**CHAMBER'S ENCYCLOPEDIA.**—Messrs. J. B. Lippincott & Co., of Philadelphia, announce that, by a recent purchase, they have become the sole proprietors of the *American Revised Edition* of "Chambers's Encyclopedia," and are thereby enabled to offer the work at much lower rates than hitherto. In the course of its recent thorough revision, the American edition was edited with the special view of supplying the wants of American readers. It also possesses a special attraction in containing a series of over seventy-five full-page engravings not contained in any other edition. d50

**GRATITUDE.**—I hereby certify that my son has been cured of *all spasmodic fits* by Dr. E. L. Plant, and desire through the medium of your journal to express gratitude publicly for this blessing.

**A \$4.00 Book for \$1.50.**

**The People's Common-Sense Medical Adviser, in Plain English, Simplified; by R. V. Pierce, M.D.,** a member in good standing of the Board of Physicians and Surgeons, at the *World's Dispensary*, N. Y. The above work—a book of about nine hundred large pages, profusely illustrated with wood engravings and colored plates, and well and strongly bound—will be sent by mail, in a neat style, for One Dollar and Fifty Cents, making it *the cheapest book ever offered to the American People.* The books treating of domestic medicine, and the style of binding, and not nearly as well illustrated, with no colored plates, and sometimes containing prescriptions and making known no means of self-cure for the diseases which they discuss, sell for from three dollars and a half to five dollars each. The work here offered not published by the author, printed and bound with his own machinery, and were it sold through agents, it would have to be not less than *Four Dollars.* For when the publisher pays the author a fair price for his production, then adds a profit, and the work is not good enough to satisfy himself and compensate him, not only for his labor, but also for the risk of pecuniary loss which he assumes in taking the chances of the enterprise proving a success, and when the State, County and canvassing agent has each received his profit, the work, due to the expense of a book, that originally cost about \$1.25, so much that the people have to pay not less than \$4.00 for it. *The People's Book* is a book that is wanted, and is placed within the pecuniary reach of all classes by the author, who adopts the plan of the Grangers, dispensing with middle men, and giving the benefit of their profits to the people, offering his book at a price little above actual cost of publication. That those desiring a book may run the risk of losing their money in sending it through the mails, the author advertises that money addressed to him at Buffalo, N. Y., and inclosed in registered letters may be at his risk of loss. The author's large correspondence with the people upon medical matters, which, we are credibly and fully considered, exceeds 300 letters a day, and requires several trained and skillful medical assistants and short-hand writers, has enabled him, in rendering him very familiar with the every day medical needs of the people. He endeavors in this work to answer all the numerous questions relating to health and disease that have been addressed to him by the people from all parts of the land, and hence it contains important information for the young and old, male and female, single and married, nowhere else to be found. All the most prevalent diseases of both sexes are so plainly laid out and fully considered, and means of self-cure made known. Unlike other works on Domestic Medicine, it includes the subjects of Biology, Cerebral Physiology, Hygiene, Temperance, Diet, and Education, etc., all of which are treated in an original and interesting manner. It is a compendium of *American Medical Science*, and embodies the latest discoveries in each department.

**Snowing this morning.**

**Very Late.**—The Union Pacific Railroad express train twenty hours late; at Green River, to-day.

**Departed.**—We learn to-day that Sister Stayner, wife of Elder Arthur Stayner, of Farmington, departed this life last night, after an illness of about two weeks.

**The Deseret News Semi-Weekly** for this morning contains a large amount of current news and other interesting reading matter. Annual subscription, \$4.25, postage included.

**Again.**—Young Kennedy, the same who has been in numerous thieving scrapes, was sent up for twenty-five days this morning, by Justice Fryer, on a charge of vagrancy.

**Notice.**—The superintendent and teachers of Sunday School and all interested in the welfare of the rising generation should attend the semi-annual meeting of the Deseret Sunday School Union, to-morrow evening, at the Old Tabernacle, at 7 o'clock.

**From Cache.**—We were pleased to receive a call from Col. Thomas E. Ricks to-day, he having come to this City to attend Conference. We learn from him that there is considerable snow in the north and south ends of Cache Valley, but at Logan and other places between the weather and the ground under foot are about the same as heretofore.

**Peace Disturber.**—Last night Walter Ecamp made a disturbance in the Theatre by throwing pieces of paper &c. over the gallery into the parquette, and when confronted with by the ushers, he abused them, and made himself otherwise obnoxious, for all of which he was arrested, and to-day he was fined.

**Stocking Making.**—The people of the First Ward have commenced the manufacture of all kinds of stockings and socks, as a branch of home industry, and are ready to supply those ever needed articles, wholesale and retail, at prices that will send the imported articles into the shade. Patronize and encourage the First Warders.

**Created a Row.**—Last night A. Johnson, a shoemaker, created a row on South Temple Street, near the gate of President Young's office, and, without provocation, made an attack on James Cushing. The latter, with the aid of Robert Fryer, finally conveyed the refractory fellow to the City Hall. He was fined \$15 to-day.

**Theatre.**—There was an excellent performance of "A Wonderful Woman" and the "Spectre Bridegroom" at the Theatre last night. This evening will be presented the thrilling drama of "Lost in London," with the following powerful cast:—"Job Armroyd," Mr. Lindsay; "Gilbert Featherstone," Mr. Forster; "Benjamin Blinker," Mr. P. Margette; "Tilly Dragglethorpe," Miss Walters; "Nellie Armroyd," Miss Cogswell.

The performance concludes with the popular Irish farce of "His Last Legs;" Mr. Lindsay as "Felix O'Callaghan," Mr. Forster as "Charles Riven," Mrs. Douglas as "Mrs. Montague."

**Attempted Robbery.**—About 8 o'clock last night Mr. Barratt, furniture dealer, was passing along First South Street, near the "Episcopal Church, when he was pounced upon by two men, one of whom caught him round the throat with his arm and placed his knee against the small of his back in true gatrotter style, but Mr. Barratt, being lithe and active, by a strong effort freed himself from the clutch of the ruffian and struck one of them a blow in the chest with his fist, giving the impression to the second that they had "caught a Tartar," and they both decamped as fast as their legs could carry them away.

**An Attorney in Trouble.**—Yesterday Mr. Dilley, imbibed too freely of intoxicants and became boisterously hilarious. In this condition he approached the fruit stand of Mr. Geo. W. Crocherson, of which an old gentleman named Hart, was in charge at the time. Mr. Dilley commenced a siege upon the fruit, amusing himself by turning baskets and barrels of apples &c., topsy turvy. This was not relished as a joke by Mr. Hart, and he remonstrated, and instead of appreciating the remonstrance Dilley assaulted and struck him. On the case coming before Justice Pyper to-day, Mr. Dilley was fined fifteen dollars, after lodging over night at the expense of the city.

**District Court.**—After the opening of court, at 9 o'clock this morning, his honor Judge Emerson charged the jury in the Wiggins case, and they retired to their room, about 15 minutes after 8.

Messrs. Tilford & Hagan, counsel for the defense in the case of the People of the United States, etc., vs. Zachart, of Ogden, indicted for shooting with intent to kill, entered a demurrer to the indictment, on the ground that the latter document did not state the time of the occurrence on which it was based, further than that it happened in 1874, the same year in which the indictment was found. The counsel entering the demurrer cited several authorities on the subject, and the Court ruled that the omission was fatal to the indictment, and the demurrer was therefore sustained. Mr. Zachart is, we presume, therefore now at liberty.

Mr. Hagan drew the attention of the Court to a matter that immediately concerned the U. S. Marshal, in whose behalf he alluded to the subject. The clerk of the court had some money in hand derived from fines and other sources, that had not been disposed of by any order of the Court, and the Marshal was inclined to the belief that he was entitled to hold back his fees from such moneys, that being apparently the only way they could be collected.

The Court said that it appeared to him on first thought that the Marshal could not audit his own accounts, but the counsel could always find a point out the law bearing on the subject.

The District Attorney asked the Court if the latter intended making any ruling in the polygam case of the People, etc., vs. George Reynolds. The Court thought it unnecessary, as the defense had waived the point raised by the omission to arraign the defendant before the trial.

The Court was of opinion also that it was not necessary to pronounce judgment in the case, as the Poland Bill did not appear to require that to be done, pending a decision in the Court of last resort. In the matter of appeal the Poland Bill reads—

"A writ of error from the Supreme Court of the United States to the Supreme Court of the Territory shall lie in criminal cases where the accused shall have been sentenced to capital punishment, or convicted of bigamy or polygamy."

It will be seen from the quotation that the writ of error shall lie after sentence in capital cases and after conviction in polygamous or bigamous cases, so it would appear that the judge is right in holding that the pronouncing of judgment or sentence in the case under consideration is unnecessary at present and may not be necessary at any time.

About half past eleven the jury

The Wings came brought in the verdict of guilty, as charged in the first count of the indictment. Without pronouncing judgment on the prisoner, court adjourned till to-morrow morning.

**Naturalization.**—We understand that the business of naturalizing aliens will not be attended to this week in the Third District Court.

**Set Aside.**—Yesterday, in the Third District Court, on the papers submitted, it was ordered that the order heretofore made adjudging Attorney George E. Whitney guilty of contempt, be vacated and set aside.

**After Hours.**—To-day a saloon-keeper had to hand over \$50 to Justice Pyper, having been fined that amount for running his business after the hours specified by the liquor ordinance.

**Utah Northern Railroad.**—John W. Young, Esq., came home last Saturday for the purpose of attending Conference, but is unable, contrary to his expectations, to be present, the reason being that Mr. Joseph Richardson, who is interested in the Utah Northern Railroad, was exceedingly anxious to have the attorney en route, to personally examine the route of the proposed twenty-five miles northward extension of that line, and was desirous that Mr. Young should accompany him. Under the energetic supervision of Mr. Young, the proposed extension will be likely to soon become an accomplished fact.

A dispatch from him, dated at Logan, last evening, to Hon. Geo. C. Cannon, stated that himself, Mr. Richardson and Mr. Moses Thatcher intended going to Soda Springs.

**A Fraudulent Fellow.**—J. F. Lyon was before Justice Pyper to-day, on the grave charge of personating an officer and committing a fraud upon a young Scandinavian, named E. A. Frenzel. The evidence showed that Lyon, being aware of Frenzel's being indebted to a third party, pretended to be an officer and demanded the payment of the debt, on pain of being placed under arrest. Subsequently, at the Salt Lake House, Lyon told Frenzel that if the latter would pay him \$35 he would give him a receipt in full and let him go clear, but that if he did not he would have to go before Justice Pyper. Frenzel then gave him \$5.00 in cash, and also gave his watch as security while he procured the balance. While Frenzel was gone to get the amount to make up the \$35 Lyon decamped and he (Frenzel) discovered that he had been cheated.

Justice Pyper decided that Lyon be held in \$500 bonds, and that in default of which, he stand committed to appear and answer in the District Court to any charge that might be preferred against him by the grand jury of the Third District.

**Concerts.**—To-morrow evening, April 7th, a concert will be given in the 15th Ward Hall, by the Philharmonic Association of the Third District School of that Ward. Miss M. C. Swan, Messrs. J. M. Chamberlain, H. Gardner, J. R. Morgan and others, well known as possessing excellent musical talent, will take part in the performances. Messrs. D. A. Swan and J. M. Chamberlain are the directors, and A. S. Gray, J. R. Morgan and F. T. Tibbs, managing committee. The programme of the evening, consisting of songs, duets, quartets, glees, choruses, recitations, etc. Doors open at 7 o'clock; admission 25 cents.

On the evening following, Thursday, April 8th, another concert will be given, in the same hall, the proceeds to be devoted to emigrating a Welsh family this season. Doors open at 7 o'clock; admission 50 cents.

**Second District Court.**

**BEAVER, 6.**—The Second Judicial District Court in Utah opened this morning at 11 a.m., Jacob S. Beaumont, clerk.

Wm. W. Bishop, from Pioche, Nevada, engaged on the defense of John D. Lee, with Messrs. E. H. Housh and Willie Spicer, was admitted to practice before this court, and it was moved that Lee be called to answer to indictment for the charge of murder. Lee brought up to-morrow morning to answer to the charge of murder in the Mountain Meadows massacre.

Eleven grand jury verdicts accepted as a basis or the usual examination as to bias or prejudice to finding indictments against polygamists.

General Maxwell and deputy marshal Pratt, of the Third District Court, Salt Lake, arrived here yesterday last evening, bringing Col. W. B. Bates, charged with murder in the Mountain Meadows case, who was taken from this city last November to the penitentiary.

Messrs. Sutherland and Bates, attorneys for Bates, have been heard in court, having to answer as to alleged contempt of court, Bates having proffered to give security for the appearance of parties indicted for murder in the Mountain Meadows, and not yet arrested.

Counsel for Lee are determined, if possible, to bring the case to trial to-morrow, and it is fully believed that the Court do not intend to bring up this case the present session, through lack of evidence. They interviewed Lee a few days ago, and he has good health and anxious for trial and declares his innocence. He feels confident of acquittal on the present indictment. His wife, Elizabeth, said it is fully believed that his attachment to Lee as fresh as when he was arrested last Fall at Panguitch, who turned states evidence, making himself a confederate. He has been here some time ago at Pioche, being inquired for, but is not to be found. He is said to have been Bishop at the time in October, 1875, and is said to have been one of the main leaders of the massacre.

**Our Country Contemporaries**

Ogden Junction, April 5—

Lots of emigrants for the West. Ten car loads will go out this evening on the C. P.

At I. O. C. P. Secret we record the death of Miss Annie Wallace, old-daughter of Mr. Thomas Wal-demat, of this city. She was a bright, smart, intelligent girl, about fifteen years of age, but was attacked with the disease commonly known as St. Vitus' dance; dropsy ensued, which terminated in her death, this morn-ing, at I. O. C. P.

Last Thursday night the body of a man was found on the C. P. R.R., the other side of Toano, with one leg cut off and the head nearly so. He was identified as a man named Roberts, who had been hanging around saloons and hotels in Ogden during the winter. It is supposed that he had been in his way westward, and being intoxicated, fell from the cars and was killed.

# NOTICE TO THE TRADE.

THE UNDERSIGNED NOTIFIES THE TRADE THAT he has been exclusively engaged in the Hat, Cap, Boot and Shoe business for the last twenty-five years, and he wishes to call your attention to the fact, that in order to serve the trade this season, he has made very large purchases in the above lines, and will keep the stock full through the season. Any orders that the trade may favor him with will have prompt and careful attention, and at the very lowest prices. He hopes, by strict attention in above specialties, and not interfering in his neighbors' business, to merit a portion of the patronage of the trade.

Respectfully,

**GEORGE DUNFORD.**
