Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Hepler, Inspector of Public Roads, Parish Ferre Bonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.

THE PATENT

Wire Gauze Oven Door

IS THE LATEST IMPROVEMENT ON THE

It Produces Practical Results in Baking and Roasting never before attained by any Cooking Apparatus, and will

Revolutionize the Present Methods of Cooking

ITS THEORY

Is that all Food Baked or Cooked, should be cooked in fresh air freely admitted to the oven. This is done by discarding the close oven door heretofore used, and substituting for it a door containing a sheet of Wire Gauze nearly as large as the door itself.

Through this Gauze Door the air freely circulates, facilitating the process of cooking, and reducing food that is not equalled in flavor and nutrition, and actually cooked with less consumption of fuel than is known with a closed door.

It makes an enormous saving in the weight of meat.

It also produces larger Loaves of Bread, requires less attention from the cook, and promotes the health of the family by the SUPERIOR QUALITY OF THE FOOD COOKED IN IT.

OPINION OF AN EXPERT.

MRS. MARY B. WELCH, Teacher Domestic Economy, Iowa State University, says: "My deliberate judgment is that the oven of the Range, as compared with others, is not only more equally heated in every part—front and rear—but as a result of its superior ventilation the food placed therein is better cooked, while retaining a sweeter flavor, and a larger proportion of its best juices. I find also the consumption of fuel in this Range is much less than any other for same work."

THE RAILWAYS.

Jay Gould's Reported Purchase.

NEW YORK, Dec. 7.—Commissioner Fink has just ordered that the westbound rates be restored to take effect within ten days.

CHICAGO, Dec. 7.—The statement published this morning to the effect that the Michigan Central Railroad has been making

SECRET CUT RATES

on grains to the east has caused an investigation by the leading officials of the road. They assert the road is the victim of a conspiracy between one or more of its clerks and representatives of a very prominent board of trade firm by which grain is shipped at a concession of 2½ cents per bushel from the regular rate. Forgery is charged in connection with the matter and the Michigan Central people threaten sensational developments.

NEW YORK, Dec. 7.—The rumor that Gould has secured control of the Atchison road is still prevalent in Wall Street today. Jay Gould was not at his office and George Gould would only say, "I know nothing about the matter."

Commissioner Fink's order restores the westbound rates to the tariff in operation before the cut was made by the New York Central.

THE RESTORATION

is the direct result of the action taken at Chicago at the meeting of the general traffic association, when the rates were advanced on east bound freight. The advance goes into effect on Dec. 1st, the same day that the advance on east bound rates is ordered to go into effect.

SAN FRANCISCO, Dec. 7.—The Golden Gate special vestibule train which left Omaha Wednesday morning at 8 o'clock arrived here at 9:45 o'clock tonight, making the run from the Missouri River in 61 hours and 45 minutes.

CHICAGO, Dec. 7.—Chairman Cooley and Commissioner Morrison of the inter-state commerce commission are in the city. They came, it is said, to investigate the railroad troubles of the southwest and northwest, and will probably take evidence for several days.

JUDGE COOLEY

said to a reporter: "We are here to learn something of the derangement among the roads, and just now I do not care to indicate, except in a general way, what we are going to do."

Political Points.

WASHINGTON, Dec. 7.—The united delegation from Michigan will urge the choice of Congressman Burrows for Speaker of the Fifty-first Congress.

INDIANAPOLIS, Dec. 7.—This was a dull day about the residence of the President-elect. It was principally passed by General Harrison answering the correspondence that had accumulated on his two days' outing.

The federal grand jury reached the Dudley case today and had several witnesses before it. They remained in the room an unusually long time. Ed. Morse, of the *Sentinel*, is believed to be an important witness in the case, as the alleged Dudley letter passed from his custody into the keeping of the federal authorities.

VOTES OF STATES.

NEW YORK, Dec. 7.—Following is the result of the official canvass of the vote for President in the States of Georgia, New Hampshire, Vermont and Rhode Island:

Georgia—Harrison, 40,458; Cleveland, 100,470; Fisk, 482; Cowdrey (united labor), 136; total vote, 142,836; Cleveland's plurality, 60,012.

New Hampshire—Harrison 45,728; Cleveland, 44,693; Fisk, 1,585; Cowdrey (united labor), 42; Curtis (American), 13; scattering, 4; total vote, 90,740; Harrison's plurality, 2,370.

Vermont—Harrison, 45,192; Cleveland, 16,788; Fisk, 1,460; scattering, 35; total vote, 63,475; Harrison's plurality, 28,404.

Rhode Island—Harrison, 21,009; Cleveland, 17,53?; Fisk, 1,250; Cowdrey (united labor), 18; scattering, 2; total vote, 40,770; Harrison's plurality, 4,439; majority, 3,136.

DENVER, Dec. 7.—The official vote of this State, finished this morning, is as follows: Harrison, 50,766; Cleveland, 37,542; Prohibition, 2,100; Labor, 1,265. This shows an increase over the vote of 1884 of over 25,000.

Contraband Sugar.

SAN FRANCISCO, Dec. 7.—Collector J. S. Hague today seized the steamer *Westmeath* and her cargo of sugar, which arrived here from Java last Monday, consigned to the American Sugar Refinery Company of this city. Duty amounting to $140,000 was paid on the cargo, which was valued at $400,000. The reason for the seizure is stated to be that the quality of the sugar had been underestimated, and that the government had been defrauded out of about $10,000 duty on the cargo. The warehouse of the company where some of the sugar had been stored was also seized, and with the steamer and cargo placed in charge of the customs officer under seal. The penalty attached if the charges are proven is confiscation of the cargo and a fine of 20 per cent. of its value.

Suits Against Corporations.

CARSON CITY, Nev., Dec. 7.—The United States government, through the United States district attorney, has entered a suit against various corporations and individuals of Eureka, in this state, aggregating about $13,000,000, for cutting wood and lumber off the unsurveyed government land. Among the heaviest corporations sued are the Eureka Consolidated Mining Company for 473,000 cords valued at $3,500,000, the Richmond Mining Company 833,000 cords of wood, valued at $6,250,000, the Eureka & Palisade Railroad for 74,000 cords valued at $750,000.

Peculiarity of the Dismal Swamp.

There was no one at Roper's sawmill who could give us any information, so we paddled on to the village of Deep Creek, before reaching which we passed through another lock. Here the Dismal Swamp proper may be said to begin. At this lock we were again raised several feet, so that we were now, although only a few miles from tidal water, probably sixteen feet above the sea level.

"Shall we pay toll here?" we asked the lockman.

"Not till you come out," he answered, making it clear that there was only one entrance and exit on this side of the Dismal Swamp.

"Does the swamp begin here?"

"Yes," said the lockman, leaning at an angle of 40 degrees, and slowly pushing the great beam with his back. "It begins here, and runs all the way to Florida."

This was true, in a way. The whole southern coast is margined by swamp lands, but the Dismal swamp is not of them. It is high land instead of low lands, its water is fresh instead of salt or brackish. Among swamps it is an abnormality. It leans over the sea, and yet contains its own moisture, like a bowl. Indeed, the Dismal Swamp is a great bowl, forty miles long and ten to twenty wide, and, strange to say, with its highest water at the centre. The sides of the bowl are miles of fallen and undecaying leaves, and the bottom is a mortar of melted leaves and mold. Deep in the soft bosom of the swamp are countless millions of feet of precious timber, that has lain there, the immense trunks crossing each other like tumbled matches, "since the beginning of the world," as a lumber cutter said.—*John Boyle O'Reilly in Boston Herald.*

A GOOD BET.—Wife (indignantly)—"I've heard through a certain married lady in town John, that you bet me against a dollar the other night that your candidate would win."

Husband—"Well, what of it? My candidate is bound to win; the other man hasn't the ghost of a show, and, as you've always wanted a riding horse, I thought I would just get you one and get it cheap."—*Epoch.*

WIVES AND DAUGHTERS.

You have often seen them with pale faces, poor appetite, head and back aches, symptoms common to the sex. Fathers and mothers, lose no time in securing Dr. David Kennedy's Favorite Remedy, of Rondout, N. Y.

My Thoughtful Wife induced me to try Dr. David Kennedy's Favorite Remedy, (medical Rondout, N. Y., you know,) and after two weeks' trial I was completely cured of malarial poison, associated with impure blood and derangement of the whole system. I had previously tried other preparations without any benefit. Thanks are due my wife and Dr. David Kennedy's Favorite Remedy.—Thos. G. Spence 124 12th St., South Brooklyn, N. Y.

A Fortunate and Grateful Woman.

Mrs. J. H. Giles, of Everett, Pa., says:—I suffered for many years from kidney and gravel troubles. The pains from the latter were simply awful. Besides I had other complaints common to my sex. No physicians or medicines at home did me any good. I finally visited my former home in Rondout, N. Y., and began using Dr. David Kennedy's Favorite Remedy, made in that place. A few words tell the result. I am a happy and perfectly well women once more. Thanks to Dr. David Kennedy's Favorite Remedy.

Dr. David Kennedy, Rondout, N. Y.

Some time since I was troubled with blotches coming out on my breast of a scrofulous character, and my general system seemed to be out of order. I was induced to try Dr. David Kennedy's Favorite Remedy. I did not begrudge the dollar, for the first bottle drove the eruption away, and I felt better every way. I consider it a splendid blood medicine, and I hope my testimony may induce others to use it.—Henry S. Eldridge, Rochester, N. Y. TRADE S.S.S. MARK

An Important Announcement

About six weeks ago, while at business, I was suddenly attacked with excruciating pains in my feet, knees and hands. So severe the attack that I took to my bed immediately, and in two or three days my joints were swollen to almost double their natural size, and sleep was driven from me. After suffering the most excruciating pain for a week, using liniments and various remedies, a friend who sympathized with my helpless condition, said to me:

"Why don't you get Swift's Specific and use it? I will guarantee a cure, and if it does not the medicine shall cost you nothing."

I at once secured the S. S. S., and after using it the first night had a quiet night and refreshing sleep. In a week I felt greatly benefited. In three weeks I could sit up and walk about the room, and after using six bottles I was out and able to go to business. Since then I have been regularly attending to my duty, and spend on my feet from nine to ten hours a day, and am entirely free from pain. These are the plain and simple facts in my case, and I will cheerfully answer all inquiries relative thereto, either in person or by mail.

THOMAS HASKELL,
11 W. 125th Street, New York City.

NASHVILLE, TENN.—I have warded off a severe attack of rheumatism by a timely resort to Swift's Specific. In all cases where a permanent cure is sought this medicine commends itself for a constitutional treatment that thoroughly eradicates the seeds of disease from the system.

Rev. W. P. HARRISON, D. D.

NEW YORK, 81 7TH AVE.—After spending $200 to be relieved of Blood Poison without any benefit, a few bottles of Swift's Specific worked a perfect cure. C. PORTER.

TIFTON, GA.—My little girl, aged six, and boy, aged four years, had scrofula in its worst aggravated shape. They were puny and sickly. To-day they are healthy and robust, all the result of taking S. S. S.

JOE T. COLLINS.

LAKE LAND, SUMTER CO., FLA.—Your S. S. S. has proved a wonderful success in my case. For nine years my face, neck and body would have been horrified me to my grave. I do think it is wonderful, and has no equal.
