EDITOR AND PUBLISHER.

## LOCAL AND OTHER MATTERS.

**HIGH COUNCIL.**—The members of the High Council are requested to meet at the Seventies Hall on Monday morning at 10 o'clock. d2t.

**THEATRICAL.**—As was expected there was a very large house last night at Mr. Cannon's benefit. In the "Avenger" Mr. McKenzie played excellently, giving a stirring and vigorous impersonation of Strindberg. Mr. Wilson's Alleana was also very good. We were disappointed in Kate Denin's Stella, which lacked life; and we can not help noting that this lady has not played during the week with her accustomed ability and care. The other parts were respectively rendered. Mrs. Careless sang the "Sabre Song" exquisitely, her full, clear, powerful voice doing justice to the beautiful music. She was heartily cheered, and rendered "She's fooling them" most charmingly. Mr. Harris received a warm encore for his Dutch song and characteristic dance. "The Serious Family" was capitally played, although it dragged slightly in the opening scene. Mr. Cannon, Kate Denin, Mr. Wilson, Messdames De Bar, Woodmansee, A. Clawson, Miss Platt, Mr. Graham and Mr. McIntosh acquitting themselves admirably, especially in the second and third acts.

To-night is the closing performance of the season, when "The Avenger," the Moor of Sicily, will be repeated, followed by the sparkling little comedy "The Rose of Aunions."

**SESSION CLOSED.**—The Nineteenth session of the Legislative Assembly closed this morning about 4 o'clock. Without referring to the business of the session at length, we have no hesitation in characterizing it as one of the most important that has been held in this Territory, in the measures that have been passed and approved.

**COMMITTED FOR TRIAL.**—Edward Artee, Thomas Hill and George Belford, the three soldiers who were arrested night before last, were brought up this morning on the charge of assault with deadly weapons with intent to kill. The evidence did not tend to incriminate Belford and he was discharged. But it was very plain that the other two had been guilty of a gross outrage and deadly assault, and they were held for trial at the next regular term of the Probate Court, in \$500 bonds each. The security not being forthcoming, they were remanded to prison.

**STAMPING DEEDS TO CITY LOTS.**—Through the courtesy of P. J. Hollister, Esq., U. S. Collector of Internal Revenue, we are favored with the following copy of a letter from him to John B. Milner, Esq., U. S. Deputy Collector, Provo City, dated, Feb. 18th:

"Sir:—In reply to your letter of the 2nd, deeds to city lots, made by the Mayor or County Judge in discharge of his official duty, are exempt from stamp tax, by section 154, Revenue Law Compiler."

**A PETITION TO PRES. GRANT.**—It is said that six hundred ladies of Wyoming Territory have petitioned President Grant to remove Secretary Lee, of that Territory, for immorality and intemperance.

**INFORMATION WANTED.**—If Mary Nelson, the wife of Aaron Nelson, who presided over the Derby Conference, England, in 1858, will communicate with Mrs. J. Willmot, at Bro. J. McGraw's, Ogden City, she will learn of something greatly to her advantage.

**PURE SALT.**—Hon. S. Pitchforth, of Nephi, Juab County, presented us to-day, on behalf of the manufacturers, Messrs. Salisbury, Warner & Co., of Nephi, a very fine specimen of table salt, made from a spring, coming from a rock near Nephi. This salt is declared to be free from any mineral mixture, and to be perfectly pure. The manufacturers can furnish it in Salt Lake City, at prices to suit the times.

**THE URSO CONCERT.**—The approaching concert in San Francisco, under the direction of the famous violinist Camille Urso, promises to be a grand affair. Fifteen thousand dollars' worth of tickets had been sold some days since. The concert is for the benefit of the Mercantile Library. The monster drum to be used on the occasion is eight feet and three inches in diameter, three feet six inches in length and weighs one hundred pounds. It takes two hundred and ten feet of cordage to tighten the instrument and has sixty-two ears. The shell of the drum is made of galvanized iron, while the bands, or hoops, are of California laurel. The drum and the cymbal to beat it with—the latter four feet long, required twenty-one sheep and two calves to cover them with.

**INDECENCY ON THE SAN FRANCISCO STAGE.**—The San Francisco Bulletin of the 15th inst., speaking of an entertainment at Maguire's Opera House, the evening previous, says:

"The performances at the Opera House are rapidly approximating the melo-dion standard. The can-can in its lewdest form was boldly introduced in the extravaganza of The Slave of Love last evening. La Sangalli and her sisters threw off everything like the appearance of decency, and stood confessed before the audience 'naked and not ashamed.' What the style of performance was at the Bella Union and Pacific Melodion may be, we know not; but if they are much worse than we saw last night, they must be low indeed."

**DEATH OF "BUFFALO BILL."**—The Omaha Herald of the 15th inst. says:

"This man, who has of late been so much talked about in the papers, has been known for years on the plains as a guide and scout of acknowledged ability, but of late his disposition and natural depravity have turned him into a desperado. Last Thursday morning he went into the eating-house at North Platte, flourishing a large revolver, and called for his breakfast, and when served he amused himself with battering his cakes and throwing them against the wall. He was then drunk, and had been on a spree several days. On getting on board the cars he flourished his revolver, frightening the passengers, and finally breaking one of the windows of the car with it. His next move was into the baggage car, where he struck the news-boy with his revolver, and received a powerful blow in return from a Californian. He then retreated from that car, and meeting one of the colored porters, hit him a blow with his

pistol, knocking him senseless and cutting a deep gash in his head. But this class of men finally meet their fate, in almost every case with their boots on, and yesterday we learned from O. W. Cannon, news-boy who came in on the train, that 'Buffalo Bill's' wild career had come to a violent end, and that he had been shot and killed at McPherson.

**A CLINCHER FOR WOMAN'S RIGHTS.**—At a meeting for woman's rights, held long ago in Ohio, the minister of the parish argued on the negative side of the question. Sojourner Truth is reported to have made the following novel but clinching reply in his favor:

"Don't dat little man in black dar, he say woman can't have no much right as man 'cause Christ waz'n't a woman. Whar did your Christ come from?' Rolling thunder could not have stilled that crowd as did those deep wonderful tones, as she stood there with outstretched arms and eyes of fire, keeping her voice still louder, she repeated: 'Whar did your Christ come from? From God and woman! Man had nothin' to do wid him.'"

The following Joint Resolutions were passed at the Nineteenth Annual Session of the Legislative Assembly of Utah Territory:

**JOINT RESOLUTION OF RESPECT TO THE MEMORY OF GENERAL CHAUNCEY WALKER WEST.**

Your committee respectfully submit the following as a tribute of respect to the memory of General Chauncey Walker West, an ex-member of the House of Representatives of the Legislative Assembly:

General West was from his youth engaged in a life of activity, industry, energy and usefulness for the benefit of his race. He was the son of Alvin and Sally West, and was born in Erie county, Pennsylvania, on the 10th of February, 1827. In his childhood his parents removed to the State of New York; and in 1841 he accompanied them when they removed to Nauvoo, Illinois. Though young his efficiency had become already marked, and he assisted in starting the first company for the West when we removed from Nauvoo.

In May, 1846, he married Mary, daughter of Bishop A. Hoagland, now of Salt Lake City.

In June, 1847, he started for the Far West, in Elder John Taylor's company, and arrived in Salt Lake Valley, in October of the same year, when this country was a sterile wilderness.

He was one of the first settlers in Provo, Utah County.

In December, 1849, he went in company with Elder Parley P. Pratt, on an expedition to explore the southern portion of this Territory.

On the 29th of May, 1856, he removed to Ogden City, Weber county; and in the same year he was elected to the House of Representatives, from that county, and was one of its most efficient members, generally being on the committee of judiciary. He continued in that office until the year 1869, with the exception of the year 1863, when he was in Europe.

On the 18th of July, 1857, he received his commission from His Excellency, Governor Brigham Young, as Colonel of the fifth regiment of infantry, and on the second of March, 1858, as a Brigadier General of the Nauvoo Legion.

He occupied the position of prosecuting attorney, and was also probate judge (for one term) of Weber county. In a religious capacity, he acted as presiding bishop of Weber county, from the fall of 1856. He also visited, as a missionary, England, France and Germany, in Europe; Hindostan and other nations in Asia.

His pathway has been marked by kindness and generosity. He was a true patriot, a wise counselor, a high-minded gentleman, a good husband, a tender father, a true friend and a benefactor of the human race.

He was a true and faithful Latter-day Saint, and his county and the community have, in his death, truly lost a man of great worth, and the poor a large-souled benefactor.

Hoping to recover his health, which had been declining for some time, he went to the State of California, and there, on the 9th of January, his spirit passed to the place reserved for the faithful. He was interred at Ogden City, January 16th, 1870; and his funeral was attended by a large concourse of devoted friends who mourn his loss.

We sincerely sympathize with his amiable and bereaved family in this dispensation of Divine Providence, which has deprived them of the guardianship of a loving, sympathetic husband and father.

Joint Resolution of Respect to the memory of the late Ezra Taft Benson.

We respectfully submit the following as a tribute of respect to the memory of the late Ezra Taft Benson, member elect of the counties of Cache and Rich to the Council of this session of the Legislative Assembly.

His name is recorded in bright and imperishable characters among that noble and valiant band of Pioneers, who, leaving the boundaries of civilization, in 1847 commenced their long and wearisome journey, traveling the trackless desert and sage plains, to seek a location in these, then, mountain wilds, as a home for a virtuous and loyal, though exiled, persecuted and homeless people.

As a citizen of this Territory he occupied many distinguished positions of important trust, and always discharged his high functions with strict integrity, unwavering fidelity and with great force and ability. On the establishment of the provisional government of the State of Deseret he was elected a member to that body, to represent the interests of the citizens of Salt Lake County. Upon the change of the State of Deseret into a Territorial Government, by the Congress of the United States, as a member of the Legislative Assembly he represented Salt Lake County, and afterwards the county of Tooele. For some years previous to his demise he was Brig. Gen. of the militia of Cache County, a position which, by honorable position he sustained with dignity and great ability, being universally loved, honored and highly respected.

We notice also that he was among the foremost in aiding the construction of our great highway to unite the two mighty oceans. As a missionary his inestimable labor and services in the United States, in Europe and upon the islands of the Pacific, have achieved for him an imperishable name and secured him immortal glory.

In his private walks of life his kind,

affable, genial spirit and warm, generous feelings gained him numerous friends in whose hearts and high esteem he will ever occupy a prominent place. To his bereaved family we extend our deep sympathy and sincere condolence; beseeching the Great Giver of all good to console them in their sorrows, with the anticipation of a joyous reunion hereafter with their departed husband and parent, in the blissful climes of immortality.
