

ONE LEAPED TO HER DEATH.

PANIC-STRICKEN

A Sumber of Patients Injured-Long After Fire Was Out Some Were Rushing Around.

Indianapolis, Ind., April 17 .-- While the city fire department, reinforced by companies from the suburbs, was being taxed to its utmost fighting the occidental hotel fire this morning, an alarm was surned in from St. Vincent's hospital. When the first fire company arrived one life had been lost and sevetal were seriously injured in the panie that followed.

THE DEAD.

Harrist Leahy, jumped from the fourth floor and instantly killed. THE INJURED.

Miss Kate Beach, believed to be fatally injured by falling from third foor while trying to escape by means of a rope made of bedclothes. Superior Stella, seriously injured by shock following a surgical op-

the time of the fire was undergoing an operation. Henry Nichols, Connorsville, just op-

erated upon for appendicitls, ran down Several other nurses and attendants stairs. were more or less bruised in their enthought was instant death. For a time it seemed that the flames which started in a pile of rags under the east stairway, would find their way

the upper floors, resulting in a frightful holocaust, At every window on the third and fourth floors were crowds of panicstricken men and women screaming for help to those on the street below. The panic that raged on the third and fourth floors continued until long

after the fire had been extinguished. Patients who had just undergone sur-gical operations rushed from their beds the windows and attempted to throw themselves to the ground,

Harriet Leahy, an old employe of the hospital, leaped from a window on fourth floor and when picked up was dead.

In the rear, men and women were making ropes of bed clothing by which they escaped to the ground below. Kate Beach, less fortunate than the rest lost her hold and fell from the third floor, and is now in a critical

said he wished the empress were with dition from internal injuries sushim to share his pleasure.

An unusual number of surgical operations were performed in the hos-pital on Saturday, many of the patients, carried from their beds by the scuers, were in a critical condition and the physicians in charge fear that many fatalities may result. The pa-tients were carried to the male ward, which is on the firs, floor and was not seriously affected by the panic which raged in the upper floors. Improvised ots and mattresses were brought into use, and a general call for medical assistant sent throughout the city: Within a short time about a hundred physicians arrived and the patients ere cared for.

Harry Nichols, who underwent an op-eration for appendicitis a few hours before the outbreak of the fire, jumped from his bed and ran down four flights of stairs into the street. His condition is

James Dawson, an emaciated patient, worked heroically among the panic-stricken men and women in the third floor. One after another he pulled Berkeley, Cal., April 17 .- A masked man, displaying two revolvers, entered the saloon of Chris Warrent on the country road north of here tonight. In away from the windows those who were preparing to jump to the street below and piloted them through the smoke to places of safety on the first foor. After saving 27 nurses and pa-tients from possible injury in this maner, he lost consciousness and was car-

the saloon were Warren, Mrs. Warren and Frank Lewis. The stranger or-dered them to throw up their hands. The men obeyed but Mrs. Warren ran out the back door and went around to the front entrance, where the robber ried into the male ward where medical fired a shot at her, the bullet hitting attention was given him. For a time here in the right side, penetrating the It was thought that he could not un-dergo the terrible strain to which he had been subjected. In the criminal and succeeded in ejecting him, and the robber escaped. Mrs. Warren is and the robber escaped. Mrs. Warren is Owing to the fireproof construction : dangerously wounded.

alcoholism.

Some of the most stubborn diseases enter into the system through the pores of the skin. Like a sponge, it absorbs poisons of various kinds, which are taken up by the little bloodvessels beneath the surface of the body, and emptied into the great current of the blood. The juices of poison oak and other noxious

wild plants percolate through the skin like water through a sponge, are taken into the circulation, breaking out afresh each season, and lingering on for years unless antidoted and driven out of the system.

Dye Poisoning among the employes of dye houses, and from wearing colored under-clothing and hosiery, is of frequent occurrence and dangerous to health,
