

GOOD TASTE IN BUILDING.

It is to be the purpose of a Correspondent to report on the progress of the building of the new hotel in the city. The building is now in the hands of the architect, and the foundation is being laid. The building is to be a grand structure, and it is to be the pride of the city. The architect is a man of great taste and skill, and he is to be the guide of the building. The building is to be a grand structure, and it is to be the pride of the city. The architect is a man of great taste and skill, and he is to be the guide of the building.
