No Ore to be Sent Out From Schwab Bullfrog Mines at Present.

Charles M. Schwab has completed the investigation of his mining interests at Bullfrog, Nevada, and has de-parted from that camp after making the announcement he proposes to launch one of the biggest mining en-terprises in Nevada through the merger of the Montgomery-Shoshone, Po-laris and Crystal mines. The plans mapped out to build a large mill will be carried out forthwith, but no ore after the completion of the branch line of the San Pedro, Los Angeles & Salt Lake railroad from Los Vegas.

The market steadled and became quieter at noon. Bonds were easier at noon. Another wave of hquidation swept over the market shortly before lo'clock, which wiped out the midday rally and drove sof the noon. Reading was the chief sur-forer and the enormous selling of the stock effectually checked all attempts of speculation elsewhere. Reading sold at 1269, a loss of 8%. Sloss-Sheffield Steel droped 5%, Smelting 4. The market hardened slowly during the greater part of the day between 1 and 3 vubstantial outside of Reading and Amal-gamated Copper. Determined efforts were not entire market receded. Anaconda slumped 16%, Great Northern preferred, Northern Pacific, Amalgamated Copper and Locomotive 4 to 4% and Puliman 3%, The support which Amalgamated Copper received at 100 caused some hurride cov-ering elsewhere, and there were some rallies of a point or more.
