

TO THE MERCHANTS OF UTAH!

A. T. GREEN,

Successor to

JAMES LINFORTH,

Commission Merchant,

3 FRONT STREET, near Market,

SAN FRANCISCO, CAL.

MERCHANDISE and MACHINERY of all descriptions purchased or imported for UTAH TRADERS on the most favorable terms and at lowest current rates.

The near approach of the CENTRAL PACIFIC RAILROAD to the principal business points in Utah, affords an opportunity to merchants to quickly and frequently replenish their stocks at any season of the year.

Many articles of general consumption, both of Foreign production and California manufacture, can be obtained at less cost from San Francisco than elsewhere.

California and Oregon-made Woolen Goods, Blankets, Cassimeres and Clothing, such as underwear and Hosiery, are superior to anything imported and intrinsically cheaper.

Making

SAN FRANCISCO

Unquestionably

The Market for Utah?

And ahead of all others in the advantages offered

Actual market quotations and all necessary information furnished to merchants on application.

Having been for the last sixteen years engaged in the Wholesale Trade of this city, and acquired a general knowledge of this Market, and the wants of the Country Merchants, through direct intercourse with them, I feel justified in saying that all orders for Goods, of any description, or any other business intrusted to my care will be attended to with satisfaction to my patrons.

Respectfully soliciting a continuance of the business, as heretofore confided to Mr. Linforth, I beg to refer (by permission) to the following gentlemen.

IRON STAMPED WARE

WE ARE NOW MANUFACTURING, IN CONNECTION WITH THE

ST. LOUIS STAMPING COMPANY,

A new line of

TENNED and POLISHED WROUGHT IRON WARE, suitable alike for

HOUSEHOLD,

MINERS' OR CAMP USE.

And take pleasure in calling the attention of Stove, Hardware and general dealers to the many desirable qualities of this NEW WARE, not only as an article of trade, but of UTILITY, combining as it does, NEATNESS, CONVENIENCE and LABOR SAVING in the care of utensils that are in every day use, in the most important of all HOUSEHOLD DEPARTMENTS. We desire and request every house-keeper to see our Tea Kettles, Sauce Pans, Dippers, Dish Pans, Wash Basins, Polished Stew and Fry Pans, as we are sure they have only to be seen to be appreciated.

Many of the articles are made entirely of one piece of wrought iron which, during the process of manufacture, receives several coatings of black tin; this leaves a surface, when finished, perfectly smooth, easily kept clean and entirely protected against rust. The cost is but little more than common tin ware, and every article will do ten times the service. The shape enables us to pack the various sizes in nests so as to occupy but little space, and being but a little heavier than tinware, the cost of transportation is very small. At present our assortment consists in part of

Tea Kettles, Camp Kettles,
Mess Pans, Dish Pans, Sauce Pans,
Dish Kettles, Fry Pans,
Fadles, Dippers, &c., &c.

We are now preparing a new Catalogue and Price List, and we believe Stove and Hardware Dealer will find it to their interest to send for a copy of each before purchasing elsewhere. Address

(Special to the Deseret Evening News.)

By Telegraph.

GENERAL.

San Francisco, Oct. 19.—Coal has been discovered on the line of the Central Pacific Railroad, in the State of Nevada.

The bark *Berenice* has arrived from the Ochotsk sea with a hundred and thirty thousand cod fish, making a total catch for the season of six hundred thousand fish.

Chicago, 18.—A severe gale occurred on Lake Michigan on Friday night. Several vessels were driven ashore and wrecked, and some lives lost. Reports show that the storm extended to Lake Huron. A number of vessels came in dismantled, one vessel lost four persons. Several crews were rescued from a dangerous position by tugs.

New York, 18.—The Democrats of the second district have nominated John G. Schumacker for Congress.

It is said that negotiations are in progress between the American Atlantic Telegraph Cable Company, of this city, and some foreign capitalists, to lay a cable direct to Belgium, and that responsible parties are ready to enter into a contract to put down a cable for £500,000.

Chicago, 19.—The *Republican's* special says Judge Dickinson, Democrat, who beat Gibson for Congress in the 9th district, has been arrested by the United States Marshall, charged with issuing a large number of fraudulent naturalization papers.

Chicago.—Frank Blair in a speech at St. Louis, on Friday night, said if Grant was elected he would never leave the White House alive, according to the *Democrat's* report. The *Republican* reports him as saying he would never leave the White House as long as he lived. The *Republican* publishes a letter written by Blair in August last, to a citizen of La Fayette, Indiana, asserting that the congressional reconstruction measures had been declared void by the Supreme Court, in the Mulligan case; also that the disfranchisement of southern whites by act of Congress was a bill of attainder and an *ex post facto* law, both of which are forbidden by the constitution. He says the people's will in the judgement of the court of high jurisdiction, will be enforced against the usurping rump Congress.

Washington, 19.—The Queen of Madagascar recently made a present to our government of costly silk articles and a silver plated coffee urn; the government will suitably acknowledge the compliment.

New York.—The *World* says a party cannot subsist upon vapor and make-believe, and unless we can change the aspect of the canvass we shall have a repetition, in November, of the result which has overtaken us in the preliminary contest. Governor Seymour now can aid us much, but Gen. Blair can aid us far more, and in a different way by his chivalric action superior to all eloquence.

Chicago.—The *Republican's* Washington special says Montgomery Blair and other straightout Democrats characterize the withdrawal movement as premeditated treachery. Blair says it is a Johnson and Chase movement, and was instigated by Seward, all of whom have been opposed to the ticket from the first. Gen. Hancock spent nearly the whole of yesterday afternoon and evening at Judge Chase's house. Blair says Seward is politically dead and has no chance, whether Seymour or Grant is elected, but thinks he could retain the place under Johnson, Chase or Hancock, hence he tries to effect a change in the ticket.

Raleigh.—Both parties are working hard in the Presidential canvass. Regular troops, colored, have been distributed at various points throughout the State by Governor Holden, with the professed, and only desire and purpose to preserve order and protect the State. The Democrats disclaim all purpose to interfere with the suffrage.

Petersburgh, Va., 14.—In conversation with John Quincy Adams, who was on his way home from a speaking tour in South Carolina, he said the southern people were as loyal as any people in the north, that the two races had been found friendly disposed, that the negroes were peaceable in all cases, except where they were incited or influenced by carpet-baggers, and nothing was calculated to do greater harm than the disfranchisement of the whites, which was more extensive than he had any idea of. On the subject of the Presidency he said it was now too late to change the candidates, and the
