FAMILY RECORDS.

WE ARE NOW PREPARED to receive orders for FAMILY RECORDS of an approved form.

Each book is divided into four orms.

The first form is that of a "FAMILY RECORD," with ruled and printed spaces for births, marriages, and deaths, in each family, also for names, dates, and places, one page acommodating one family.

The second form is a "CHURCH RECORD," with spaces for blessings, baptisms, confirmations, ordinations, endowments, and patriarchal blessings and various particulars of the same.

The third form is a "SEALING RECORD," with spaces for name of person sealed, birth, death, time, place, etc.

The fourth form is a "BAPTISM FOR THE DEAD RECORD,' with spaces for names, dates, birth death, baptism, confirmation, etc.

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

These Records are well printed and ruled on good ledger paper, substantially bound in full sheep, English roan, or Bock. We can furnish them of any size, from on to five quires, or larger, but probably five quires is as large as will be desired. We can also furnish the various forms in a record, proportioned to each other to order.

HIGHEST HONORS

AT THE
UNITED STATES
CentenniaL
World Exhibition,
1876.

MASON & HAMLIN CABINET ORGANS

Unanimously assigned the
"FIRST RANK
IN THE
"SEVERAL REQUISITES"
of such Instruments!

The MASON & HAMLIN ORGAN CO. have the honor to announce that the Organs of their manufacture have been unanimously assigned "the FIRST RANK in the SEVERAL REQUISITES of instruments of the class," at the CENTENNIAL EXHIBITION at Philadelphia, 1876, and are the ONLY INSTRUMENTS OF THIS GENERAL CLASS AWARDED THIS RANK. This is after the severest competition by the best makers, before one of the most competent juries ever assembled.

They have also received the MEDAL, but, as is well known, medals of equal merit have been awarded all articles deemed worthy of recognition; so that it will be easy for any manufacturer to advertise that they have received "first medals."

The differences in competing articles, and their comparative excellence, are recognized in the Reports of the Judges from which the following is an extract:—

"THE MASON & HAMLIN ORGAN CO.'S exhibit of Reed Organs and Harmoniums shows instruments of the FIRST RANK IN THE SEVERAL REQUISITES OF INSTRUMENTS OF THE CLASS, viz: Smoothness and equal distribution of tone; scope of expression, resources and singing quality, freedom and quickness in action of keys and bellows, with thoroughness of workmanship, combined with simplicity of action."

(Signed by all the Judges.)

The Mason and Hamlin Organs are thus declared to rank first, not in one or two respects only, but in the SEVERAL REQUISITES of such instruments, and they are the Only ones assigned this rank. This triumph was not unexpected, for the Mason & Hamlin Cabinet Organs have uniformly been awarded the highest honors in competitions in America, there having been scarcely six exceptions in hundreds of competitions. They now receive highest honors and

and have thus been awarded highest honors at

at which they have been exhibited; being the Only American Organs which have ever obtained Any Award at any competition with best European makers, or at any Universal World's Exposition!

NEW STYLES, including Organs with Mason & Hamlin's Patent Tone-Modifier, exhibited at the CENTENNIAL; elegant new cases in great variety. Prices very lowest consistent with best material and workmanship. Organs sold for cash on installments, or rented until rent pays. Second Organs borrowed to give relief method. Last Night's Dispatches.

EASTERN.

Patterson and Conover.

CHICAGO, 23.—The *Times'* Washington special says, the republicans have stomached their rage and are doing their best to win Patterson by relieving him from his South Carolina pressure. There was no objection to Patterson's presence in the republican caucas to-day. The republicans have had a delegation near him all day, while the democrats have let him alone. Conover has kept himself out of the way. He told a *Times'* representative to-night, that he was preparing a speech, defining his position. He expected to meet the combined assaults of Conkling and Edmunds in the Senate and wanted to be prepared. He did not wish to risk an extemporaneous encounter with them. This was his final plausible excuse for his vote on the adjournment.

A Denial.

The President said, to-day, upon reading the dispatch statiug that he would veto the silver bill: "I have authorized no such statement," and, on repeating his denial, he said: "I not only have not authorized it, but I have made no such statement, and I hope that is satisfactory." He evidently considered it gross impropriety to state, in advance, what he would do with this bill.

A Troublesome Indian.

FORT HALL INDIAN AGENCY, Boss' Fork, Idaho, Nov. 23.—Agent Danielson to-day arrested the Indian who shot two white men here last summer, and turned him over to the sheriff, who took him to malad. Shortly after, an Indian, a friend of the prisoner, went to the trader's store, where the Indian was delivered to the sheriff, and shot dead Alexander Rhoden, a man well known in the country. The agent has telegraphed for troops from Fort Hall to come and arrest the Indian and prevent further trouble.

Mob of "Moonshiners."

LOUISVILLE, 23. — Information has been obtained here that the deputy United States marshal, who has been engaged in arresting violators of the revenue law in Wayne County, has been baulked at every turn by masked men, who take his prisoners from jail by force, who capture and whip those who help him to make arrests and threaten them with death if they again help the marshal. They abuse the marshal and United States commissioner and attempt to drive them from the State. Many of the mob are "Moonshiners."

Smoking them Out.

DEADWOOD, D. T., 22.—The soldiers having surrounded the Keets mine, under the direction of Sheriff Bullock, and closed all the openings except the main shaft, the process of smoking the miners out by sulphur was resorted to and successfully carried out. The last of them came up at 10 o'clock last night.

Wool Market.

PHILADELPHIA, 23.—Wool is active and firmer, demand greatly improved, supply light. Colorado fine and medium 20 @ 25, coarse, for carpets, 16 @ 18, extra merino pulled, 35 @ 40, No. 1 and super pulled, 32 @ 36. Texas fine and medium 23 @ 28, coarse 15 @ 17. California fine and medium 25 @ 30, coarse 22 @ 26.

WESTERN.

A False Impression.

SAN FRANCISCO, 23.—The dispatch sent to Washington by the six Chinese companies of this city, tends to create a false impression as to the object of the workingmen's procession announced for the 29th inst. The demonstration will be under the auspices of the agitators who have recently been making incendiary addresses to meetings of working men, but they assert there is no intention of committing any breach of the peace, the object of the procession being simply to demonstrate the strength of the anti-Chinese movement. Ample precautions will be taken by the authorities to preserve order, but it is believed no trouble will occur, unless precipitated by accidental causes. The Chinese will undoubtedly remain within their quarters while the procession is on the march, to avoid any possibility of chance collisions.

PROCLAMATION BY THE GOVERNOR.

TERRITORY OF UTAH,
EXECUTIVE OFFICE.

Another autumnal season, with its abundant harvest, reminds us of the continuing goodness of Divine Providence, and places us under renewed obligations to Him who has so generously carried us through the vicissitudes of the year now drawing to a close.

The national custom of celebrating the gathering in of the annual crops, and of giving thanks to the Lord of the Harvest, is an ancient and beautiful practice, which teaches us gratitude, benevolence and hospitality, as well as to rely more fully on the promises of God.

I, therefore, in conformity to this usage, and in accordance with a proclamation of the President of the United States, designate, Thursday, the twenty-ninth day of November, A. D. 1877, to be observed throughout the Territory, as a day of public thanksgiving.

The people are requested to abstain from their secular avocations on that day, and to assemble in their accustomed places of worship, and there to engage in exercises appropriate to the occasion and acceptable to God, for His special care and protection over them during the year.

While we rejoice in the prosperity vouchsafed, and derive new courage for the future, let us not forget the needy poor in our midst, but endeavor to make the day appointed one of joy and thanksgiving to this class of our fellow-creatures as well as to ourselves.

In testimony whereof I have hereunto set my hand and caused the seal of the Territory to be affixed. Done at Salt Lake City, this thirteenth day of November, A.D. 1877, and of the Independence of the United States the one hundred and second.
