judge, and about your policemen putting him on a y. r. ticket and bamboozling the poor ignorant baboons into electing him, and when afterward you fellows who voted the ticket without knowing who was in it, find a little truth, cheat him out of it. No matter what the people may do or say, the white race in the south will never be dominated by the negro, and I want to tell you now that if some state should ever make an attempt to 'save South Carolina,' we will show them in their fanaticism that we will make it red before we made it black."

"God Almighty made the Caucasian or better day than the Mongolian or the African or any other race. The Ethiopian is a burden carrier. He has done absolutely nothing for history, nor has he ever achieved anything of great importance. There are no great men among the race. Yet this people have been picked out by the fanatics of the north and lifted up to the equality of citizenship and to the rights of suffrage. No doubt many of us have listened to the oratory of the greatest colored man of this country, Booker Washington. He had a white father, however, and out of his brains and his character, he has gotten his qualities from that father."

Senator Tillman then told his audience of the attacks on white women by negroes in the south, and declared that the people of the north were in a great measure responsible for this state of affairs. In conclusion, Senator Tillman said:

"Now, as a general illustration of the injustice that is sometimes done, President Roosevelt discharges three companies of colored soldiers, without a court-martial, and in doing this he punishes innocent men for the crime of a few. In doing so he transcended the authority of the law, and he ought to have done it."

THE PRESIDENT

A GOOD MIXER

On the Louisiana He Mingled Freely With Both Officers And Men.

HE HIGHLY COMMENDS THEM.

Does Not See How Any President or American Can Fail to be Interested in Navy.

Washington, Nov. 28.—President Roosevelt on his trip to and from Panama on the battleship Louisiana mingled freely with the officers and men, of whom he speaks in the highest commendation. He participated in the chief petty officer's mess and visited the branch of the Army and Navy union, which has an organization of about 50 members on the Louisiana, and whose meeting place was way down in the hold of the ship. As the ship was passing Hatteras on the way home, the president had the engineer department steam up, and for three hours the vessel made a run of 18 1/2 knots, which is half a knot in excess of the contract requirement.

On the homeward trip a vaudeville entertainment was given by the men in honor of the president and Mrs. Roosevelt. This took place during the early part of the voyage, and he held at night. The president and Mrs. Roosevelt and the officers of the ship were the guests of honor, and occupied the front seats, while the men were scattered around in the counting towers, on the bridge and other points of vantage. There was a program of 18 selections made up of songs, sketches, solos of various kinds and monologues. Sunday, as the vessel was nearing the Virginia capes, the president delivered a speech to the men assembled on board the vessel, in which he told them of what he had experienced and gave them some advice. His remarks were as follows:

"Captain, Officers and Enlisted Men of the Louisiana: I wish to thank you

Be Sure to Get What You Ask For.

HERE is a Reason—

Why the Good People of America buy Cascarets as Fast as the Clock Ticks.

Every second some one, somewhere, is buying a little Ten-Cent Box of Cascarets. 1, 2, 3, 4, 5, 6—60 times to the Minute. 60 Minutes to the Hour, 3600 Boxes an Hour, 36,000 Boxes a Day of Ten Hours, 1,080,000 Boxes a Month, and then some.

Think of it—220,000 People take a Cascarets tablet each day. Millions use Cascarets when necessary.

The Judgment of Millions of Bright Americans is Infallible. They have been Buying and Taking Cascarets at that rate for over Six Years.

Over Five Millions of Dollars have been Spent to make the merits of Cascarets known, and every cent of it would be lost, did not sound merit claim and hold the constant, continued friendship, Patronage and Endorsement of well-pleased people year after year.

There is also a Reason—

Why there are Parasites who attach themselves to the Healthy Body of Cascarets—Imitators, Counterfeiters, Substitutors.

They are Trade Thieves who would rob Cascarets of the "Good Will" of the people, and sneak unearned profits, earned and paid for by Cascarets.

A Dishonest Purpose means a Dishonest Product and a Disregard of the Purchaser's Health or Welfare.

Beware of the Slick Salesman and his ancient "Just as Good" story that common sense refutes.

Cascarets are made only by the Sterling Remedy Company, and put up in metal box with the "long-tailed C" on the cover. They are never sold in bulk.

Every tablet marked "CCC."

Be sure you get the genuine.

for as pleasant and interesting a trip as any president has ever had on land or sea, and a profitable trip, too. Not only I do not see how any president, but I do not see how any good American can fail to be very proud of the United States navy, can fail to do all that in him lies for the officers and men of that navy, in order that the navy itself may be in the role of a constantly increasing source of satisfaction as a formidable fighting machine. This is the third of our great ships on which I have spent some time, the other two being the West Virginia and the Missouri. I am very proud of the ship. I am even prouder of the men aboard the ships."

President Roosevelt warmly thanked and congratulated the engineering force for "letting out a little" during the homeward voyage, during which time the Louisiana exceeded her contract speed of 18 knots by from half to three-quarters of a knot.

The president continued: "One thing more, I take this chance to say, I have been astounded and mortified at the attitude of certain of our people ashore in declining to allow Uncle Sam's men when they have their uniforms on to state places of amusement. Outside of Washington I have no control over these places of amusement; in Washington I have, and any place of amusement to which admission is denied to reputable men who are behaving themselves and who wear the uniform of the army or the navy, will lose its license, if it is in my power to cause that loss, and I think it is."

"Now, in closing, one word, which I think is needless. I hope that every man here, officer and enlisted man alike, will remember that his profession is to defend the rights of all other men in the country not in the army or the navy, by putting on his shoulders a peculiar responsibility. You enlisted men, if you stay in the service 30 years, and have taken the advantage of your opportunities during that time can then, perhaps at the age of 50 or 55, retire on what is practically a pension of in the height of your life, and Uncle Sam has your interests at heart. You have from our people a measure of hope."

Can You Use Food When You Get It?

Thousands of Stomachs Starving Where Mouths are Well Fed. Costs Nothing to Relieve This Condition.

Eating is fast becoming too much a part of the daily routine, if not a mere tickling of the appetite—a thing to be gotten out of the way as quickly as possible. Little thought is given to "what kind of food," its effect upon the system, and whether it will be of use in building up the tissues of the body. Your stomach will revolt, if it is not already doing so. It must shut up for repairs. What of the dizziness, and sometimes pain, which stop you after a hurried lunch? What of the general distress after a heavy dinner, a feeling of pressure against the heart which calls a halt and makes the breathing difficult? Is it common for you to be oppressed with belching and sour eructations? Are you constipated and then do you laughingly toss a dime to the druggist for his most palatable relief? Beware of temporary cures that are but palliatives. Many antidotes for the common ills which our flesh is heir to seem at first to relieve, but in reality, if not injecting poison into the system, lay the foundation for a deeper-seated and more dangerous ailment.

Three-fourths of all diseases originate with a breaking-down of the digestion and nine-tenths of all digestive troubles originate with one or more of the symptoms named above.

Beware, then, of indigestion and Dyspepsia. If you find yourself aching, listless, lacking in ambition when you should be on the alert,

Do not doctor the stomach. It needs a rest from food and drugs. Do not flush out the bowels. It takes more than forcing food through the passageway to make blood and tissue and nerve.

Do not starve your stomach. Food is a thing to be worked for all there is in it, and your stomach will do the work if you will help it in Nature's way.

Stuart's Dyspepsia Tablets contain nothing but the natural elements which enter into the healthy stomach and intestines to perform the function of digestion. Governmental tests and the investigations and sworn oaths of expert chemists attest this fact. Stuart's Dyspepsia Tablets go to the source of the trouble and positively restore the glands and fluids of the mucous membrane to their proper condition. They promptly relieve the distress of all troubles originating in the stomach or bowels (with the one exception of cancer).

Stuart's Dyspepsia Tablets are recommended by physicians and all reliable pharmacists. May you suffer from indigestion or dyspepsia, try a 50-cent package today. At all druggists, or if you prefer send us your name and address and we will gladly send you a trial package by mail free.

and better and affection such as, right enough, is yielded to no others. Now, in return, remember that each of you is in honor bound so to fit himself to the place of peace that in time of war he and his comrades can render such an account of themselves as to turn a new page in the long honor roll of United States history. It will depend on how you have done your duty in time of peace whether or not, should war come, the nation will have cause to feel pride or to feel shame.

"Your effectiveness in war cannot be acquired after war has begun. Your effectiveness will then depend on the way in which you officers have learned to handle the ships by actual practice; it will depend on the way in which you enlisted men, under the officers, have learned to handle yourselves in the gun turret and engine room. The navy has made astounding advances in marksmanship during the last five years, and it has made it not only by developing the high quality of the individual man, but by developing the team play without which the individual man's prowess counts for nothing. It is a revelation to any man to see the work done by the gun crews, with the 12, 8, 7 and 6-inch guns; it is a revelation to any man to see how our people aloft are learning to work together so as to have in addition to the work of the gun pointers, a perfect system of fire control, just as the ships are learning to maneuver together at a speed and distance which 10 years ago would have given the captain's heart failure if they tried it."

"I congratulate you on your progress. Remember that the instant you become contented with it and think you have gone far enough and remain still, that very instant you will begin to go back; and I believe implicitly that you will go forward. In conclusion let me say how glad I am to be with you, how proud, as the chief executive of the American people, I am of you, and how heartily I believe in the character and quality of the officers and enlisted men of the American fleet. I greet you and thank you again."

New York, Nov. 28.—New York's new home of opera, the Manhattan Opera House, will open its doors next Monday night, when with an initial performance of Bellini's "Il Puritani," Oscar Hammerstein, will inaugurate his 2-week season of grand opera in French and Italian. The new opera house is situated on Thirty-fourth street near Eighth avenue. The style of architecture is modern French. The main auditorium rises from a base through a peristyle containing 40 proscenium boxes, supported by columns of heroic size, which also act as the supporting base for a semi-circle of loges and the two balconies above. The proscenium frame is surmounted by a mural painting 50 by 30 feet. In this mural painting, the singers of the opera in New York of recent years are represented in fitting costumes. Names as Alcazar, Sembrich, Bodini, Calve, Carman, Nordica, as Brunhilde; Edouard de Reszke, as Hagan; Scotti, as Don Juan; Plancon, as Mephistopheles; and Tulliani, as the son of grand opera in French and Italian.
