LOCAL AND OTHER MATTERS.

THEATRE.—"The Poor of New York" was well played last night to a moderately good house. At the close of the piece Mr. Carter was called before the curtain, and in reply to calls for a speech said, he was no speech-maker at any time, and especially on such occasions as that, but, in a somewhat lengthy speech, he referred to the engagement of himself and wife, at the Salt Lake Theatre, his own sickness while here, the opinion of the critics as to his acting, said it was impossible for any actor to please everybody, thought, as he had received applause when and where he had expected it in the various pieces he had played, he had pleased the majority of those who had witnessed his performances, thanked the audience for their patronage, and hoped to appear before a Salt Lake audience at some future day with his own health fully re-established, and when matters generally would be more favorable with him than they had been during his present sojourn here.

The comedietta of "The Jealous Wife" caused heaps of fun.

To-night the melodrama of "A Hand at Cards" will be repeated, and will be followed by the laughable farce of "A Pleasant Neighbor."

FINE.—Two more beautiful days than yesterday and Thanksgiving-day could hardly be. Of this morning we can not speak quite so enthusiastically, for the sun has been more chary of his rays and the storms have seemed not so far off.

MEETINGS AT THE TABERNACLE to-morrow at eleven a.m. and two p.m.

THIRTEENTH WARD ASSEMBLY ROOMS.—Elder Orson Pratt is engaged by Bishop E. D. Woolley, of the 13th Ward, to address the congregation at the Assembly Rooms of that Ward, at 6 o'clock to-morrow (Sunday) evening.

MORGAN COLLEGE JOURNAL, for Dec. 1, is before us; it is neat and sprightly, and is filled with many matters interesting to all concerned in education.

PER DESERET TELEGRAPH LINE.—The following were received this morning:

PARIS, Rich Co., U.T., Dec. 1, 1871.

Kimball, Judd and families have gotinto Round Valley safe, no particulars.

PIOCHE, Dec. 1.

The weather is cold and clear. Stores of stone, fire-proof and frame, saloons, boarding-houses and mining companies' offices, three hundred in all, are going up with a rush. Carpenters' hammers have been the constant hum for the last five weeks. A large amount of goods and wines and liquors from San Francisco via Toano and thence by prairie schooners have been received here daily. Feisenthal and Sons and Frank Wheeler & Co. are hurrying to completion two large stone-proof stores, which have cost largely, mechanical labor and material being very high. There are large shipments of bullion per Gilmer and Salisbury's coaches. The roads are still dry and dusty for miles north and east. Butter, eggs and vegetables are very scarce; oats and barley are in good demand. Flour, Utah, eight to ten dollars, California, twelve to fifteen per cwt. There has been no shooting or pugilistic exercises this week. The saloons are well patronized.

BEAR LAKE—Mail Service Stopped.

PARIS, Dec. 2.—Our semi-weekly mail has stopped. The particulars are as follows: Samuel Howe, of Corinne, contractor, has not paid the carrier for the last six months. The carrier has been forced to sell his milk cows to pay the men hired to help him carry the mail, and for want of funds long since due, has been obliged to discontinue the service. Howe went to Washington a month ago, to get money, with papers all correct, and no doubt got it. The special mail agent should understand that 3,000 people in Bear Lake Valley are subject to the inconvenience of no mail, through the whim, neglect, or studied dishonesty of some contractor. Unless something is done immediately, the Postmaster here will put on service, as authorized by the Government in case of failures, which *may touch pockets* worse than paying *debts*. If contractors would pay their debts according to agreement, the people would not suffer such imposition.

LOGAN—The Coldest Spell Known.

LOGAN, Dec. 2.—On Wednesday, the thermometer stood at fourteen degress below zero, and on Thursday, at twenty degrees below, the coldest day in the memory of the oldest inhabitant. The weather moderated yesterday and to-day. It was so cold last Thursday as to be dangerous to travel when the sun was not out.

J. NICHOLSON.

LITTLE COTTONWOOD.—Stormy.—Mrs. Morrison.

ALTA CITY, Dec. 2.—We are having another storm, wind blowing very hard and snowing a little. Teams here deliver freight which started from there two weeks ago. The Emma, Flagstaff, South Star, Wellington, and some others are shipping ore to the mouth of the Kanyon. The roads are getting much better.

The sum of 170 dollars has been subscribed by the people here for Mrs. Morrison, who left here this morning, in company with some other ladies, for Salt Lake city. While passing the fatal slide wherein her husband now lies, her eyes were riveted with a wild stare, not noticing the persuasion of those present to check her. It was said to be heartrending. Great sympathy is felt for her in her bereavement.

A FREE LECTURE.—On the evening of Monday next, a public lecture will be delivered in the 11th Ward School House; subject: Iconology and chemistry. Admission free. The lecture will commence at half-past 7 o'clock.

HO FOR EDUCATION!—The 17th Ward School House will be opened as a day school on Monday next, where the rudiments of a good English education may be acquired; terms three dollars per quarter. Classes will also be held on the evenings of Tuesday, Wednesday and Thursday of each week, from 7 till 9 o'clock, terms one dollar per month. The school-houses of the 9th and 11th Wards will also be opened for a similar purpose. Evening tuition in the 11th Ward Monday, Tuesday and Wednesday; in the 9th Ward Wednesday, Thursday and Friday. Terms same as above. Principal Mr. Paul Harrigan, who will be aided by an efficient staff of assistants.

NEW MUSIC.—Just received from Balmer & Weber, music publishers, 205 North Fifth Street, St. Louis, the following new songs, with music: "Kiss Me Darling ere I die;" "Tossing up the Hay;" "Birdie May;" "If ever I cease to Love;" "I whispered I'd something Sweet to Tell."

OGDEN JUNCTION ITEMS.—Tin is looking up. The basement of the new Court House is finished. Mayor Mason, of Chicago, acknowledges $604.65, contribution from Ogden to Chicago Relief Fund. Elder D. Candland is expected to preach in the Ogden Tabernacle to-morrow morning. The U. C. R. R. Company are making a good, solid sidewalk leading to the depot.

PRINCE ALEXIS.—If you want a finely executed portrait of the Russian Prince Alexis, purchase *Leslie's Illustrated Newspaper*, of to-day's date; there is one presented with each number.

PENNSYLVANIA.—Elder J. W. Cummings writes from Philadelphia, Nov. 25—

"I recently become acquainted with a gentleman who lives in the interior of this State, who manifested much anxiety to become acquainted with our doctrines. He had read the newspaper reports and wished to learn the other side also. I had several lengthy conversations with him in this city and he wished to obtain some pamphlets setting forth our doctrine. He is a man of education, largely connected with manufacturing interests of various kinds, a man of means and influence, and seems to desire to give our doctrines a fair and impartial investigation.

"Prejudice is yielding and public opinion is turning in our favor in the east, that is, among the thinking portion of the people, and there are many that would like to learn more about us and from a reliable source.

"Persecution has the same effect now upon us as formerly, and the hellish crusade that has recently been inaugurated against us will have the effect to raise us up another flight of steps, and make 'Mormonism' more conspicuous than ever before. What a fool the Devil is! The most effectual way to accomplish his ends would be to let us alone.

"The Lord has His way of working and will use all kinds of means to accomplish His ends."

140,000
SINGER SEWING MACHINES
WERE SOLD WITHIN THE PAST YEAR.—*Scientific American*, June 10, 1871.
The Singer Manufacturing Company,
AT THE WORLD'S FAIR
—Constituted by the homes of the people—
Received the Great Award of the Highest Sales and have left all rivals far behind them, for they
Sold in 1870 127,833 Machines!
SEWING MACHINE SALES FOR 1870.
"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (to which any one can have access) of the manufacturers for the year 1870 to the owners of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1870 is as follows:

The Singer	**127,833**	Florence	11,600
Wheeler & Wilson	83,236	Gold Medal	9,912
Howe	75,156	Ætna	5,806
Grover & Baker	57,402	Empire	3,560
Wood	35,002	Finkle & Lyon	2,420
Wilcox & Gibbs	28,890	Parham	1,760
American Button hole & Overseaming	14,573	Wilson	500

And several other companies who sold a few Machines.

It will be seen by this table that the popularity of the **Singer Machine far exceeds that of all others**, their sale being **one-half greater** than even that of the famous "Wheeler & Wilson" machine. This is owing to the fact that the **Singer Company** have **lately** commenced making, besides their old and well-established manufacturing machine, what is known as their "**New Family Machine**," which is **selling at the rate of nine to one better than their old style.**" Their total sales for 1869 were 85,781 machines against the 127,833 of 1870, **showing an increase of one-half in the latter year.**"—*New York Sun.*

One-half of our Gigantic Sales, now nearly
THREE-QUARTERS OF A MILLION
Machines Sold,
AND ALL IN PRACTICAL USE, WERE MADE WITHIN THE PAST THREE YEARS
But the greatest increase of our Sales over all other Machines, being within the past year This is incontestible proof that
Our Machines are the Best in the World!
The New Family Singer Sewing Machine,
With Attachments for All Kinds of Work,
Is fast winning supreme favor in the household, as shown by this rapidly increasing sales, over all other machines.
This New Family Machine is now capable of a range and variety of work such as was only recently thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easily operated, speedy, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the **interlocked elastic stitch**, alike on both sides of the fabric sewn; the only stitch which is universally approved, or is at all adaptable to first-class work. Thus, leather cloth, or leather may be sewn with great strength and uniformity of stitch, and, in a moment, this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the tucking of farlatan, or ruffling, or almost any other work—even by a child—which delicate fingers have been known to perform. Even the careless and thoughtless have little or no trouble on this machine.
Send for Descriptive and Price Circulars.
We manufacture our own needles, silk and twist; furnish linen and cotton thread and oil—all of superior quality—but which can be relied on only when obtained through our Principal or Branch Offices, or Agencies.

A GREAT MEDICAL DISCOVERY!
MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF
J. WALKER'S VINEGAR BITTERS
Which are a true Medicine, made from the Native Roots and Herbs of California, free **from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER** and **A LIFEGIVING PRINCIPLE**, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.
They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.
FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.
For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood**, which is generally produced by derangement of the Digestive Organs.
DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.
They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
