HIRVER'S REPORT. He Has Ruck To Say About Bar-road a's Harder. Waintstorox, Sept. 22. – The official report of Minister Minner, together with all the stiending facts-concerning the shooting of General Harrindia co board the Pacific Mail steamort Accurator, will be sent hat the House of Representatives either today or tomorrow. Minister Minner axys in its report that sever-it official depositions are lacking and he has made applications for them to the Guatemain Govern-nent and expected to farward them to the United States in the Living-stan mail which jeft Guatemaia on September find. I am athe to send a prot in advance of the efficial put-cation. Minner tells the story of Barcabeose to Miniling wood and tor ing the rest of the freight cars in the ditch. The passenger engl was badly damaged and the begin areplintered. Engineer Kalser was severe wounded. The wooder was that was not killed. The freeman was allowed by One man Dat How. was not stilled. The dreisen was hadly scaled. One man, Pat Royle, living at the mouth of Bolise civer, was killed. He was in the calosse of the treight from and was found in the wreck, houring manufal. The lody was taken to Nampa for in-quest. All the passingers were severely abaken up. was not kil port in advance of the official pub-lication. Minner tells the story of Bar-ramidix's attempt to raise a force in Mexice against Guatemais, his im-prisonment and release under a promise to leave the country. He continues with the story of the first attempt to take Barrundia at Cham-perice, which failed because Cap-lain Fitts of the Acapusto reduced to give him up. After this a letter wascent to the Guatemais Minister of Foreign Affairs, Shenor Francisco Angelismo, to the United States Minister, resporting the reducal of Captain 1765 to deliver up flat-rundia while in Competies, and asking Minister Minner to di-rest Fitts ogive up his passenger

BIRNER'S REPORT.

yues. All the passengers were severedly shoken up. Frank Coffin, the republican nom ince for State treasurer, was of board the passenger on his way is folder City. Both fireman and en-gineer remained at their post. En-gineer Kaise, though severely have a state of the severely have a state of the severel provide the severely have a severely have a state of the severely have a state of the severel have a state of the state of the catheore and the state was could a state of the state of the catheore and the state was could be above and a curre and he could not see the freight. An extension from Boise to Califwell to attend the re-publican rally and latend to re-publican rally and latend to rereach be seen and be seen and be seen and be seen and see th Joss, Midner tent no immediate write a reply to this letter, but called wu the Guatemalan minister of

the grat

pun the Gastemalan minister of irreign affairs at the government aloce, and had a lung interview with that official.
