## DEMOCRATIC SCHOOL TICKET

Four Members of Present City Board of Education Renominated.

## BOX CAR THIEVES CAPTURED.

Mrs. E. E. Shepard Lectures to W. A. Students Against Vice—Divorce Cases in Court—News Briefs.

Ogden, Nov. 21.—Democratic primaries for the selection of candidates for the school board were held in all of the city wards last evening. The four Democratic members of the present board were named to succeed themselves. With the exception of the Fourth ward, all the selections were made by acclamation. The candidates in the Fourth were H. W. Williams and Harold Peery. After a spirited contest the former was chosen by a majority of two votes.

In the First ward an effort was made to endorse the Republican nominee, and although about 50 persons from the Republican ranks were rallied for that purpose, the effort failed. The proposition was not permitted to be brought up in any form during the meeting. The candidates selected were:

First ward—W. L. Maginnis, Second ward—W. L. Williams, Third ward—Asael Farr, Fourth ward—H. W. Williams, Fifth ward—M. S. Browning.

## CLEVER CAPTURE OF THIEVES.

Whisky Taken from Box Car and Culprits Caught.

Ogden, Nov. 21.—One of the cleverest captures of box car thieves recorded on the line of the Southern Pacific in a number of months was that which occurred at Montello on Thursday and which was reported to the division office in Ogden yesterday afternoon. Station Agent Jensen and Conductor Cordan and his train crew are being complimented by the railroad officials while two alleged whisky thieves are held in the jail at Elko, Nev., awaiting trial upon the charge of robbery.

tion Agent Jensen and Conductor Cordan and his train crew are being complimented by the railroad officials while two alleged whisky thieves are held in the jail at Elko, Nev., awaiting trial upon the charge of robbery.

According to the information received in Ogden the freight train in charge of Cordan was leaving Montello for Winemucca when a switchman by the name of McDermott is alleged to have bolted the train and crawled into a box car. When the train was going up a grade it is alleged that McDermott threw three barrels of whisky from the train.

When the last barrel was unloaded the train had passed over the grade and was going so fast that the alleged box car robber did not dare to jump from the train and was taken into the station and left shortly afterward to gather up his spoils. He in company with a bartender named Hogan gathered up the three barrels of whisky and "cached" them. No sooner had the men deposited their plunder than Jensen, Cordan and the train crew were "hot on the trail." McDermott and Hogan were arrested by the trainmen and taken to Cober, where they were turned over to Sheriff Clark of Elko.

## GAMBLING CONDEMNED.

Mrs. E. E. Shepard, Pres. of W. C. T. U. Lectures to W. A. Students.

Mrs. E. E. Shepard, state president of the W. C. T. U. in a very strong address before the students of the Weber academy yesterday, severely condemned gambling as one of the four vices which the young people should guard against.

Mrs. Shepard began her address by referring to the pleasure it gave her to meet with the students of the school and thanked the faculty for the courtesies extended her. She stated that although her work was primarily along the lines of temperance, that she was also working for all kinds of reforms. Her address was divided into four parts—gambling, drinking, Sabbath-breaking and impurity and upon these

## IN CRITICAL CONDITION.

A report received from the hospital early this morning was to the effect that Lewis Sharp, of Ruby valley, Nevada, who had been operated upon was in a critical condition. The children of the sick man arrived in Ogden yesterday afternoon from Nevada, and are now at the bedside of their father. Several months ago Sharp came to Ogden and was operated upon at the hospital for gall stones, but he never fully recovered from the operation and the second operation was performed recently from which it is feared he will not recover.

## TURKS AS RAILWAY WORKERS.

On the line of the Southern Pacific are employed men of every nationality. This is a statement that has been proven true. The late addition to the railroad company's cosmopolitan crowd are Turks. About 60 of the tanned sons of the Sultan's domain appeared at the office of Cashier McGraw of the Harriman system yesterday afternoon to draw their pay checks. Railroad track men state that the Turks give better satisfaction than any of the foreigners that have been employed thus far by the company.

## THREE DIVORCES GRANTED.

In the district court yesterday afternoon a divorce was granted Frances Stevens from Wilbur Stevens upon the grounds of non-support. The plaintiff alleged that they were married in Charleston, Mass., Nov. 24, 1887, and that on or about Oct. 11, 1907, the defendant wilfully deserted her.

Virginia Wilson was granted a decree of divorce from Thomas S. Wilson upon the grounds of desertion. The couple were married in Ogden, August 17, 1905. The plaintiff alleged that the defendant deserted her more than a year ago. The plaintiff was granted the custody of the child.

Remarks eulogistic of the life and character of the deceased were made by Bishops Robinson and Samuel Weston, and Elders Joseph Gibbons and Joseph Irwin.

In December, 1849, he married Barbara Laird, who bore him nine children, of whom three died in infancy except his sons Robert and David. In July, 1863, she died, leaving him again a widower. On New Year's day, 1865,

he married Mary Craig, who bore him four children, three of whom are still living; on Jan. 7, 1906, this good woman passed away at Parowan, leaving him for the third time without a companion.

He came to Parowan in 1878 with his family, where he has resided since with the exception of about six years, when he resided in Salt Lake City. In 1882 he was chaplain of the legislature, and served in Parowan as bishop's counselor for a number of years. Elder Matheson possessed the gift of healing to a great degree, and many people can testify to having been healed through his administrations. He has always been true to his religion, and had the respect of every one in this community, being one of the few of whom it can be said that he had no enemies.

Friday evening the ringing of the firebells caused some excitement. The cause was the loss of two little girls, aged 6 and 4 years, daughters of Mr. and Mrs. William Kotter who had wandered away about 4 p. m. while Mrs. Kotter was doing some shopping. The little tots were given permission to go and visit grandpa Kotter but when Mrs. Kotter called for the children they had not been to their grandparents. IF YOU WANT A  
**Piano Absolutely Free**

This is your opportunity to get it.

All it needs is a little determination and energy on your part and you will win one before the contest closes. There are just 18 prizes in this contest valued at \$300 and over, and 15 of these are pianos. In addition to these there are 489 other contestants who will each receive presents worth from \$25 to \$250.

Whether you will be one of the 489 lucky mortals or not, is simply a matter of your own inclination. Wishing won't bring you one of these prizes. You have simply got to get busy and do something during the next few weeks. One good day's work on your part would land a prize, providing it was the means of selling a piano. Every piano purchase made in our store from now until the contest closes will mean from 15,000 to 1,000,000 votes depending on the price of the piano and terms of payment.

**BE ONE OF THE 509 WINNERS**

It might just as well be you as somebody else, and if you are already in the winning class, don't be satisfied with a \$25 prize. There is no reason on earth why you should be. It's dead easy to crawl up the list and get something better. Make up your mind today that you are going to have the biggest prize that it is possible for you to get.

TO BE GIVEN AWAY AS A  
**SPECIAL PRIZE**

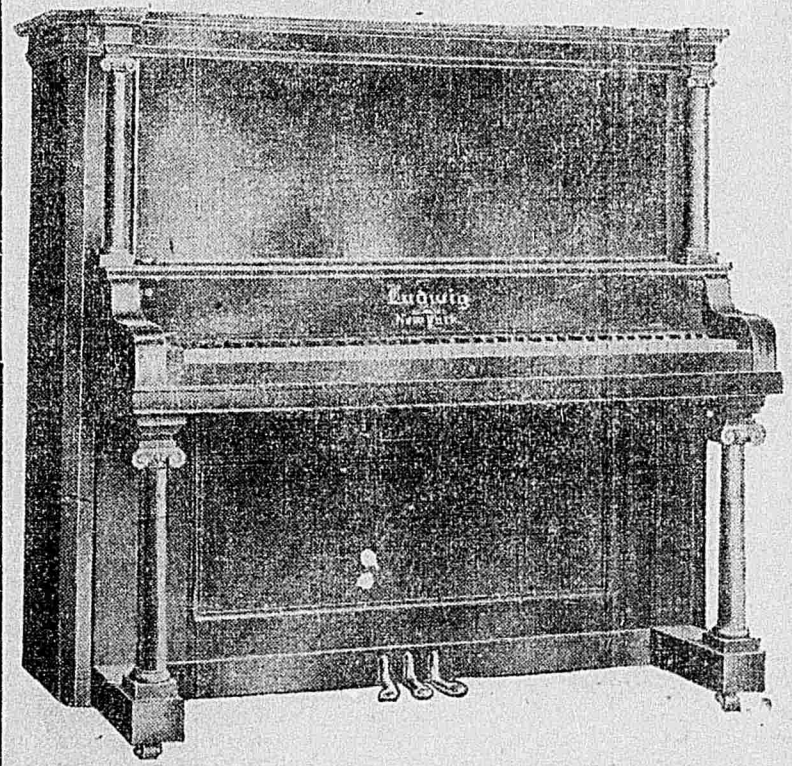

To the Contestant Polling the Most Votes Issued Between Nov. 8 and Dec. 5 1908.

This beautiful \$450.00 Ludwig Piano is offered as a special prize to the contestant turning in the greatest number of votes which may be issued during the next 30 days. No votes issued previous to November 8 will be counted in making our decision as to the winner of this special prize. We want contestants to hustle for all the business they can get during November.

Some contestants have been holding votes ever since the contest opened, while others have voted all the votes they had, and it would not be fair to offer this special prize to the contestant turning in the greatest number of votes unless we made the provision that it must be votes issued between November 8 and December 5 on new business, as it would give some of the contestant's an unfair advantage over others. This is our reason for making the above rule.

ALL VOTES ISSUED BETWEEN THESE DATES AND VOTED UP TO 10 P. M. DECEMBER 5 WILL BE COUNTED BY WELL KNOWN JUDGES IN MAKING A DECISION.

A \$150 LUDWIG PIANO.

New Contestants Stand Just as Good a Chance of Earning this \$4.50 Prize as old Contestants

It does not make any difference whether you are in the contest or not. If you only have 2,000 votes, or even if you have not entered the contest, you stand just as good a show of winning a prize as somebody who already has 100,000 or more votes, because this special prize is to be given to the contestant polling the greatest number of votes which may be issued during the next 30 days.

If you start in as a new contestant and can get more votes during the next 30 days and can make a greater increase than any one of the old contestants, you will be the winner of the piano. Now, this means that if you can 150,000 votes and the old contestants makes an increase of only 100,000 votes, you would be the winner, although the old contestant might have a total of 48,000 votes.

The prize is to be given simply on the increase and not on the total and remember that all votes counted in the contest for this special prize must be new votes issued between November 8 and December 5.

How to  
**SECURE VOTES**

Our plan of awarding prizes is very simple. For every dollar that is paid us on old or new business during the next ninety days, we will issue votes according to the tables herewith.

For example, if you pay us \$10 on an old account during the contest, you would be entitled to 1,000 votes, or if you purchase new goods and paid \$10 cash, you would be entitled to 2,000 votes; or an \$11 cash payment on new business would entitle you to 4,500 votes.

Remember you can vote for yourself or you can give these votes to any church, school, lodge, society or charitable organization you may wish to, nominating them as a contestant of voting for them.

**Buy that piano now and enter the contest.**

Don't forget that every one purchasing a piano from us during this contest sale is entitled to from 15,000 to 1,500,000 votes, depending on the price of the piano and the terms of payment. Furthermore, if you buy your piano from us, you are sure of a valuable prize on Christmas Day.

All cash purchases or cash payments of \$1.00 or more, either by mail or at our store, entitles you to 10 votes. Do not fail to ask for them when you make your payments, and then do not fail to vote.

**Pay up your account in full and get double votes for every dollar.**

From now until the close of the contest, every customer owing us a balance on their piano will get double votes on every dollar, provided they pay the entire balance. We want to clean up the piano accounts, if possible before the contest closes, and to make it an object to you to pay up your entire balance we will consider the payment the same as new business, provided you settle the entire account. Partial payments on accounts will be considered as old business, as heretofore. \$10.00 balance would entitle you to 101,000 votes, instead of 50,500, as heretofore, and \$210.00 balance would entitle you to 2,110,000 votes, instead of 1,050,000 as heretofore. Besides these votes will count on the special thirty day prize, to be given to the one making the greatest increase in votes cast before Dec. 5.
