H. J. MCULLOUGH,  
District Poundkeeper.  
More Precinct June 17, 1884.

HALL'S  
Vegetable Sicilian  
HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfillment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

## BUCKINGHAM'S DYE

Z. C. M. I.

H. S. Eldredge, Esq., Supt. Z. C. M. I.,

DEAR SIR.—I am the owner of a Miller Wrought Iron Range, No. 18, with elevated oven shelf, which I purchased from you and consider it just capital. I believe it consumes less fuel than the ordinary No. 7 Stove; it is roomy and large enough for a family of thirty persons; it bakes well and has the best attachments for hot water I ever saw, requiring no extra fuel to keep forty gallons at boiling heat, it takes up but little room, is plain, and consequently easily kept clean, in fact it is homelike and comfortable.

When in Cincinnati in January last, I learned from one of Mr. Miller's salesmen, they had just taken in exchange for a larger one, the first Range they ever made, which, after being in constant use for over sixteen years, was apparently as good as new.

I only know of three defects with it, it has to be set in place, it has to be cleaned occasionally, and you have to buy Coal or Wood for it; if you can find something that obviates these inconveniences, do so, if you cannot, then buy a Miller, and you will always find your wife happy, and your food well cooked.

Yours truly,  
E. H. PARSONS,  
547 Second South Street E.

SALT LAKE CITY, May 19th, 1884.

Z. C. M. I.,

GENTLEMEN.—The Miller Wrought Iron Range I purchased from you, gives the greatest satisfaction as regards its Baking and Cooking qualities and also its Water Heating Apparatus; I do not believe its equal can be found, and as an economizer of fuel I can cheerfully recommend it.

Yours very truly,  
JOHN H. GROESBECK.

SALT LAKE CITY, April 25th, 1884.

Z. C. M. I.,

GENTS.—The Miller Wrought Iron Range I purchased from you nine years ago, is still in use and giving entire satisfaction; I would not sell it at any reasonable price if I could not get another of the same kind. I would recommend all wishing to get a First Class Range, to buy the Miller.

Yours truly,  
WILLIAM NAYLOR,  
Thirteenth Ward, Salt Lake City.

SALT LAKE CITY, April 20th, 1884.

Z. C. M. I.,

GENTLEMEN.—I cheerfully recommend the Miller Wrought Iron Range as by far the Best Cooking Range that we have ever used, our experience embracing several kinds. As an Economizer of Fuel it is apparently perfect, and as a Boiler Attachment Heater, I know of none so good.

Very truly yours,  
BENJAMIN HAMPTON,  
Twelfth Ward, Salt Lake City.

GENTLEMEN.—I take great pleasure in endorsing Mr. Hampton's Testimonial, from a grateful experience during the past year.

Yours respectfully,  
GEO. T. ODELL,  
Twelfth Ward, Salt Lake City,  
of Grant, Odell & Co.
