 Buying at \$1.05. Selling at \$1.05.

LOCAL AND OTHER MATTERS.

**Thermometer 98 degrees F. in the
 shade at 1 p. m. to-day. Clear.**

Warm.—The thermometer stood
 101° in the shade, at Logan, at one
 p. m., yesterday.

Read Them.—Interesting and
 exciting news about the railroad
 strike, in our telegraphic dispatches
 of this afternoon.

Another.—Yesterday a boy named
 Laplata was picked up in a state
 of insensibility, at Bingham Junction,
 having been sunstruck.

The Hoppers.—The grasshoppers
 were flying in clouds in mid-air,
 over the city, this afternoon.

Sunstroke.—Mr. Alexander Daft
 was sunstruck yesterday, while
 riding in a wagon, a short distance
 south of this city. He is able to be
 out to-day, but is very feeble.

Dropped Dead.—This morning
 Christopher O. Goss, wife of Brother
 Frederick Goss, Superintendent
 of the United Order of Tailors,
 dropped dead. Deceased was a resident
 of the 6th Ward.

Emigration Agent.—The address
 of Wm. C. Stainer, Church Emigration
 Agent, is P. O. Box 3,857,
 New York City. Persons visiting
 that city and wishing to call upon
 him, will find his office at No. 8
 Battery Place.

Missionary.—We have seen a
 letter from Elder John W. Sharp,
 who is laboring in Tennessee. He
 is baptizing a few, and is blest in
 his ministry. The sick are healed
 by the power of the Lord.

Accident.—On the 13th inst. a
 four-year-old son of Mr. Larsen,
 of Fairview, Sanpete County,
 fell upon the floor, while at play,
 and broke his arm. The limb was
 set by Dr. H. C. Longmore, of
 Mount Pleasant, and the patient is
 doing well.

A New Settlement.—We learn
 that a new settlement has been
 formed, about twenty miles above
 Allen's Camp, on the Little Colorado
 River, by Brother Tenney and
 a few families. The location is a
 beautiful one, but it will require
 considerable labor to convey the
 water upon the land.

Arrested.—Yesterday deputy U. S.
 Marshal Crowe arrested Dr. Jeter
 Clinton, at his home, at Tooele,
 and brought him to this city last
 evening. He was taken to the
 Penitentiary for safe keeping. We
 understand the grand jury has
 found an indictment against him,
 but upon what particular charge
 has not yet transpired.

In Arizona.—We understand
 that Elder Peterson's Company,
 from Colorado (of whom mention
 has more than once been made in
 the columns of the DESERET
 NEWS), have arrived in safety, at
 Sunset Crossing, on the Little Colorado
 River, and that it is their in-
 tention to make the valley the
 presidency of Elder Lott Smith.

The Ladies' Meeting.—The ladies
 meeting, held at Ogden, yesterday,
 was one of the most profitable and
 spirited assemblies that ever convened
 there. President Brigham Young delivered
 an address replete with practical
 wisdom, that could not fail to have
 a lasting and beneficial effect upon
 the minds of the listeners. He dwelt
 particularly, and with great
 clearness, upon the duties of
 mothers in rearing children. It
 was probably one of the best discourses
 of the kind ever delivered.

In the course of the proceedings
 he recommended the ladies to practically
 apply themselves to the industry
 of silk raising.

Elder Albert Carrington, President
 D. H. Wells and Elder John
 Taylor also addressed the congregation,
 which was very large, filling
 the Tabernacle in every part.

Fatal Shooting Affray.—The report
 alluded to in yesterday's
 NEWS, to the effect that Mr. Leonard
 I. Smith was shot and killed,
 yesterday afternoon, near the Half
 Way House, not far from the terminus
 of the Utah Western Railroad,
 proved correct. The party
 who killed him was Charles Wells,
 a nephew of Mr. Smith, and who
 had lived with the latter for several
 years. Wells had been stopping on
 Mr. Smith's ranch, and it was al-
 leged, had been guilty of criminal
 intercourse with the latter's wife.

Yesterday Mr. Smith offered
 him away from the place, and he
 left, went to the place of
 Mr. Bates, and got a six-shooter
 and returned. The two subsequently
 met, Mr. Smith being armed
 with a shot-gun. It is alleged that
 Wells fired the first shot, which
 took effect in Mr. Smith's thigh,
 the latter returning the fire
 and hitting Wells in the arm.

The latter, then being antire-
 ligious, called to his assistant
 to spare his life. Instead of doing
 so, Wells beat him over the head
 with his pistol, and then, taking
 the shot-gun that was used by Mr.
 Smith, he shot him upon him,
 killing him with a single shot.

Wells was arrested, and a number
 of indignant citizens collecting
 around him, an effort was made to
 lynch him on the spot. Some parties
 were going so far as to procure
 a rope with which to hang him.
 By the interference of the more
 cool and collected, however, this
 summary punishment was prevented.

The main of Mr. Smith was
 brought to the city last evening,
 and is now lying in the morgue.
