POLITICAL POINTS.
 Gen. Harrison-Judge Thurman-
 Tammany, Etc.

INDIANAPOLIS, Oct. 19.—The Eleventh
 Indiana Regional Association,
 Gen. Lew Wallace's old regiment, held
 its annual reunion in this city today.

About 100 members attended. Shortly
 after 3 o'clock General Harrison came
 down to the New Denison by invitation.

He received them informally in the
 parlors of the hotel. As the heroes of Cham-
 pion Hill marched into the large room
 headed by General Lew Wallace and
 General McClellan, they hailed and
 cheered General Harrison three rousing
 cheers. General Wallace then pre-
 sented each veteran by name to Gen.

Harrison, who had a pleasant word for
 every one. There was no speech-mak-
 ing on either side. The veterans
 gathered close around Gen. Harrison
 and carried on a running conversation
 for nearly an hour.

The ten days' rest from the fatigue
 of public receptions and speaking have
 been of marked benefit to General
 Harrison, who is looking no better
 in the best of health and spirits.

Tomorrow will be Dr. Harrison's day.
 General Harrison will receive every
 thousand commercial travelers. The
 Republican Commercial Travelers
 Club of Indianapolis, under
 auspices tomorrow's reception will be
 given, state they have advised from
 the club aggregating a large number
 of 3000 who will be present tomorrow.

The next big Republican demon-
 stration in this city will occur Thursday,
 the 20th inst., which has been de-
 signed, "Labor Day." It is claimed by
 the projectors, who are prominent
 Knights of Labor, that the demon-
 stration will be the largest yet held in
 this city.

The effort of the projectors, all
 of whom have been stamping
 the State works, is to make
 it a workingman's demon-
 stration. They have already secured
 the promise of General Harrison, J.
 Butler, and have asked Hon. Wm. Mc-
 Kinley to be present. There is reason
 to believe he will accept. The demon-
 stration is being made to secure the presence
 of Senator John Sherman.

FLOWER NOMINATED.
 NEW YORK, Oct. 19.—Ruswell P.
 Flower has been nominated for Con-
 gress by both Tammany Hall and the
 county democracy.

JUDGE THURMAN.
 INDIANAPOLIS, Ind., Oct. 19.—Con-
 gressman Judge Thurman was prevailed on
 to attend the meeting in the English
 hall, which was held in the evening.

When evening came he was in fine con-
 dition for a speech. The Opera House
 has a seating capacity of 3200, and
 7 p. m. fully 3000 were impatiently
 waiting the coming of the speaker of
 the evening. There were no banners
 on the stage, but the audience were
 abundantly supplied with them. When
 Judge Thurman entered with Governor
 Gray a storm of applause burst forth
 which lasted over two minutes. State
 Committee Chairman Everett intro-
 duced Judge Thurman in a brief but
 glowing eulogy and the audience once
 more yelled lusty cheers for him or
 more. There was a great jam at the
 doors and considerable confusion
 which at first interfered with the
 speaker. Judge Thurman's voice was clear
 and strong and he spoke easily for 30
 minutes.

Judge Thurman began his address by
 paying tribute to President Cleveland
 as a clear, pure, upright, intelligent, in-
 dependent, and patriotic leader of the
 government. He said that four years ago
 the country had elected a President who
 political opponents at first groveled before
 him, but who the country had learned
 to respect. There was no calamity so great
 as it was not predicted in the great
 election. The Union soldiers were de-
 prived of their pensions and rebels were
 paid and everything that was dark and
 relative to the pension bill was given
 states was to furnish like the groves that
 the pension bill was given. The speaker
 said that he was not a politician, but
 that he was a man of honor and integrity.

SEEKING TO UNITE LABOR.
 Powderly Invites the Co-operation
 of Railroad Men with the
 K. of L.

PHILADELPHIA, Oct. 19.—General
 Master Workman Powderly today
 made the first movement towards se-
 curing fraternal co-operation of all
 labor organizations of the country by
 sending telegrams to the Brotherhood
 of Locomotive Engineers at Rich-
 mond, and the Brotherhood of Rail-
 road Brakemen which is in session at
 Columbus. The dispatch to the en-
 gineers was as follows:

PHILADELPHIA, Oct. 19.
 P. M. Arthur, G. C. E.:
 Accept fraternal greeting and best wishes
 for successful session. Will your conver-
 sation consent to a fraternal co-operation
 with other labor organizations? From the end
 that all disputes may be properly and
 equitably adjusted the line is now at
 hand when all labor organizations, forget-
 ful of the past, should co-operate on essen-
 tials for the welfare of all. Our hand is ex-
 tended in friendship.

The dispatch to the Brakemen's
 Brotherhood is as follows:

Cannot state to be taken effect an under-
 standing has been reached between the
 interests of all may be regarded
 through a co-operative effort in all cases
 of dispute. We are all laborers and
 must progress and prosper together. We
 certainly expect to see you here. Short-
 ly after the Burlington train began, several
 prominent members of the Brotherhood
 came to see me at the station, and the in-
 terview was such as to convince me that
 something could be done to bring about a better
 state of feeling between the two bodies.

The next day a large number of
 the Brotherhood with the Brotherhood on the Union
 Brotherhood on all other roads. Nor
 was such as to convince me that
 something could be done to bring about a better
 state of feeling between the two bodies.

WASHINGTON NEWS.
 The Sioux Still Undecided—Work of
 Congress, Etc.

WASHINGTON, Oct. 19.—The Sioux
 Indians have not yet formally notified
 the Secretary of the Interior of their
 decision upon the proposition sub-
 mitted to him last Wednesday. It is
 known, however, that there is a strong
 opposition headed by John Grass,
 accepting one immediate acre for all
 the lands disposed of during the first
 three years. It is believed they would
 accept the proposition as it is, with the
 stipulation of \$125 per acre. This
 proposition was accepted by the President
 and Secretary will accept.

The members of the Indian police
 have signed a petition to the Secretary
 of the Interior, asking for a
 conference with Indian Commissioner
 Overy and members of the Sioux
 commission. They are asking for
 an increase in pay. The
 officers are now paid \$10 a month, and
 they are asking for \$15 a month. The
 request will no doubt receive favorable
 consideration. The Sioux are
 disappointed in the proposition that
 the Indians should receive \$100 per
 month. They are asking for \$125
 per month. It is said their ser-
 vices are almost indispensable.
