MUDDLES IN BOTH WORLDS.

THERE are important political muddles in the new world and the old world. Muddles that involve Orton passed. wide and far reaching interests, both as to geography and as to time. Muddles among the most prominent of the people of both worlds. Muddles that involve national integrity and national boundaries, and different and distinct peoples, civilizations and religions. In the old world there is the everiasting Eastern Question. "It

may and probably is drawing nearer to a solution, but it hardly seems to be, for first it is very muddy and doubtful, then it is cleaver and the way more probable; now war is imminent, then there are hopes and prospects of peace; now the ne- duel the particulars of which are gotiating parties show signs of ac-commodation, then they are sustere and modation, then they are sustere and up to a late hour jast night

and repeliant; now the Turks exhibit signs of yielding, then they manifest independence and stubbornness; now the Russians will pro-

ceed to put their army in motion, then the army arrangements have broken down, the troops are sick, and the financial stringency hinders. So it goes, seesawing all the

time, first one way and then another, every way by turns and no the nature of which, however, Benway long, altogether presenting to

the general public a scene of supreme muddle, confusion and uncortainty. The situation is much similar in-

ome regards in this country. Here is the principal nation on this con-tinent, and what a picture if pre-sents! The matters pertaining to the presidential election question are so involved, confused, muddled, and mystified that nobody seems to have a very clear view of the shares of the immense wealth left to have a very clear view of the realities of the situation, or to see a realities of the situation, or to see a clear and satisfactory way out. First Hayes is elected, then Tilden is set of the will, he controls. The friends of the Commodore, of Which, under the Will of the Wills and of the State of Louisiana.
