TRUTH AND LIBERTY

"I HAVE BEEN OFFERED MONEY TO WITHDRAW BUT I'LL NOT DO IT."

GEORGE T. ODELL.

THE REPUBLICAN BATTLE IS ON.

Tremendous Struggle is Now Under Way for the Mayoralty Nomination of This City.

OTHER OFFICES LOST SIGHT OF.

Many Charges About the Prodigal Use of Money for the Purpose of Influencing Delegates.

BITTER SEAT CONTEST IS WAGED.

Horns Also Locked Over Question of Permanent Chairman—Knox Man Wanted, James Man Ditto.

COMMITTEES MEET.

Came Near Being Two Reports on Permanent Chairmanship.

The committee on permanent organization and order of business had hard sledding during the noon recess. In fact, it ran clear off the snow and ice altogether and hit mud and gravel. The obstacle in its pathway was the permanent chairmanship upon which the committee could not agree at first. Mr. G. S. Holmes was temporary chairman as stated elsewhere in the convention report. He is known as a Knox man. For consenting to his election the James men say it was understood that they were to have the permanent chairmanship. To that end they presented the name of Parley P. Christensen, and finally won in the contest.

PERMANENT ORGANIZATION.
The permanent organization as agreed upon was as follows: P. Christensen, permanent chairman; Colonel William Nelson, vice chairman; W. D. Ritter, secretary; A. L. Thomas, Jr., assistant secretary; W. F. Hill, P. L. Johnson, and E. S. Ure, sergeants-at-arms.

ORDER OF BUSINESS.
Report of committee on credentials; report of committee on permanent organization and order of business; acceptance of the platform and resolutions; nominations for mayor, treasurer, recorder, attorney, and auditor; in the order named. The election of chairman of the city committee; selection of city committee itself.

One of the most animated political battles ever waged in this state is on in the Grand theater this afternoon. The struggle is the more extraordinary for the reason that it is within the ranks of a single organization, the Republican. Not since the memorable wrecking of the Democratic party some years ago, when it failed to elect a United States senator, has there been anything like the acrimony that is in evidence in and about the Grand theater as the "News" goes to press.

While the purpose of the convention is to nominate a full city ticket, the majority contest obscures almost every other consideration. For this important and honorable place there are three candidates—Frank Knox, banker, W. F. James, mining man and capitalist, and George T. Odell, implement and machinery merchant. It was the conservative judgment of delegates in all three of the camps throughout the day that the chances for success were about in the order indicated, though not many of the James supporters would concede that there was a prospect of them losing. On the contrary they took the strong ground that he was sure to win. In the Odell line-up there was little hope though he had loyal workers who said they would stay with him to the last. It is not probable that there will be any nomination until very late this afternoon or until this evening. There are too many differences to settle in the meantime. The Knox men say that victory will be theirs on the first ballot, claiming that they have secured many Odell men during the night and day; and that should the improbable happen and the issue go to a second vote they are bound to win in that juncture of the fight.

LOST SIGHT OF.

When the majority struggle is out of the way there will come the nomination of other candidates. But at present they are simply guessing. Not a man of them knows where he is at. At least he feels mighty uneasy and will continue to do so for hours to come. The candidates for the other offices are—for recorder, A. L. Simons; for attorney, W. R. Hutchinson; for George L. Nye; for auditor, H. Jenkins; and J. J. Meyers; for treasurer, J. P. MacKnight; R. B. Whittemore and Joseph Swenson.

THE MATTER OF MONEY.

The question of the purchase of votes and support in the convention was freely talked of today. In fact it was

a common scandal about the Grand Theater and on the streets. Specific charges were made and it is said that there will be some lively prosecutions just as soon as the nominations are over with.

THE PROCEEDINGS.

The interior of the Grand Theater was unusually plain for a political convention. There was an entire absence of decoration beyond the display of an American flag and the conspicuous placing of the portraits of Lincoln, McKinley and Roosevelt. Held's band furnished the music today and it will for the Democratic convention at the same time and place tomorrow.

The convention was late in starting, and it was not until 11:15 that City Chairman D. C. Elchorn rapped for order and asked the delegates to be seated. Meanwhile Held's band rendered a few stirring selections and at 11:30 Mr. Elchorn, in a few well chosen remarks, introduced Temporary Chairman G. S. Holmes, whom he characterized as a thorough republican and one whose house had always been open to the Republican cause. Mr. W. D. Ritter was introduced as temporary secretary.

CHAIRMAN HOLMES' GREETING.

Chairman Holmes extended to the delegates a cordial greeting. He expressed the conviction that this was perhaps the most important convention ever held in this city and he believed that the work done would rebound to the credit of the Republican party and perch victory upon its banner not only this year but for years to come. He ridiculed the idea that party politics should not figure in local affairs, for such a policy, said he, had made the nation what it was today—the very greatest upon the earth.

Chairman Holmes exhorted the delegates to do their full duty, not only to their party, but to their city, by selecting the very best men to fill official positions in the municipality. He urged the delegates to name representative men, men who would be able to handle the growing affairs of the city and after naming them, to be true to their party and elect such men as they for which they had been selected.

READ THE CALL.

Secretary Ritter then read the official call, after which Mr. D. H. Wagoner moved that each precinct name its committee, which motion was duly seconded and carried. The committee-men named were as follows:

CONVENTION COMMITTEES.

Credentials—Morris Steifel, M. R. Stewart, A. E. Asper, A. T. Sanford, W. F. Adams.
Organization and Order of Business—W. F. Hill, R. E. Cleveland, J. L. May, R. L. Clinton, S. B. Westerfield.
Platform and Resolutions—Jacob Moritz, William Nelson, E. D. Miller, Glen Miller, Dr. E. B. Silver.

NECESSARY TO A CHOICE.

According to the official call the convention is for the purpose of nominating candidates for the following offices: Mayor, city recorder, city treasurer, city attorney and city auditor. The convention will also elect a Republican city committee of 19 members, two from each municipal ward, as per the amendments made at the precinct primaries last night. The big meeting consists of 511 delegates, so that 256 votes will be necessary to a choice.

RECESS TAKEN.

It was agreed that the committees named meet on the stage after adjournment and select places at which to meet, after which the convention adjourned until 2 o'clock.

CONTEST HEARINGS.

How Senator Kearns Was Shut Out in the Thirty-Ninth.

The committee on credentials held a long and heated session in the office of George Nye and considered contests in three districts, Nos. 24, 28 and 39. In the Twenty-fourth district the Knox delegates were elected at the primaries and their election was contested on the ground that ringers, non-residents and Democrats were brought in by the Knox backers and voted. Thomas Hull and W. R. Jones appeared before the committee in behalf of the contestants and Atty. James Ingebreten and Messrs. Caldwell and Cronin were examined in behalf of the successful delegates. After the Knox delegates were elected, the James faction held a meeting and elected delegates and have filed the protest against the former delegation.

In the Twenty-eighth district there were a number of illegal votes cast for the successful delegation by people who were not residents of the district. The Knox delegates were elected and the James delegates ask to cut them from the convention. A. F. Doremus headed the delegation elected but he emphatically denies that he was a party to the slate transaction, or that he knew anything whatever about the crooked work which was alleged to have been done to elect the delegation. The heads, Messrs. Doremus, Hagman, White and Garrett appeared before the committee in regard to the contest in that district. The two latter representatives of the contestants.

The chief ground of contest in the Thirty-ninth district is that Senator Kearns and wife were not allowed to vote because they arrived after the count of the votes had been commenced. Atty. L. R. Rogers and Senator Kearns appeared before the credentials committee in behalf of the contestants and W. D. Ritter, A. B. Irvine and James Sabine in behalf of the successful delegation.

SOME SURPRISES.

The public was treated to several surprises in the precinct conventions last night. For instance, among those who fell by the wayside were:

Councilman Eardley in the Second.

The defeat of Councilman Sharp in the Fourth.

The slaughter of Councilman Daveler in the Fifth.

The election to a place on the Republican city committee of Detective George A. Sheets.

STARTLING STATEMENT OF ONE OF THE CANDIDATES FOR MAYOR.

If evidence were lacking as to the correctness of the sensational charges that money is being disbursed with a lavish hand to influence the delegates elected to the city convention it was supplied to the Deseret News today in a most sensational statement from Mr. George T. Odell, one of the three candidates for mayor. The report was freely circulated about the convention hall this morning that Mr. Odell scented defeat this afternoon or evening, had withdrawn from the contest. For the purpose of ascertaining the truthfulness of the rumor a "News" man went direct to Mr. Odell and asked the question:

"Is it a fact, Mr. Odell, that you have withdrawn from the fight in the interest of Mr. Knox? That is the current report."

"I know it is the report but it is not true," was the prompt response. "I have not formed a combine with anybody and I'm not going to withdraw. You will oblige me greatly by saying this wherever you can among the delegates. The story is put out for a purpose. Please make the denial for me as often and as strong as you can. There are those who want me to withdraw and (this was spoken with marked emphasis and deliberation) 'I HAVE BEEN OFFERED MONEY TO WITHDRAW BUT I'LL NOT DO IT. I AM IN THE FIGHT TO THE END. MR. ELMER JONES WILL PLACE MY NAME BEFORE THE CONVENTION. WAIT TILL YOU HEAR HIS NOMINATING SPEECH AND SEE WHETHER I HAVE WITHDRAWN.'"

Mr. Odell spoke and looked like a man who had gone into a bad game and had got the worst of it. That he was thoroughly disgusted was perfectly apparent. He was not inclined to say who had offered to make it worth his while to get out of the way but he repeated as he disappeared in the crowd "I HAVE BEEN OFFERED MONEY TO WITHDRAW BUT I'LL NOT DO IT. JUST REMEMBER THAT I AM IN THE FIGHT TO THE END AND DON'T FORGET TO MAKE THE DENIAL FOR ME, PLEASE."

It may be that at a later time and place Mr. Odell will disclose the identity of the person or persons who had the nerve to offer him a most terrific shaking up. That those who made the offer to him did have NERVE and that the sum to be given was large there can be no doubt, as Mr. Odell is a man of means if not wealth himself. The envoy of dishonor who approached him would realize that it would look decidedly "small" to name an ordinary amount. Who was the culprit? In the minds of many delegates Mr. Odell owes it to his friends, the convention and the public to disclose it.

ANOTHER RECESS.

Account of Fight Over Credentials Convention Adjourns to 3:30.

The convention was called to order at 2:30 o'clock this afternoon at which time Chairman Holmes asked for the report of the committee on credentials. There being no response the sergeant-at-arms was instructed to ascertain how soon they would be ready. Meanwhile the band played and at 2:40 word came that the committee would not be ready to report until 3:15. This brought forth several motions to proceed with other business, but they being ruled out of order a motion that the convention take a recess till 3:30 carried, and the delegates filed out of the building.

Provo, Oct. 15.—The Republican city convention met in the Opera House at 10 o'clock this morning and was called to order by Chairman Homer who named the following temporary officers: A. J. Gould, chairman, Mrs. Kitty S. Hines, secretary and Charles Leavitt, assistant secretary.

(Special to the "News.")

Logan, Oct. 15.—The Republican primaries were held in the various wards of this city last evening, and the following nominations were made: First precinct, W. G. Danielson, Olof I. PRESIDENT REMOVES U. S. MARSHAL F. A. FIELD OF VERMONT.

RUSSIA READY FOR ANY EVENTUALITY

War and Navy Departments Want It Understood That They Are Fully Prepared.

BUT WAR IS NOT DESIRED.

China's Opening of Mukden, Capital of Manchuria, to Japan, Considered Significant.

Paris, Oct. 15.—Official dispatches from St. Petersburg say the Russian ministers of war and of marine have announced that while not wishing to make any move likely to precipitate hostilities in the far east, yet both departments of the government wish to have it known that they are completely prepared to meet any eventuality.

Official advices from Japan and China show that the negotiations between the Russian minister to Japan, Baron de Rosen, and the Japanese foreign minister continue, but their status is not disclosed.

In the meantime the officials here have been informed of the progress of the commercial treaty between China and Japan, which may have an important bearing on the Russo-Japanese situation. The treaty opens Mukden, the capital of Manchuria, and one other port to Japanese commerce. China's opening of the Manchurian capital to Japan, while Russia has not yet evacuated Manchuria, is considered significant and as likely to ameliorate the differences between Japan and Russia.

HOSTILE FEELING ABATING.

St. Petersburg, Oct. 15.—A dispatch received from Port Arthur, says the Japanese from Tokyo show the feeling in Japan to be more tranquil and that the reports of extensive preparations for war are denied. The Japanese war minister has requested the newspapers to be more circumspect in their utterances.

The Port Arthur official newspapers reiterate the impossibility of Russia evacuating Manchuria while the rebellion continues in China and they emphasize the belief that the mikado and the Marquis Ito are both opposed to war.

MANY CONFERENCES HELD.

Yokohama, Oct. 15.—The veteran statesmen's conference with the cabinet at Tokyo Tuesday, while significant of a crisis, are understood to have been pacific, confirmed the prior conferences before the throne June 23, stipulating the integrity of Korea and Japanese retention of Manchuria with a recognition

tion of Russian rights. These conferences indicate that the negotiations are progressing toward a pacific solution of the problem.

Baron de Rosen, the Russian minister to Japan, and Baron Komura, the Japanese foreign minister, held their fourth conference yesterday. It lasted four hours.

M. Lessar, the Russian minister to China, has informed Prince Ching, head of the Chinese foreign office, that if China rejects the demands of Russia, the occupation of Manchuria by the Russian troops will be permanent.

The Russian forces at New Ching have been reinforced by two battalions.

STATEMENT BY TILLMAN.
James H. Tillman, after his acquittal, made the following statement to the Associated Press:

"I feel very grateful at the result of the verdict but at no time did I apprehend any serious consequences. I of course deeply regret the death of Mr. Gonzales, but I was forced to do what I did. I have never apprehended a conviction, for I felt that I did not have done under the same circumstances and what I was compelled to do. My position was fully stated in the testimony given on the stand."

"I did not ask for a change of venue because I was convinced on account of prejudice in Richland county that I could not get a fair and impartial trial in that county. I felt sure that as soon as my cause could be presented to an impartial jury, I could be vindicated. The verdict has justified the correctness of my judgment."

WIFE SHOTS HUSBAND.

She Mistook Him for a Burglar in the House.

Chicago, Oct. 15.—While searching for burglars last night, Herbert L. Butler of Austin, was shot and seriously wounded by his wife. The couple had armed themselves. Butler with a revolver and his wife with a shotgun were discerning the outlines of a person in the darkness, the wife opened fire, and her husband dropped to the floor in agony. There were no burglars in the house.

Smeltermen Quit.

Salida, Colo., Oct. 15.—One hundred and fifty men employed in the Ohio Colorado smelter here quit work today because the management refused them that they would be required to work 12 hours a day. The men offered to accept a 20 per cent cut in wages for an eight-hour day, but the company refused this offer.

Surgical Instrument Dealers.

Chicago, Oct. 15.—Surgical instrument dealers, manufacturers and importers of the United States and Canada are about to organize an association to be known as the American Surgical Trade association. For that purpose a convention has been called to meet in this city next Monday. There are about 300 dealers eligible for membership in the United States.

Paris, Oct. 15.—King Victor Emmanuel and Queen Helena of Italy, accompanied by President and Madame Loubet and a brilliant suite, spent the day at Versailles. The city and the palace were festively decorated and a large military force was on duty. The great

In the afternoon they drove through the park and later returned to Paris. Tonight there will be a gala performance at the opera house in honor of the royal visitors.

JURY ACQUITS

J. H. TILLMAN, The Man Who Shot and Killed Editor Gonzales, Now Goes Scot Free.

HIS FRIENDS SENT UP A SHOUT.

When Announcement Was Made in Courtroom They Made a Demonstration.

THERE WAS FEAR OF MISTRIAL.

Case Under Consideration for Twenty-Hours—Defendant Discharged from Sheriff's Custody.

Lexington, S. C., Oct. 15.—The jury in the case of J. H. Tillman has found him not guilty. The jury announced at 10:45 that a verdict had been agreed upon. The defendant and his attorneys were sent for and the jury then filed into the courtroom and the verdict was read.

A demonstration followed the announcement, friends of the defendant giving vent to their feelings in a shout. The court previous to the reading of the verdict had admonished the spectators to refrain from any demonstration.

Counsel for the defense moved the defendant's discharge from the sheriff's custody. No objections being made by the state, the court made the order. The jury was out about 20 hours before returning a verdict. The defendant shook hands with the judge and members of the jury and was accompanied by his friends and counsel.

There was great uncertainty when court convened today as to whether a verdict would be reached. The court was proceeding with civil business when a loud rapping was heard on the door leading into the jury room. In a moment all were active. The jury was the first sound coming from the room since the jury retired yesterday afternoon. Hasty summons were sent out and with a little loss of time as possible the court had the jury's announcement made, thus terminating this important case which was begun six days ago.

Soon after the jury retired yesterday a ballot was taken, the result being 10 to 2 for acquittal. After some deliberation one of the two went over to the state's attorney, but it was not until about 20 minutes before the jury returned to the court today that an agreement had been reached that the twelfth man yielded. The long delay caused apprehension that a mistrial would result. The jury could not have stayed out beyond Saturday night. The count in the indictment, charging the carrying of concealed weapons was read a slight of in the trial and was not considered. The wife and mother of the defendant who have attended the trial daily, were not in the courtroom when the verdict was announced, but they were on their way to the courthouse having heard the news, when her son walked out and met her on the street. His wife awaited him at the trial, and was informed of the verdict in advance of his coming. Senator Tillman was not present today, having returned to his home yesterday, where his wife is recovering from injuries received in a runaway accident.

LABOR LEADERS.

Meet to Discuss Questions Affecting Both Sides.

Chicago, Oct. 15.—Employers and labor leaders of national reputation were in attendance today in Steinway Hall at the opening session of the National Civic Federation conference which is to discuss and debate questions affecting wage-earners and employers in effort to better relations between them and to right industrial evil. S. McClure of New York, were among those present at the gathering which was called to order by Judge A. N. Waterman, president of the Chicago branch of the Civic Federation. Capital was also represented by the farmer, T. P. Woodcock, editor of a New York financial paper; Oscar S. Strauss, president of the New York board of trade and transportation, and John M. Stahl, who will represent the agricultural interests, being in attendance.

Judge Waterman made a brief address, stating the purpose of the conference, and asserting that no industrial progress was possible except under the reign of peace which the conference is endeavoring to bring about.

Edward W. Taylor, city prosecuting attorney, welcomed the visiting delegates on behalf of Chicago. Mayor Harrison being unable to be present.

Mutineers' Case Given to Jury.

Leavenworth, Kans., Oct. 15.—The case of the five mutineers, Gilbert Mullins, Turner Barnes, Frank Thompson, Fred Robinson and Robert Clark, charged with the murder of General Walbridge in the sensational jail break at the Fort Leavenworth military prison on Nov. 7, 1901, was given to the jury at noon today.
