A dense fog, rendering an exotic religion, but should have it impessible to see the Scilly one indigenous to itself and thoroughly suited to the enlarged the captain Thomas, the eldest captain and liberalized nature of its repubin the Eagle Line, and an officer of very high-standing in the British service, is among the victims.

ROBBERS ABROAD .- By the folshoot a match with the famous Ulster team.

REVIVALISM IN ENGLAND AND AMERICA.

THE extraordinary revival movements and success of Moody and Sankey in England, Varley in that a concerted raid is being Sankey in England, Varley in America, and others in both hemis-pheres, cause considerable comment among intelligent people and in the press of both countries. Al-though no popular excitement is without its drawbacks and evils, in the interior, has stimulated the rase more dering and numerous than they have been for years. The California custom of submitting outstly to robbery in cases of this though no popular excitement is without its drawbacks and evils, yet in general terms it must be al-lowed that any such movement that has an attractive force in the direction of morality, or a restrain-ing force from the direction of fin-morality, cannot but be productive

ing force from the direction of im-morality, cannot but be productive of much good. Any movement that tends to morality, and to ani-mate the soul with high and un-selfish purposes, is so far worthy of commendation, for the tendency of

much of modern life is markedly and corrodingly and cankeringly toward selfishness and sordidness, and is characterized by great and brazen-faced unscrupulousness in By Telegraph. the means employed for self-ag-
