WHY
WE ARE advised that we are getting 25% for a certain article...

DON'T
try it twice. When you buy a 50-cent article that costs 25c...

YOU
can't afford to do anything else. A 50-cent article costs you 25c...

RIDE
in the street cars every day, spend 50c a month in street car fare...

A
good business man sees the force of this argument at once. Don't you?
