EDITORIAL NOTES.

Woodstock, a town in New Brunswick, was burned down early this to whom wrangling and tumult are morning. The telegraph gives some particulars.

An exchange says: "Iowa is rapid- the Federal offices are held by "Genly ascending to the custom of elect- tiles." They want all the local offiing women to the office of superin- ces which are in the gift of the peotendent of schools, and it is said to ple. These they cannot obtain by give great satisfaction to the public. American methods. The ballot box They are claimed to improve the is the most formidable barrier in schools, reduce the expenses and their way. Once they claimed that keep honest accounts,"

The Star route flasco is not a sured. The secret ballot does not help prise to close observers. The whole them a vote. They are the enemies raid was doubtless made for political of the masses and the masses know effect, and now its purpose has been it. They are the defamers of the served, the alleged swindlers will people and the people understand slide along. It is by no means cer- and despise them. They make the tain that Brady was as bad as he outcry. They call for special legiswas painted. Anyhow he will go lation and the Mail wants them sout free. "protected."

The Richmond (Mo) Conservator of November 4th, says: "David Whitmer, er., had a congestive chill a tew days since, and for several fy the characters of our best men: hours his life hung on a balance," This no doubt originated the rumor that Mr. Whitmer, the last of the three witnesses to the Book of Mormon, was dead.

Grant's influence at the headquarters of government is quite important. He admits that he wanted Blaine out of the Cabinet, The former "silent man" still cuts a large figure in national politics, and it is not unlikely that he will exercise a power that will be beneficial as well as extensive. Arthur might have a worse adviser than the great American sol lier.

Lady Bective has made her name famous in English history by taking practical steps, both in example and precept, to sustain home woolen ducts. She is the only daughter of the deceased Marguls of Devonshire and is a handsome, aristocratic-look-

bither and thither as they please, vote for whom they like, associate with whom they desire unless some of their own class put the screws on

them and blackguard them for called at a previous conference. mingling with the "Mormons," and Baturday, November 5. President Taylor and brethren met are as free, so far as"the majority of

the people here are concerned, as with President T. J. Jones and oth-they could reasonably ask to be. What do they lack? Ask them. they could reasonably ask to be. What do they lack? Ask them. The majority of them have no grievance at all. The minority, comprising the restless, uneasy, ad-venturous class, including some office holders, and more office seekers, men who profit by strife or to the San Juan Mission, and at 10.30 the party started for Pinto. This place being off the gen-erally traveled road, it was proposed that a suitable person accompany the President as guide, which was gratefully accepted, but on starting, it was found the guide was not quite ready, but would follow. After traveling some 15 miles, part of the

some 15 miles, part of the trave way in fear of being on the wrong road, the party halted for noon at the ranch occupied by Bro. Thomas Woolsey. In about half an hour our pleasures, desire to take the management of local affairs out of the hands of the "Mormon" majority. All guide arrived, to inform us we were on the wrong road. He seemed much pleased to know we had on

WHO'S IN DANGER?

THE Ne + York Mail, in common with some other eastern jurnals, has gone off into tantrums on the "Mormon" question. This appears to be the most convenient subject for editors to fall back upon when from the arrival at Beaver: tired out with hunting for some thing popular to write about. They can slash away without troubling their brains. Only give the "Mormons" fits, and thro # in something about the "twin relic," or "cancer-ous excressence," or "loathsome ul-cer." with references to "Christian ver at 8.30 o'clock for Parowan, ar-

Lyman bad started for Salt Lake at the time, and all efforts to stop of "bravery" for men who revile the City this morning. "Mormons" and strut as bold champions of "Coristian civilization," is Tuesday, Nov. 8th. The members of the party all well nothing but froth and fustian. The loudest-mouthel defamer among At 10 o'clock a. m. the Saints conthem would be quiet as a lamb and would hunt his hole like a coyote, if the stories he invents or repeats about the turbulence and lawlessness of the "Mormons" had the slightest foundation in fact.

here last evening. Thursday, Nov. 3rd,a fine pleasa civilization," "social purity" and "maintenance of law," and they can reel off yards of unsupported state-ments about the condition of Utah,

and repeat the most improbable nonsense without danger of their folly being recognized by the great majority of their readers. For, there is no subject of public interest that is so little understood by people of general information, as that which general information, as that which is commonly called "Mormonlam." The Mail says:

"Congress, at the coming session, should, without delay, perfect its legislation against Mormonism, and ses to the protection of the Gentiles in Utah, who are brave enough to strike the blow that will prove fatal to the cancerous excreacence,

strike the blow that will prove fatal to the cancerous excreasence, etc." "Protection of the Gentiles" is good. Will the Mail please explain what protection is needed? Of what do they complain? Are they in any danger? Does anybody threaten them? Do they not eojoy every liberty that is possible in any Terri-tory of the United States? The very large majority of the "Gen-tiles" in Utah have a better thing tilles" in Utah have a better thing than they ever secured elsewhere. They make money, they follow their trades, professions and enjoy-ments. No one interferes with them in the lesst. They ray light ments. No one interferes with the saints. Elder George Ingram was selected der of his cousin James A. Wetsell, Angust, 1879, was hanged in the jail yard to-day. The time for his execution has been fixed three times by the Governor. He ascend-all as benefactors.

This is a statement they authorize to be made, which insures a major-ity of two at least. The Pennsyl-vanis member, Brum, who is count ed a greenbacker, will vote the straight republican ticket. In the House, without the votes of the four Missouri greenback republicans the republicans will have 150 votes for Speaker against 143 for the dem-ocrats if all the remaining votes are cast for their nominee. This evening, arrangements were made for President Cannon and Apostles Lyman and Smith to pro-ceed direct to St. George, holding meetings by the way, whilst Presi-dent Taylor and Woodruff, and the rest of the party should proceed by way of Pinto and Pine Valley.
