On the waters of all the streams and sloughs in Snake Val-ley, fat ducks of superior quality in-vite the hunter. Nowhere can the sportsman find a more delightful field when he once has reached this valley, but if he is not blessed with fortitude to endure hardship he had better go elsewhere, for the state ride from elsewhere, for the stare ride from Frisco is certainly one that will cause an individual not used to that kind of travel to grow weary, to say the least. Nowhere can be found a more hospit-able people than the inhabitants of Snake Valley. A visitor is impressed Snake Valley. The/Cardui story is being told every day to thousands of suffering women who fly to this great remedy for relief. Over 1,000,000 suffering women-women who have been invalids for years—women whom doctors could not relieve—women who had given up in despair have been cured by the simple vegetable emmenagogue, Wine of Cardui. From all over this country come letters from cured women, praising Wine of Cardui. There is no mystery about the relief. A \$1.00 bottle purchased from your druggist and taken privately at home will benefit the worst case of female troubles. Read what a few women say of Wine of Cardui. The truth is the only thing that can be corroborated by so many witnesses.
