WASHINGTON, 23.—The delegation

from the Upper Missouri Sioux, brought

here by Asst. Secy. of the Interior

Cowan, had an interview with the Pre-

sident today. One of the chiefs in a

speech said he had nothing against the

whites. He wanted to be left on their

reservation, but did not want to be

crowded off it. The President in reply

said he would not force them to go, but

they might go home now and talk over

the matter. He urged them to instruct

their young people in the arts of civil-

ization and said they must live in peace

with the whites.

BALTIMORE, 23.—The Common wealth

Insurance Co. has been ordered to suspend

business on the ground of fraudulent

transactions.

BOSTON, 23.—The Board of Aldermen

deputed one of their number to attend

to the health of each district to prevent the

spread of small pox and other danger-

ous diseases.

NEW YORK, 23.—The New Haven,

Connecticut, says that the Br tian

Works at Meriden are in flames, and

the whole extensive building will prob-

ably be destroyed.

Major Ward, alias Warren Keller,

has been sentenced to ten years, for

defalcation of \$100,000, in the

case of the defalcation of \$100,000.

NEW YORK, 23.—At a reception given

to-night at the Lincoln Club,

he made a few remarks, saying his

present journey was made with the

concurring judgment of Liberal Repub-

licans and Democrats to commit-est. He

did not mean to be tortured into saying

anything to the contrary, saying his

present journey was made with the

concurring judgment of Liberal Repub-

licans and Democrats to commit-est. He

did not mean to be tortured into saying

anything to the contrary, saying his

one which made the terrible wound

which was so fully described at the

time. Only two blows were struck,

and the man who was robbing him of

his watch grabbed it, and seeing him

fallen and bleeding, they all ran off

leaving him in a different

position.

DETROIT, Mich., 23.—The most fur-

ious case of the season set in last night,

and four vessels have been

beached near the head of Lake Erie.

Other disasters are feared.

MILWAUKEE, 23.—In a severe N. E.

storm two vessels were beached; the

passenger and crew were rescued by

the revenue cutter Andrew Johnson.

BOSTON, 23.—There were funeral

services to-day, at Mount Evers chapel,

over the remains of Wm. Smith, a

well known actor and manager, who

died recently in California. The Rev.

Freeman Clark officiated. There was a

large attendance of friends, including

many members of the press.

PHILADELPHIA, 23.—The trial of

Michael Trumbull for the murder of his

cell mate, Wm. H. Webb Eastern, in

the penitentiary, May 7th, was con-

cluded on Saturday. The verdict was

"murder in the first degree." The plea

of the defense was insanity.

HARTFORD, 23.—The loss by fire at

the Meriden Brass works was

\$500,000. Insured.

NEW YORK, 23.—The committee to

investigate the Ward's Island insane

asylum case, examined the warden and

Dr. Reed, chief physician, whose testi-

mony was conflicting, there being

evidently a bad feeling between them.

It appears from the doctor's testimony

that there have been numerous abuses

in the management of the patients.

Patrick Quinn, a laborer at the navy

yard, was found dead this a.m. in the

yard of a tenement house in Brooklyn;

he had been evidently murdered and

robbed.

Rev. Francis Vinton, assistant min-

ister of Trinity parish, died this a.m.

CHICAGO, 23.—A severe storm with

ice and snow, fell here last night. Marine

disasters are feared, but none in this vicinity

are reported.

WASHINGTON, 23.—A large number

of clerks in the departments from the

States where elections occur next

month, have already left for their

many others will leave during the present

month.

ber.

St. Louis, 23.—While several of

Forepaugh's circus were in the city

at Jerseyville, Ill., last evening,

drinking with some citizens, they be-

came very boisterous, and City Mar-

shal McKimney attempted to arrest

them—a young Irish man named Jones,

who had charge of the ticket wagon.

This was resisted by Jones and his

friends, whereupon McKimney shot

Jones in the breast, inflicting a mortal

wound. Great excitement followed,

and apprehension was felt that the cir-

cus men would burn the town. The

managers of the circus finally quelled

the mob. The circus left the town this

morning. McKimney escaped. Jones

has relatives at Marshalltown, Ken-

tucky.

counsel, Satanta, in a private talk with

Captain Alvord, Campbell and

Supt. Hoag, denied that he was at the

massacre of Wilson's train, and said

that there was no evidence of his guilt

produced at his trial, and he was un-

justly condemned. It is not intended

to take Satanta and Big Tree to Wash-

ington, but they will probably be placed

in the custody of the U. S. marshal to-

morrow and held subject to orders from

Washington. There is a strong desire

on the part of the Indians that Satanta

shall be pardoned, and it is probable

he will be if the desired terms can be

made with them. The party will be

shown round the city to-morrow, and

will probably start for Washington on

the next morning train.
