Quarrel Over American Wheat Settled

Berlin, Feb. 5 .- The customs controyersy regarding the American wheat, which, it was claimed, contained a mixture of Canadian wheat, has been settled by the refunding of the extra duty. The committee of Hamburg and Berlin grain experts, who were called in by the customs authorities, reported that it was impossible to prove cases where Canadian wheat was mixed with American wheat. It is believed by the German shippers that the recent agree-German snippers during the American exchanges that Canadian wheat certificates must be marked "bohded" will remove all causes for disagreements in the future.

given an opportunity to speak and it is now up to the ommittee to report to the senate, favorably or otherwise. The discussin was begun by Marvin

but I have had no hand in it, in fact I knew nothing about it until it was Pack, an ex-patrolman of the police department. He said he presented himintroduced into the Legislature. But I think it is a good bill and should pass. self as a citizen interested in the wel-fare and the moral good of the city. He affirmed that he had served under three chiefs and during the terms of four mayors, and the experience he had had, led him to believe the passage of the bill would greatly injure the police the present law exists there will always department. In fact he denounced the be friction.' bill, declaring that such atuhority in the hands of the mayor would cause the men to carry out the former's wishthe men to carry out the former's wan-es though in doing so they might go counter to their duty. He thought the highest efficiency of the force could only be attained when the men feel that all on earth that is expected of them is to do their duty, and to feel that so long as they do it faithfully, their positions are secure. He declared that his ex-perience on the force had shown him that the men were afraid to do their duty; that they truckled; that the impression prevailed among them that if they were too zealous in some things they would endanger their positions. He stated frankly, that the word had often been passed among the men that the mayor did not care to have the laws enforced too strictly or certain things probed too deeply. Mr. Pack declared that he had reference to the glaring infractions of the law. He

glaring infractions of the law. He averred that the saloon men and the element that hovers around them, practically control the election of mayor in this city, and that if the word was passed around among the officers from the mayor that this element was not to be disturbed, they would obey the mayor rather than run the risk of losing their positions. Mr. Pack said in his opinion the greatest efficiency of the department was during the civil service reform period, when the de-partment was controlled by a commis-At that time the men felt they could go ahead and do their duty with-

out peril to their official heads. Mr. Pack ended his argument statement by expressing the opinion 1 ed upon.

I am not looking for any more author-ity, and I would therefore suggest to the committee that if you cannot report favorably on the bill, amend it so as put the entire authority into the hands of the council, for as long as

DITTO STANTON.

surrection against the Turks is expected in the early spring by nearly all writes who are following the course of events in the Balkans. Predictions Mayor Stanton, ex-chief of the fire department, argued in favor of the bill, of a similar nature have been made year after year, but never with equal and declared that its provisions were in force in some of the eastern cities, including Chicago, Detroit and Omaha. He declared the mayor had no authorconfidence since the preliminary stage of the last war between Russia and the Porte. The Turkish government clear-ly expects trouble and the Russian and ity or power here, that he was a mere figurehend. Senator Love interrupted him to an-Austrian governments also dread a

movement from Bulgaria, which they cannot control, since they cannot agree nounce that th mayor had as much au. thority now as at any time. This, Major Stanton denied. upon a joint policy.

GREAT, THINKS NYE.

City Atty. Nye then took the floor Seattle, Feb. 5.-In a rear-end col-lision between two Great Northern freight trains on Railroad avenue near the foot of Bell street this mornand made an extended argument in be-half of the bill. He said he was the author of the bill, upon his own insti-gation and that he alone was responsiing, Thomas Morris, engineer of switch engine No. 30, was killed, and Fireman ble for it. He declared that its provisions comprehended the system nunicipal government that is endorsed by the greatest authorities in the world. He said that ever since 1899 it had been impossible to tell who was responsible for the failure to enforce the laws, the mayor or the city council. But if the proposed bill is passed it would not be hard to place the responsibility where it belonged. He read elaborate excar ahead. tracts from the speeches and essays of eastern and Brittish authorities on municipal government, upholding the proposed system of controlling the fire and lice departments.

The committee will meet again this evening when it is believed an adverse report upon the measure will be decid-

WALLACE NAYLOR DEAD.

To His Injuries This Afternoon.

Wallace Naylor, the young man whose injuries at Price were detailed in last night's "News," died at the Holy Cross hospital shortly after 2 o'clock this afternoon. It will be recalled that Naylor was struck on the head with a hammer, the blow being administered by William Bondestel. It caused a vere fracture of the skull, and Nay-Jor's life has been despatred of ever since its infliction. The lad who com-mitted the assault is now in the Carbon county jail. It is likely he will be charged with the crime of murder.

WILSON'S RAILROAD BILL.

It is Withdrawn After Meeting With Vigorous Opposition.

The house railroad committee met in the joint building this morning to consider the Wilson railroad bill. There were present besides the committee a number of railroad men and prominent shippers, all of whom were opposed to such wild legislation as is provided for in the bill. Representative Wilson made a speech in favor of it and Messrs, Parley Williams, James Chip-man T. M. Schumacher, T. R. Cutler, Joseph Geoghegan, Simon Bamburget and S. B. Milner were heard in opposition. A short consultation was held afterward by the committee which resuited in Representative Wilson's with-drawal of the bill. He will probably introduce another shorter one, which will gaged at his work in the shoe depart- I not be so sweeping in its scope.
