THE DESERET EVENING NEWS. TRUTH AND LIBERTY TUESDAY, APRIL 2, 1901. SALT LAKE CITY, UTAH. HFTY-FIRST YEAR AGUINALDO SWEARS ALLEGIANCE. INTERNATIONAL SERIOUS TIMES AT SETTLEMENT. The Great Filipino Insurgent Leader Re-"I hereby renounce all allegiance to

nounces All Allegiance to Any and All So-Called Revolutionary Government in the Philippine Islands-Accepts Supreme Authority of United States-Chief Justice Arellano Was the Chief Instrument in Inducing Him to Accept the Situation-Will Not be Set at Liberty for Present at Least.

Washington, April 2. - Secretary | ing conditions in archipelago. He has just made public the relied almost entirely upon the instrucfollowing cablegram received at the tive advice of Chief Justice Arellano. As a result today he subscribed and sument this morning at 8 swore to the declaration on page 11, of

Yania April 2.--Adjutant General, my annual report. "MACARTHUR." Washington-Since arrival at Manila, Aguinaido has at Malacanan investigat. The oath referred to is as follows:

any and all so-called reverationary governments in the Philippin islands and recognize and accept the suprem authority of the United States of American therein. I do solemnly swear that I will bear true faith and allegiance to that government; that I will at all times conduct myself as a faithful and law-abiding citizen of the said islands, and will not, either directly of indirectly, hold correspondence with, or give intelligence to an enemy of the United States, nor will I abet, habor or Nogotiations Regarding the Manchuprotect such enemy: that I impose upchurian Agreement Continue-Chiin myscif these voluntary obligations na to Accept Russia's Conditions. vithout any mental reservations of purpose of evasion, so held me God."

Four astericks in the cablegram, mark a passage withheld from publication, about which the officials will say nothing now. WILL NOT BE SET AT LIBERTY.

Washington, April 2 .- Notwithstanding the taking of the oath by Aguinaldo he still will be held as a prisoner by

Gen. MacArthur. It is possible he may be granted more liberty of action but he will not be afforded complete freedom for the present. The action of Aguinaldo in taking the oath, it is believed at the war department, will have a far-reaching effect in the pacification of the Islands

Milionaire Rice, testified that Patrici with political cares, is undermining his asked him whether he did not think that health. Rice was living a little too long for the Rice was living a little too long for their purposes. "I said I thought so." said Jones, "and Patrick suggested that we put him out of the way. I suggested Dr. Curry but Patrick said Dr. Curry would not do anything of the kind." Jones said that then at Patrick's sug-gestion he procured chloroform and laudnum from his brother in Texas and deilycered it to Patrick Unofficial observers scarcely understand how a doubt can be entertained abroad that China will untimately accept the Russian conditions after it is apparent that no power is willing to forcibly support China. For, as it is urged, while Russia undoubtedly preand delivered it to Patrick. Jones said that he gave the poison to Patrick about three weeks before Rice's death. He also testified that Patrick was never introduced to Mr. Rice, that Rice never saw Patrick but once, and did not know him. fers to carry through her plans as made, her diplomatic position would suffer as little as her military position from China's refusal to accept what Russia regards as moderate conditions of withdrawal.

THE PLAGUE SITUATION.

Ten Cases Officially Reported in San Francisco

nich to the Lokal Anzeiger says Count Washington, April 2 .- The plague sitvon Buelow was met last evening in uation at San Francisco is summarized Bozen by the German ambassador to in a statement, published in this week's Vienna, Prince von Eulenburg, and to-day they will proceed together for Ven-ice, where he will meet Senor Zan-ardella, the Italian premier, issue of the health reports of the marine hospital service which is fust out. The statement is brief and the facts given in it are taken from the long-awaited

report of the committee of experts which made a special investigation. This statement shows there have been

VERY TIGHT TODAY Anderson Bros., while Not Hostile to Trades Union, Take Independent Ground and Employ Only Non-Union Men.

NUMBER 113.

Union and non-union lines were the new ones are all good and will resharply and distinctly drawn at the main with us as long as we need them. corner of First South and Tenth East Our old workmen left with great restreets today on the eight new resi-dences being erected at this point by streets today on the eight new restthe Anderson Brothers. This firm comting \$1 a day for eight hours' work and that he had put several thousand dol-lars into the bank under such condiprised the most difficult snag that the Trades unlon encountered yesterday tions while working for us and naturalwhen it inaugurated its rule prohibitly he did not take kindly to the proposition of being thrown out of work in or-der to comply with a rule which he ing union men from working on buildings where non-union men were embelieved the union had no right to en-For years the Anderson Bros. have

been engaged in building handsome homes in this city. They have shown no difference between union and nonunion labor. The only standard they without interruption for seven years. They have worked under union timeeight hours a day, and have received union wages-\$4 per day. When the Building Trades council recently promulgated its order that on and after April 1st the new rule of prohibiting union men from working with nonmion men there was considerable dis-satisfaction and not a little unfavorable comment by the former; but yesterday they did not obey the order. They did so today, however, because they were required to do so. They had been ordered by the union to guit work for the reason that the Messrs. Andersons re-fused to discharge their non-union men; so quit they did but under protest. union delegation was present when they that he must never show his face here went out. In fact he made his appear- again; that if he did we would have went out. In fact he made his appear-ance before and asked Mr. Anderson ance before and asked Mr. Anderson whether his firm had decided to "come in" and discharge the non-union men the supposed that we will permit the seeds of dissatisfaction to be sown in in" and discharge the non-union men in their employ.

ployed.

"Not by a -- sight.' The delegate then went around the various buildings and said to the union men: "Well, boys, it is no use; you will have to come off.

The men laid down their tools very reluctantly and did not hesitate to express their disapprobation of the union's order. A hurried consultation was held, and one of their number was instructed to come down town and con-East fer with the executive board and see if they would not be permitted to return to work. They asked until 11 o'clock

It is understood that the man who so reluctantly left the employ of the Anderson Bros today will lay their case before 'e executive board of the he executive board of the ding Trade's (

Continuing, the Messrs. Anderson said: "We are what is termed 'originals' in the building line, and let contracts some of our workmen, who are entitled to employ whoever they can get as long as they get competent heip. They have told us that they will stand have asked has been efficiency. Some by us-that they lived before unions of their men have worked for them continue to live after the unions are gone. No, we anticipate no further trouble, at least for the present. We have been considerably annoyed and somewhat hampered by what has already taken place. Notwithstanding the fact that Building Trades Council gave notices that its new order should not take effect until April 1st a delegate came up here on to our ground and tried to influence our men to strike then and there-chat is, the union part of them. This teliow was told that it would hardly be the right thing to do, but he assured them that the union would find work for them, and that it was their duty to quit, and that we could go to h-1. Naturally, we feel that we have a grievance. When this union delegate came around again today we told him

the munds of our workmen without ob jection on our part. The man said he would not come back and we don't think he will."

Just as soon as the Anderson firm gcts through building the eight houses now under way at the corner of First South and Tenth East, it will begin the erection of an eight house terrace at the corner of Second South and Eighth

FILIPINO ARMY.

She Spends a Day and a Half in the City of St. Louis.

fills People to Look Out for Her

When She Gets from Under Kansas Bonds.

St. Louis, April 2 .- Mrs. Carrie Nation of Kansas spent another hour and a half in St. Louis today, and left in disgust at the things she saw and the treatment she received, These things will be different some

day," she declared, "Look out for me after I get out from under bond in Kansas. I'll close these hell holes if I have to come back and smash every one of them " She arrived from Indianapolis over

the Big Four this morning and left hter for Kansas City over the Wabash. Ste aid she was going home to attend to the cases that are pending there against here against her. She says she will never are for money any more as she did in Cincinnati. The lectures did not pay, and she says she is glad they did and adds, "I'll keep on talking a working. May be I'll smash. I and working. But I won't go on the lecture platform. No, no; I don't like

Mrs. Nation's first act on arriving in the city was to knock a cigar from the mouth of a man who permitted smoke | to blow in her face. Her last act, as the was boarding her train, was to give an American beauty rese to a man named Englehart from Chicago, had two blackened eyes. She told him ould pray for him that he might lead a better life.

ween the cigar and the rose incients Mrs. Nation ate a breakfast of olls sausage and coffee in the second lass waiting room, visited two Market met scions, engaged in heated argu-ments with the bartenders and was ly forced from the "Nation saloon," ch she visited on her previous pas age through St. Louis, at the point of a logded revolver in the hands of the opnetor, Joseph Sauerburger. Mrs. Nation started on her saloon

and the only one companion. After visiting the place of J. W. aup the went to the "Nation saloon" at sixteenth and Market streets, where she visited a week ago. The doors were unlocked and she walked in,

town that packed the valoon gath. ered about Mrs. Nation wien she beran to talk of Joseph Sauer curger, who grew excited and began to argue an-"I don't believe any lady would do as

Fraicisco officially in the public health reports since March 6, 1900, thirty-two MRS. NATION DISCUSTED. | deal happier than you are with your husband, Answer me, don't you think "But you're ruining other families, replied Mrs. Nation, shaking her fists in Sauerburger a face. "No, I'm nat," he replied. "I don't in-

vite anybody in here. I did not ask this crowd to come. Some women in the throng about Mrs. Nation yened, "Yes, you do. You ruin hundreds of families.

The crowd cheered and Sauerburger became more excited than ever. He grabbed a seitzer bottle and shook it in Mrs. Nation's face. She did not move. He drew his revolver and told her to leave or he would shoot her and some. body else, too. She made her way to the street and made a speech to the

"This is St. Louis," she declared. This is the kind of a city you've got. I must come back and clean these place, out. I can smash if I can't do anything else. The women of this city will help me, I.know."

THE PATRICK TRIAL.

Valet Jones Gives Some Very Damaging Evidence Against Him.

ground New York, April 2 .- When Albert T. Patrick was brought into Justice Jerome's court for a preliminary hearing on the charge that he caused the death of William M. Rice, of Texas, David L. Short and Morris Meyers, the witnesses hospital for suspects, detention houses and morgue. The general disinfection to Rice's will, who are held (on charge of forgery, were brought in with "Subsequent telegrams show that the work is being organized.

Mrs. Anna Francis was recalled to the witness stand. She testified that she had never written any letter for "The disease has been confined almost exclusively to the Chinese and an ex-amination of the mortuary records of the latter for the last four years show Patrick. She wrote a letter concerni the Rice will matter to J. M. Coleman, of Houston, Texas, but it was not at Patrick's request. Patrick had never that there has been no time during that told her he was Rice's confidentia friend and attorney. Assistant District Attorney Osborne asked what medi-"The prevailing type so far as known is of the bubonic form which according to M. DeBruin is of a mildly contagious ines Patrick had taken last year and the witness replied that she knew had taken iron and calomel pills and

medicine for malaria, the conclusion of Mrs. Francis' At testimony, the assistant district attor ney obtained a subpoena for Patrick's medicine chest, which Mrs. Francis

said was at her house. Charles F. Jones, Rice's valet, was then called. He said he had worked as storekeeper at the Capitol house, Hous-Texas, owned by Mr. Rice. He said he had met Rice in 1896 and that he had been Mr. Rice's secretary, valet and general utility man. Mr. Rice, he said, moved to New York, in Sentember, 1897. Witness said he first met Patrick in

Novermber, 1899. Patrick represented himself as a commercial man from Tex. as and wanted to see Mr. Rice. Mr. Rice was in bed at the time, and Patrick

introduced himself as Mr. Smith. Mr. Patrick at that time, Jones said, had a long talk with witness. He asked whether Rice had a legal representative in this city and showed himself inquisi-tive about the affairs of the old million-Tou are doing," he shouled.
