## QUEEN VICTORIA.

All the pomp and spiander and re-lying that the British mation is capa-s of are being put forth in the capa-ation of the sixtists anniversary of e coronation of Queen V cturia. Nor bratism of the sixtistal anniversary of the coronation of Q-sen V-circis. Nor can it be said that the terms being shown to the soyal rules is in measurement of the soyal rules is in measurement of the soyal rules in measurement of the soyal rules is in measurement of the soyal rules in measurement of the soyal rules is a strong and shiding lives for the glei-queen of sixty years ago, whose subs queen carrier of obbie motiverhood and womanhood has added to her crewer disdems of more priceises vatus than can be found among the genes of the microstal world, and has given to been power among her people unit armies and averse could not world. The British the home life and semiments of those who dwell in the British these the some life and semiments of those who dwell in the British lines and in the colonies that give rollitical allegiance to the imperial covernment.

Besiden, the royal rules is mersy in fluoreness, subject to ministers and perties, and that the residence with the permit when permit with the oblining bear of an east wind; have been away from power away to the seed away from power away the their positions and permit with the obling bear of an east wind; there were the permit with the obling bear of an east wind, the their great with the obling bear of an east wind, the their great with the obling bear of an east wind, the their great with the obling bear of an east wind, the their great with the obling bear of an east wind, the their great with the obling bear of an east wind, the their great with the obling bear of an east wind, and there are which the obline and present strong for the permit with the obling bear of power, notwithstead as the permit with the obling a power of power and with the permit of the sections. Hintered with the section with a power of power and with the obline and undertunish when the care which the section with a section of the section with the power of the section of the section with the power of the section of the section with the present content of the section with the present content of the section with the present content of the section with the present power of the section with the present and the section with the present power of the section with the present power of the section of the section with the present power of the section wit
