HORSE RACES TOMORROW.

#### Match Race Between Jennie A, and Kangaroo-Other Events.

Tacoma. Muy 25.-Tacoma lost today's game with Seattle by errors in the first inning. Kangaroo-Other Events. The horse races at Agricultural park tomorrow afternoon will likely draw a a large crowd because there has been nothing doing in this line for a long time and because the program is a good one. Chief interest centers in the match race for \$300 a side, between Jennie A. 2:13%, and Kangaroo, 2:17. Following this comes the free-for-all best three out of five heats. In this event will be Don, Gin-ger, Cavalier and Crabapple. The 2:20 pace and trot is another event which will prove interesting. The horses entered in this are Chester S. Cold Storage, Onward F. Willets and Happy Hooligan. There will also be a half mile running race. Score: Tacoma Seattle Batteries-Claffin and Shea; Allen and Arbogast. Aberdeen, Wash. May 28.-Nelson was easy for Aberdeen today, locals bunching their hits almost at will. Higginbotham walked Benker and hit. Waters in the second. THIS WILL BE GOOD.

#### Arrangements Under Way for a Big Track Meet of Grade Schools.

Butte, Moni., May 28.—Butte won the opening game of the season today, by shutting out Spokane by a score of 5 to 6. The visitors played a very lose fielding game and this, together with wildness on the part of Osborn and opportune hitting by the home team, caused their downfall. Track Meet of Grade Schools. Before the grade schools close an ath-letic event will take place that should draw thousands to the field of combat. Arrangements are being made for a big grade school track meet to take place some day next week and it is practically settled that hundreds will enter. The preliminary events will take place ou Friday. The meet will undoubtedly be the biggest ever pulled off in the state, at least this is the opinion of Chairman J. O. Cross of the athletic board of con-trol. Garvin pitched a very strong game Score: Butte Spokane Batteries-Garvin and Myers; Osborn and Altman. trol. This meet, of course, will not include weight events, but the sprints alone should be worth quite a journey to wit-ness. There will be a 50-yard dash, a 100-yard dash for boys and girls, a 230 and 440 for boys. A mile relay between the various schools is also on the pro-gram and considerable fun will be stirred up in the potato race for the boys. The girls will compete in a hoop race. PACIFIC COAST. AMATEURS HAPPY.

### SALT LAKE'S FAMOUS BIKE RIDER

Iver Lawson is so well known to local cycle fans that he needs no introduction whatever, but just at this time, on the eve of the opening of the bicycle racing season at the saucer track. Iver is a much falked of man. The reason lies in the fact that Frank Kramer is here and Floyd McFarland is due today or tomorrow, and with the three of them on the track in an open race, one can easily see what will surely happen. These men are the fastest in the world, and it will be nip and tuck between Kramer and Lawson The latter is in good condition, and it is freely predicted he will make Kramer do his best this season.

You know them; they are numerous, and make their presence felt everywhere. The names of the family are Headache, Toothache, Earache, Backache, Stomach ache, Neuralgia, etc. They are sentinels that warn you of any derangement of your system. When the brain nerves become exhausted or irritated, Headache makes you miserable; if the stomach nerves are weak, indigestion results, and you double up with pain, and if the more prominent nerves are affected, Neuralgia simply makes life unendurable. The way to stop pain is to soothe and strengthen the nerves. Dr. Miles' Anti-Pain Pills do this. The whole Pain family yield to their influence. Harmless if taken as directed.
