TOM LONGBOAT.

Becomes Professional and May Meet Dorando, the Italian.
New York, Nov. 3.—Word has been received here that Tom Longboat, the Canadian Indian long distance runner, has officially announced himself as a professional and will in all probability arrange to meet Dorando, the Italian runner, who all but won the Marathon race at the London Olympic games. The race will probably be held in New York. After that Longboat will attempt to secure a race with John J. Hayes, the winner of the London Marathon.

Longboat's announcement ends the long-standing dispute between the Amateur Athletic Union and the Canadian controlling association over Longboat's eligibility as an amateur. The A. A. U. some time ago declared Longboat a professional and barred him from competing in amateur events in the United States, but the Canadian association has never admitted the charge.

Every House a White House

If you "Let the Gold Dust Twins do your work"

You have probably in your own experience seen, or at least heard of "the woman who always was tired." If such a woman knew of Gold Dust she could relieve herself of the back- and heart-breaking methods of household cares.

Gold Dust makes spotless floors, milk-white clothes, shining wood-work, clean inviting dishes, and brightens every nook and corner with which it comes in contact.

Gold Dust cuts dirt, grease and stains like magic. It is the greatest cleansing agent that has ever been discovered, and any woman who has tried to keep house without it should "right about face" to-day, and buy a package of Gold Dust at her grocer's.

Do not use Soap, Naphtha, Borax, Soda, Ammonia or Kerosene with Gold Dust. Gold Dust has all desirable cleansing qualities in a perfectly harmless and lasting form. The Gold Dust Twins need no outside help.
