TUTT'S PILLS

TORPID BOWELS, DISORDERED LIVER, and MALARIA.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, A feeling of having neglected some duty, Dizziness, Flattering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION, and demand the use of a remedy that acts directly on the Liver. As a Liver medicine TUTT'S PILLS have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. TUTT'S PILLS cause no nausea or griping nor interfere with daily work and are a perfect

CHAPTER I.

"I was taken sick a year ago
With bilious fever."

"My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides, and I got so bad I
Could not move
I shrunk!
From 238 lbs. to 120! I had been doctoring for my liver, but it did me no good. I did not expect to live more than three months. I began to use Hop Bitters Directly my appetite returned, my pains left me, my entire system seemed renewed as if by magic, and after using several bottles I am not only as sound as a sovereign but weigh more than I did before. To Hop Bitters I owe my life."

HOW TO GET SICK. — Expose yourself day and night; eat too much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised, and then you will want to know *how to get well*, which is answered in three words—Take Hop Bitters! (5)

THE LIVER AND ITS FUNCTIONS.

It has become a well established fact that the larger portion of diseases to which the human family is subject arise in the first place from some derangement of the Liver. This organ is not only the largest, but at the same time one of the most important. The venous blood, on its return to the heart, passes through this organ, and in its passage the impurities, as also the secretions which are necessary for digestion as well as for a cathartic to assist in the renewal of waste material &c. are eliminated. From this it is easily seen that the Liver is liable to get out of order to a greater or less extent, and when this occurs it is impossible for it to properly fulfil its office of removing all objectionable matter from the blood, but allows it to pass through, carrying with it the poisons of which it should have been relieved.

With impure blood the wholesystem becomes affected, and no organ can properly perform its functions unless it is supplied with PURE BLOOD to maintain its strength. So the Liver becomes all important, and when the has the feeling of being continually tired, worn out, is constipated, with tendency to Piles, Headache, Sick Stomach, Sallow Complexion, Dyspepsia, Dizziness, Loss of Appetite, they may be sure their Liver is out of order, and a remedy is required to assist nature in relieving them of all accumulations, and restore this its original Strength and Vigor. For all the complaints of this kind Sheep is so well known and so justly celebrated for its

DR. R. F. SHERMAN'S PRICKLY ASH BITTERS.

The result of years of study, experience and practice of Dr. R. F. Sherman, the originator, and its success is without a parallel in the history of medical science. Sure for its merits. Drastic Purgatives and thus allow the use of remedies that have but one effect — that is by their violent action to derange and weaken the system.

Prickly Ash Bitters acts directly on the Liver, Kidneys, Stomach & Bowels, in a mild yet effective manner, and is as pleasant to the taste as any cordial, and is so mild that children can safely be given it.

PRICKLY ASH BITTERS is a medicine of rare merit, and not an intoxicating beverage, and being purely vegetable in its composition can be used at all times with beneficial results. It is not claimed as a cure-all, but for derangements of the system as mentioned in this notice it is unsurpassed. If it is a BLOOD PURIFIER you should use other preparations. Ask your druggist for it, and give it a special trial. If he has none on hand, ask him to order one for you.

EVENING NEWS.

Monday, - Dec. 24, 1883.

ST. GEORGE STAKE CONFERENCE.

ST. GEORGE, Utah, D.c. 16th, 1883.

Editor Deseret News:

The Quarterly Conference of St George Stake began its meetings at 2 p. m. Friday the 14th, continued its sessions Saturday the 15th, and to-day the 16th.

We have been blessed with the presence and administrations of four of the Apostles: President Wilford Woodruff, Erastus Snow, Francis M. Lyman and George Teasdale. We were also favored with the fervent faith and venerable presence of President Henry Harriman, of the First Seven Presidents of the Seventies.

We had as visitors: President Thomas J. Jones, of the Parowan Stake: President Jesse W. Crosby, Jun., of the Panguitch Stake; Counselor Daniel Thompson, of the Presidency of Millard Stake, and our old time fellow laborer Henry Lunt, of Cedar City.

Every ward of St. George Stake was liberally represented by the presence of priesthood and people, except Pansoca, which is a hundred miles from St. George.

Among the proceedings was a conference of the Relief Societies of the Stake which was addressed by President Woodruff, Brothers Snow and Teasdale, Sister Emma S Woodruff, Sister Minerva W. Snow, Stake President, and reports and remarks by the local presidents of the Relief Societies, expressive of diligent faithfulness among the Sisters in this organization.

This was followed by a Conference of the High Priests of the Stake, at which instructive addresses were delivered on the duties, powers and privileges of the Holy Priesthood by Brothers Woodruff, Lyman and Teasdale.

Friday concluded by the Conference of the Sabbath School Stake superintendents and local superintendents and teachers, at which the same brethren again spoke.

Saturday's proceedings consisted of opening remarks by President Woodruff; reports by the Bishops of the Stake, and addresses by Apostles Lyman and Teasdale, and by Presidents McAllister and Thos. J. Jones.

On Saturday evening the Stake Priesthood meeting convened and the time was occupied in a very edifying manner by the delivery of addresses by President Woodruff and Brother Erastus Snow, by the reading of the revelation given to President John Taylor, on the 13th of October, 1882, and by the asking and answering of questions.

Sunday's proceedings, after the preliminary exercises, began with a discourse by President Woodruff, which lasted one hour and nine minutes. He was followed by Brother F. M. Lyman. The afternoon was occupied by Brothers Erastus Snow and George Teasdale.

Our ninth meeting of this Conference was spent in conference of the Young Men's and Young Ladies' M. I. Associations, the speakers at which ministered in the following order: F. M. Lyman, George Teasdale and Wilford Woodruff.

ports and lists of Authorities were presented.

The subjects treated upon were: the setting of ourselves in order; the principle of oneness; the necessity of observing the Word of Wisdom and keeping the whole law of God; the importance and responsibility of the office of Teacher; the scarcity of Priests and Teachers in the organizations of the Lesser Priesthood, and the propriety of adding to these denominations of that Priesthood, and of causing a suitable practical probation in the offices of the Aaronic Priesthood previous to ordination to the offices of the Melchizedec Priesthood; the law of tithing and the blessings resulting therefrom; the building of Temples and the purposes for which built; the extent and efficacy of the work performed in St. George Temple, these and kindred subjects were powerfully dwelt upon by the servants of God, each and all of whom were abundantly blessed with the outpouring of the Spirit of the Lord. Yours,

JAMES G. BLEAK, Stake Clerk.

is given by using BROWN'S IRON BITTERS. In the Winter it strengthens and warms the system; in the Spring it enriches the blood and conquers disease; in the Summer it gives tone to the nerves and digestive organs; in the Fall it enables the system to stand the shock of sudden changes.

In no way can disease be so surely prevented as by keeping the system in perfect condition. BROWN'S IRON BITTERS ensures perfect health through the changing seasons, it disarms the danger from impure water and miasmatic air, and it prevents Consumption, Kidney and Liver Disease, &c.

H. S. Berlin, Esq., of the well-known firm of H. S. Berlin & Co., Attorneys, Le Droit Building, Washington, D. C., writes, Dec. 5th, 1881:

Gentlemen: I take pleasure in stating that I have used Brown's Iron Bitters for malaria and nervous troubles, caused by overwork, with excellent results.

Beware of imitations. Ask for BROWN'S IRON BITTERS, and *insist* on having it. Don't be imposed on with something recommended as "*just as good.*" The genuine is made only by the Brown Chemical Co. Baltimore, Md.
