WASHINGTON, 27.-The Treasury discussing the degrees of consan-guinity which ought to exclude relatives from office, and have

finally settled upon the following

schedule: a person having a father or mother, or a son or daughter in any department of the govern-ment cannot be employed in the Treasury department, and any per-sons now in the departments,

who have any of the above named relatives in the government service

of the Treasury have been found to be made up almost exclusively of members of a few families, who have held their places for a long time in some cases, and many of

these will be removed under the new order. Two other departments are taking notice of the same matter, and quite a number of vacan-cles will be made in consequence.

Suprema Court Business. In the Supreme Court Mr. Evarts made the concluding argument for for a season, on that account. We the claimants in the Hamilton cotalso understand the United States ton case, yesterday; it is asserted that if this case is decided for the claimants, it will throw some \$12, business done by them. The Ter- 000,000 or \$15,000,000 into the hands pounds, which he planted on his ritorial portion has we believe not of a few speculators, who have ranch in the Prickly Pear Valley. yet been paid. It remains with the bought up the rights of the original claimants for a mere song.

> The Third Term-The President, incidentally, in private conversation with several members of the cabinet, and also to-day to a friendly visitor, said the U.S. Marshal's expenses, and if that the agitation in regard to a third term was due solely to certain newspapers, and not to anything that he had ever said or intimated.

> Proclamation by the Mayor-S. marshals cannot, however, be Fraudulent Registration. reasonably viewed as legitimate, and surely nobody with a spark of has issued a proslamation requestreason in his composition could ing the closing of all drinking sawell object to the Territory desir-ing to make the discovery as to whether Congress has any right to legislate away the money of the people of any of the States or Terri-tories without the people's consent. many of whom, it is alleged, have As the jury business is separate and from five to ten registration certificates each, but the authorities do not strike them from the lists.
