The Girl I Love, Benini, Mr. and Mrs. Do My Household, Dr. Two are required in the transportation of the money and property, all of which are brought complete even to the smallest detail, as it is the will of Mr. Hoyt to make his production an exact counterpart of the British politician's engagement in every way.

The Hall Lake Rock company is hard at work on the Shallows of

Point George, B. C., where a party of four men were working on the shore in the vicinity of the point. The party was composed of a Canadian, a British, and a Frenchman, and they were engaged in the work of building a small house for the purpose of observing the coast.
