DESERET EVENING NEWS.

ADMITTED NOVEMBER 1, 1895.

INTERESTING WILL CONTEST

Mrs. Fannie W. Groves Disputes the Will of the Doctor.

Chancery to be Held Next Wednesday Evening.

The fire and police board found it possible to hold a meeting yesterday, Commissioner Stephens having received sufficient from his recent attack of illness to be in attendance, thus making up a quorum. They therefore convened in special session at 5 o'clock.

The suspended attorney, Tremayne and Fitzgerald, being exceedingly anxious to go to trial, Chairman Jenkins stated that the board would ready at almost any time to hear such.

Judge McKey, as counsel for Tremayne, stated that next Wednesday would be a very agreeable time for the trial of his client, and as Fitzgerald was willing to have the case tried at the same time, an order was made to have the trial date set for commencement of proceedings at 10:30 A.M.

Chief Justice gave notice of the success which crowned his efforts in inviting the International Fire Engineers to hold their next convention in Ogden, and was anxious that Commissioner Stephens be invited to attend.

Upon a report of the fire chief, as in the real necessity of 1,000 feet of hose for the department, the clerk was ordered to buy 1,000 feet.

The claim of an extension to the effect that certain invention of his son which he had obtained a patent on was now in use in the department, was denied, and demanding its removal, was rejected by the chief justice, who said the apparatus remained unused.

After approving the pay roll of the fire department in the sum of \$2,400, and bills of the police department amounting to \$10,000, the board took an adjournment until next Monday evening.

that of last year, the great feature of this year's crop is that the seeds contain a greater percentage of saccharine matter than formerly, due to improved methods of cultivation, and that the sugar content of the sugar is larger than the seeds will be very large.
