WILL BRING BODIES HOME. Ramington, Jau. 18 - The bodies the American consul, Arthur S. may and Mrs. Cheney were found the runs of the American consu-e at Messina yestering afternoon the sallors of the American battle-

When Capt Bowyer reached Messina yesterday he sent a number of subars ashore for the purpose of excavating the rulins. They were successful in finding the bodies during the after-noon. The bodies were prepared for shipnient and taken aboard the Ameri-can supply ship Cutgos, which will carry them to Naples. Arrangements are being made for the shipment of the bodies to the United States. Hav-ing accomplished her mission at Mes-sina, the Hinols has returned to Malta. Malta

Mensing, Jan. 16.—Eighty-two per-zons have been arrested up to the present time for stealing during the confusion incident to the earthquake disaster. They will be tried by martial law.

----C. W. & M. CO.'S HOUSE WARMING IN ASHTON

Special Correspondence.

Idaho Falls, Jan. 15.—On Thursday norming lust Measrs. George T. Odal and George Romney of the Consol dat-al Wagon & Machine Co., left Idaho ed Wagon & Machine Co., left idah Falls in company with a number of business men for the purpose of taking part in the house warming of the company's new building in Ashton. In the party were Mr. G. G. Wright of Idaho Falls in company with a number of associates, J. N. Pike, G. F. Duffin, James Fryer, William Adams and Charles Smuin, the latter being in charge of the Ashton agency. The new building is located on one of the most prominent corners in Ash-ton, and more than 500 people assou-bled at the ball which had been ar-ranged in honor of the occasion. May-or Carmon of Ashton extended wel-come to the guests and complimented

inps, the solution total a special mea-rage recommending its passage (some-law or other I look it for granted the governor must be in favor of such a good monsure) and that in his hurry he might possibly have forgotten to refer to the forthcoming additional measage, but alas he has since staird that he did not intend to do so, and my lingering hope that we had the governor with us is fadlog. What a spectacle. The people of the commonwealth aroused to the fact that a terrible foe is making a featrful on slaught upon them, already having devastated harry portions of its terri-tory, with death and destruction. Mass meanings are being hold all over the country, potitions are being signed by our Cannon of Ashton extended wel-come to the guests, and complimented the Consolidated Wagon & Machine company on their enterprise, in not only erecting so fine a huilding but fitting it with all the goods necessary to unset the regularements of the pi-oneers of any country. Shirley's or-chestra played while refreshments were served, and Thayer's orchestra of seven places was taken over from Idaho Falls. An excellent supper was served at the Davis restaurant. The return was made by sleigh to Reaburg with stops at St. Anthony and Sugar City. Messers, Odell and Rom-ney are quilt sanguine over the out-look for the company's busines at Ash-ton. It is perhaps the best cat com-try in the Information region, and sume marvelous crops have been raised thereabouts. The secretar

some marvelous crops have been raised thereabouts. The snowfall at Ashtor is about two or three feet, but it gets less as the road follows down the Snuke there Snake river.

physical and moral welfare as well as that of my fellow citizens, I address you. I believe now is the time-much

that in my tensor character are a some might naturally dislike to appear before the public-for every fa-ther and every oldizen to come out in the open and declare binnelf upon the one, all-important question before the public. I mixet conform the lith and learning of the ignoring of the great-est question before the people by Gov-ernor Spry in his message to the legi-lature, my hope of obtaining a prohi-bition has for Utah received a shock. Even after learning of the omission I still had a lingering hope that, per-haps, the subject, being so weights a concentration before a special mes-rage recommending its passage isome-

courage our representatives to take the lawful steps to fight the common ene-my and preserve our wives and children from the fearful impending atrocities of the advances more allocations. of the advancing enemy. The reading of the last paragraph of Editor, Descret Nows-As a citizen of Utah, a father of several children, and as one deeply interested in their

the long message is ended. Silence, Not a single word of hope. Who can describe the terrible disappointment that suddenly selves the heart. How can one be blamed for thinking of the can one be blamed for thinking of the word "traitor" or "foe"-upon the im-pulse of the moment. After a few moments, however, of calmer thought the question arises: Mas he not the right to differ even upon this great question, as to the best means of com-batting the enemy? The answer in-stantly comes to the mind, "Yes." But ogain the questions as quickly come: "Why doesn't he give his idea of the proper plan of battle? Why does he not come out manfully and state his not come out manfully and state his opposition to the prohibition plan?" Silence again. Suspicion again. Dark and ugly accusations made during the recent campaign come immediately to the mind as explanatory of the position. Every chromstance seems to confirm it; and it appears that the on-by course for the governor to take to dear himself of suspicion and proclum

imself a man is to: First-Seud an additional message to the legislature recommending prohibition; or

Second-Send an additional message

Second-Send an additional message to the legislature recommending that probibition laws be not enacted and give his reasons for not agreeing with the vast induced by the people of Utah. He cannot be neutral upon so great and innortant a question and retain the mapert of the people.
It is only to be hoped that the first course suggested, will be taken and that 1 with others can be charged with being "a little too provious."
Let the battle go on. Fight fight, for the right, even if we have not the governor with us. I hope with all my heart, however, he is with us. W. N. B. SHEPPIERD.
