LOCAL AND OTHER MATTERS.

GONE SOUTH.—Presidents Young, Smith and Wells left for the South this morning, they reached American Fork at forty minutes past 12 o'clock, and will stay at Provo to-night.

ORSON PRATT.—Elder Orson Pratt will preach in the 13th Ward Assembly Rooms, to-morrow evening, at seven o'clock.

THEATRE.—Remember that to-night is the opening night of the Fall season. The bill is splendid, and many of the oldest favorites of the public of this city will make their re-appearance on the occasion.

POST OFFICE ADDRESS.—Bro. James Goble writes from the East: "All wishing to communicate with Saints in Williamsburg, New York, will do well to direct P. O. Box 127."

INDIAN RAID.—The following telegram, by Deseret Telegraph Line, was received this morning:

Fairview, Aug. 27.
"Night before last, Indians drove off a number of horses from Thistle Valley, belonging to this place, Fountain Green and Spanish Fork. A few of the animals got away in the darkness of the night, and in the hurry of the Indians to get through the canyon, and were brought in yesterday by friendly Indians, who said the thieves were of Indian George, Soviet's band, and that they had taken about nine head."

IMPORTANT.—We understand that the City Marshal has received orders to kill all dogs prowling about this city that are not registered.

This is an excellent order, and its execution to take place at the beginning of the coming week was probably never more necessary than now, for the city is infested and overrun with dogs and curs of every conceivable mongrel breed. If the city authorities are willing to put up with their presence on the annual payment of a small sum for registration, surely their owners cannot grumble at paying it.

DIED. in Springville, August 22nd, 1870, of childbirth, Martha Ann Snellson, wife of David Wheeler, aged 24 years, 4 months and 16 days.
Mild. Star, please copy.

RUN AWAY.—As Brother Daniel Grenig drove down East Temple street, this morning, his horse ran away, and coming in contact with a post threw him out, breaking one of his ribs and otherwise injuring him.

INTERESTING.—We have been permitted to extract the following items from a letter to President George A. Smith, written on the 21st inst. at Chicago, by Elder Edward Stevenson, then on his way westward. He says: "I arrived here a few hours ago, direct from Kirtland, Ohio. I am well, as also Martin Harris, who is with me, although he is now in the 88th year of his age and rather feeble. But he walks along remarkably well, and while at Kirtland heard out quite a lot of corn, and last fall hired out by the day to dig potatoes. He stands his journey, thus far, quite well, and feels filled with new life at the idea of going to the valleys of Utah, to see his children and friends. He is coming to the conclusion, after trying everything else, although he has always borne a faithful testimony to the truth of the Book of Mormon, that the work of the Lord is progressing in the tops of the mountains and that the people are gathering in fulfillment of prophecy."

Elder Stevenson, during his trip East this time, has paid a visit to the Hill. On morn, whence the plates from which the Book of Mormon was translated were obtained. He says, although the hill is very steep, the highest in these parts, wheat has been grown on the very spot, whence the plates were taken. He visited and talked with an old gentleman, now seventy-four years of age, who, when the plates were exhumed, resided adjoining the hill, and resides there still. The people now call the hill "Mormon Hill." In the country around, old buildings, forts, earthworks and mounds have been discovered, showing that in times long past, it was thickly peopled, and that it has been the theatre of conflicts between contending armies.

RELEASES AND APPOINTMENTS.—The following releases and appointments are from the *Millennial Star*, of the 9th inst: "Elder Alma Eldredge is released from the Presidency of the Bristol Conference as soon as his successor is ready to take charge, and is appointed to preside over the Sheffield Conference after Elder F. H. Hyde's return home. Elder Thomas Wells is released from the Presidency of the Glamorgan and appointed to preside over the Bristol Conference. Elder George G. Bywater is appointed to preside over the appointments to take effect from and after the Conference at Aberdare, Aug. 14th."
